PIMPLES AND BOILS

ALL OVER FACE AND BODY

When the blood becomes impure you will find that pimples and boils will break out all over the body, and alhough they are not a dangerous trou ble, they make you appear unsightly both to your friends and yourself.

Burdock Blood Bitters will cleanse he blood of all the imperities and poisons which cause the skin to break

out in these eruptions.

Miss Sylvia Swanson, Theodore,
Sask., writes: "I am letting you know
what great value your B.B.B. has been me. A year ago I started to grow ale and weak, the cause being bac blood. I got so many pimples and boils all over my face and body that I would not let strangers see me, and I used to avoid company. I tried many rem dies, but all seemed a failure. I read about how good your B.B.B. had been to thousands of people, so I got a bot-tle and after I had finished the second one my pimples and boils had all disappeared. People thought it a miracle how well I looked.

Your grand old remedy sure has been

as good as gold and better to me."

Burdock Blood Bitters has been man ifactured for the past forty years by The T. Milburn Company, Limited, To onto, Ont. See that our name appears on the wrapper.

Several thousand officers and employees of the Canadian Pacific Railway Company enlisted for active military duty with the Canadian Expeditionary Forces, and the majority of them are now in Europe, bravely battling for Canada and the Empire. As particulars of Army Reservists are not available, these lists of those who have given up their lives for their country or been wounded in action are necessarily incomplete, and do not therefore indicate fully the extent to which the Company's officers and employees have participated in the great

Was Troubled With **Shortness of Breath**

Mrs. C. M. Cormier, Buctouche, N. B. When the heart becomes affected, there ensues a feeling of a choking sensation, a shortness of breath, palpitation, throbbing, irregular beating, smothering sensation, dizziness, and a weak, sinking, all gone feeling of oppression and anxiety.

The nerves become unstrung, you derad to be alene, have a horror of society, start at the least noise and are generally fatigued.

On the first sign of the heart becom ing weakened or the nerves unstrung, Milburn's Heart and Nerve Pills should be taken. They are just what you require at this time. They regulate and stimulate the ehart, and strengthen and restore the whole nerve system. 'Since two years ago I was troubled with a shortness of breath, and sometimes I could hardly breathe. I went to see several doctors and they said it was from my heart and nerves, but they did not seem t odo me any good One day I got one of your B. B. B. Almanacs and read of a case similar

to raine.

"S bought a box of Milburn's Heart and Nerve Pills, and after taking it I nowced such a change that I kept on taking them until I had used four more boxes, when I was cured."

Milburn's Heart and Nerve Pills are 50c. a box, three boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Toroonto,
