

Don't Say— "Call Again."

Yesterday an army of men started out to sell Victory Bonds.

For the next three weeks theirs will be a colossal task.

From Cape Breton to the Yukon, they will try to call at every city home, every farm home, and every office, factory, and business institution to ask people to buy Victory Bonds.

Conceive, if you can, the magnitude of their work; the hard labour it involves, and the high necessity for it.

Then, realizing all these things, do your utmost to make their task easier.

Decide now to buy.

Decide the amount you will buy.

Be ready to sign your application when the salesman calls.

You should and will buy Victory Bonds, but, don't—please don't—ask the salesman to call again.

The worker's time is limited. He has hundreds of calls to make; and although there is an army of workers, each one has a large field to cover.

Don't say you're going to hold your application for someone else, because each worker is limited to his own district.

The salesman will not accept money. The application blank includes a form of cheque, payable to the Minister of Finance, which you can draw upon your bank; or, if you have not a bank account, there is a form of undertaking which you can use.

Be Ready— Don't Say, "Call Again."

Issued by Canada's Victory Loan Committee
in co-operation with the Minister of Finance
of the Dominion of Canada.

A CREAMY LOTION MADE WITH LEMONS

Prepare a quarter pint at about
the cost of a small jar of
common cold cream.

When this home-made lemon lotion is gently massaged into the face, neck, hands and arms daily, the skin naturally should become soft, clear and white, and the complexion dainty and attractive.

What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to bleach the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, therefore irritating, and should be mixed with white orchard this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well and you have a whole quarter pint of skin and complexion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh and pure for months. When applied daily to the face, neck, arms and hands it naturally should help to whiten, clear, smoothen and beautify.

Any druggist will supply three ounces of orchard white at very little cost and the grocer has the lemons. In this sweetly fragrant lemon lotion ladies can easily prepare and have an inexpensive toilet aid which perfectly satisfies their natural desire for a beautiful soft skin.

MACKENZIE KING IN THE FIELD

Newmarket, Ont., Nov. 12.—Hon. W. L. Mackenzie King, former Minister of Labor in the Laurier administration, was on Saturday nominated as a win-the-war candidate by North York Liberals.

The candidate classed himself as a "win-the-war man and a follower of Sir Wilfrid Laurier." He said that the union government was a gigantic effort to deprive the people of choosing their own representatives. He roundly condemned the Borden government and particularly criticized the war-time elections act.

THINKS WAR WILL BE LONG.

(Canadian Press direct wire.)

London, Nov. 10.—Admiral Beresford, speaking here last night, said he believed the war would be a long one. While the situation was serious in Russia and Italy, there was no need of pessimism, he declared, because the position was not serious in the west, where "we are going to win the war."
