

AERIAL ATTACK ON GERMAN TOWN

Berlin, April 17—via London—An official announcement by the war office says that eleven persons have been killed, twenty nine injured and considerable damage done to the University building by an air attack on Freiburg.

British admiralty statement issued last night stated that a large squadron of British and French air-planes had bombarded Freiburg on bombardment was a reprisal for German submarine attacks on British hospital ships.

MAY EXCLUDE MEN OF MILITARY AGE

London, April 17—The Daily Mail, objecting to conscientious objectors being employed in the government offices apparently under an arrangement made by the former regime, suggests the lead given by the Canadian government in excluding from the civil service men of military age should be followed.

SCOTCH SETTLEMENT

Scotch Settlement, April 16—After the long dreary winter, the song of the robin awakens us to the fact that Spring is surely here.

The heavy snow fall of last week blocked the roads in many places, which was quite unusual for so late in the season.

A good many farmers of this place and also of Springfield were busy hauling potatoes to Keswick Station last week.

Mr. and Mrs. Clowes Reed and family of Springfield spent Monday with Mrs. Walter Graham.

Mrs. Woodford Yerxa has gone to Bangor, Maine, to visit her parents, Mr. and Mrs. John Shaw.

Our teacher, Miss Cora Jewett spent her Easter vacation at her home, Hurtt's Corner.

Mr. George S. Hagerman is at present confined to his bed by a severe attack of La Grippe.

The Misses Ioué Long and Mabel Sloat were visiting Mrs. Amos Mitchell last week.

Mrs. Hedley R. Currie and daughter Gertrude are spending a few days with Mrs. Currie's parents Mr. and Mrs. G. S. Hagerman.

Mr. Owen Graham and his friend Mr. Ralph Tompkins of Brookville, Carleton County were visiting friends in this place recently.

UNIVERSAL SUFFRAGE WILL BE ADOPTED

London, April 17—A Petrograd despatch says that the congress of the Council of workers, soldiers and delegates have adopted a report regarding the constituent assembly which makes the following recommendations: The Assembly shall be convened at Petrograd as early as possible on the principle of universal suffrage. The army shall take part in the elections like the rest of the population but the active army shall vote separately. Women shall have the same voting rights as men. The qualifying age for the vote shall be twenty years. The council of workers, soldiers and delegates shall control the election which shall fix the political regime of Russia and her fundamental laws.

The report also provides that after constitutional questions are settled the assembly shall take up Agrarian problems and draft new laws on matters of labor, questions of nationality, organization of local self government and all questions of an international character.

STRIVING FOR A GERMAN REPUBLIC

Paris, April 17—(New York Sun)—L'Oeuvre says it has recent news from Berne that a party working for a German republic has just been founded there. The president is named Rosémeyer and he is said to be the author of J'Accuse, the expose of German diplomacy. The name of the author has been secret here-to-fore. The vice president is Hermann Fernau.

tance to the news because neither man is anyway a revolutionist, a socialist or an internationalist but all are educated middle class citizens, moved by conscience to take this action against their own government.

CANADIAN TROOPS CAN TRAVEL IN U. S.

Ottawa, April 17—An official memorandum issued by the Canadian government says: "The United States government has given permission for the passage of Canadian troops on the Canadian Pacific Railway through State of Maine, and on the Canadian Northern Railway through the State of Minnesota, between Canadian points in both cases."

THE ROAD TO THE RIGHT.

YOU'VE met at least one of those few good old souls, who are constantly getting the worst of it when shopping, who don't believe in advertising. A hundred disappointing and instructive experiences have failed to teach him their plain lesson.

When he bought his first watch he was beguiled into buying one without a known name or a trustworthy guarantee. That watch—a poor timekeeper—cost him dearly by reason of missed appointments and missed trains, and for frequent repairs. Yet he paid the price of a good watch.

It is the same story with regard to his underwear, his shoes, and his fountain pen.

This good old soul's case is not unique. Many of us, if the truth be confessed, resemble him; we allow ourselves to be sold merchandise with an unknown brand or trade mark instead of buying merchandise which is well known to us through the medium of advertising. In slang language, we get "stung" pretty often.

In most of these cases we have ourselves to blame, for "the road to the right" thing to buy has been made plain by advertising.

There is no good reason for passing by the known thing, soundly guaranteed, to buy a dubious article, which, quality for quality, cannot be cheaper than the known, branded article.

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper.

If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lansden Building, Toronto.
