

Our Southern Neighbors Felt It Their Duty to Extend Prompt and Generous Succor --- Tragedy Will Bind Closer Together the Nations Now Struggling for the Cause of Liberty.

Nothing is ever lost and no calamity direction. This is, in large measure, is ever so dark that its sombreness is due to the wonderfully sympathetic not somewhere lightened. One of the brightest things in all this dark trag-edy in Halifax has been the outpouring of sympathy and help from every

attitude of the press throughout Can-ada and the United States. There has been but one tone used, one picture painted and that has vibrated and glowed with sympathy and under-standing. From the Atlantic to the CASTORIA

issue: "While the catastrophe that has be-fallen the chief city of the Canadian Maritime Provinces will be felt and shared by civilized people every-where, it will bear with peculiar weight and come home with peculiar force to the English-speaking world. Because of proximity, the United States is moved at the moment, per-haps, by a more active sympathy than is any other patient. port to the near is any other nation; next to the peo-ple of the Dominion itself, the people of the United States are drawn by ev-ery sacred tie to extend prompt and generous succor to the stricken community

ed. The editorial attiitude of them all is well summed up in one of the leading articles in the Christian Science Moni-kindly sentiment and warm friendship between the two countries, but it will serve in this instance to reveal in the serve in this instance to reveal in the United States something of the ex-tent and genuineness of the admira-tion, respect and neighorliness which the mass of its sons and daughters entertain for their kinsfolk to the north. The opportunity which the dis-aster affords of putting into tangible form sentiments of regard for Cana-da and for Canadians, so often ex-pressed by them during the last three years, will not be overlooked or neg-lected by the people to the south.

years, will not be overlooked or neg-lected by the people to the south. "The opening of the treasuries and the hearts of the people of the United States to the needs of the af-flicted people of Halifax will involve neither effort nor strain, but will come as it is already coming, in re-sponse to a spontaneous and natural impulse Relief trains have already impulse. Relief trains have already arrived from different parts of the United States, are on the way, or are United States, are on the way, or are being laden with supplies and com-forts for the houseless and homeless. "The response of the United King-dom and of the Dominions of the British Empire throughout the earth will he of a kind with the which area will be of a kind with that which goes out from the United States and its possessions; nor will the serious pre-occupation of the Allied nations in all will soon flow in regular channels, and quarters of the globe cause them to withhold or restrict their sympathy. Rather will the Halifax catastrophe serve to bind closer together all the nations and peoples now associated in commented in the serve to bind the social sector is a sector of the sector of

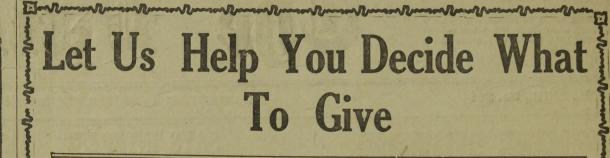

"Halifax will rise again. Desolate in the future tast through tri-bulation is came into a clearer and "Halifax will rise again. Desolate will soon give place to new and more before attained."

COAL FAMINE IN SIGHT.

Washington, Dec. 13.-Reduction in HEART BEAT onsumption alone can save the country from acute coal famine, said Administrator Garfield today to two hundred chairmen of war service committees named by various industries to co-operate with the movement in its purchase of war supplies.

They arranged to organize and Dr. Garfield was one of several officials who outlined industrial problems facing the nation.

John Childs, a Maine man, tells the collowing discovery: While digging a well through blue clay he broke open a chunk of clay and found a frog in-cased in it, 16 feet below the surface. There is no other remeay will do In a few minutes the frog began to move and then hopped away.

What? A heating system for your garage which will keep it cosy and warm in all kinds of wintry weather at a cost of but a few cents a day for fuel.

· With one of these systems installed you are assured of a quick start at any time; no frozen batteries or water cylinders; dividends from your cars all the year round, and great comfort and conveniences.

Information cheerfully given on the subject.

G. W. HODGE

PROVINCE OF NEW BRUNSWICK, COUNTY OF YORK.

TEMPTED

I, Nelson W. Brown, of the Parish of Southampton, in the County of Farmer, do solemnly declare:(1) That I am the candidate for the Liberal party in the constituency of

York-Sunbury.

(5) That on Sunday, the eighteenth day of November last, Gordon A. Grant, of the City of Fredericton, Agent, made an appointment with me on the telephone and came to my home at Southampton later the same day. (4) That while at my home the said Mr. Grant asked me to go into the wood house with him, and while there he offered me the sum of \$4,000.00 if I would retire from the election. I refused. The said Mr. Grant said that he had tried to get \$5,000.00, but \$4,000.00 was "as high as they said they could held the the further stated that the work held the the train and make me too late. He further stated that they could hold the train and make me too late

go." He further stated that they could hold the train and hold the train and hold the state in the following day I came to Fredericton to complete and fyle (5) That on the following day I came to Fredericton to complete and fyle my nomination papers. After we had left Springhill Station, the news agent informed me that a man wanted to see me in the baggage car. I went out and found the same Mr. Grant there. The said Mr. Grant informed me that he had got on the train at Springhill, and that he had got another \$1,000.00, and he would give me \$5,000.00 if two o'clock passed and no nomination papers were fyled against McLeod.

and the wording it is believed. And I make this solemn declaration conscientiously believing it to be true and knowing it to be of the same force and effect as if made under oath by virtue of the Canada Evidence Act.

(Sgd.) NELSON W. BROWN. County of York, this 12th day of December, A. D. 1917. (Sgd.) F. H. PETERS, A Commissioner for taking affidavits to be read in the Supreme Court.

## To the Clergymen of New Brunswick

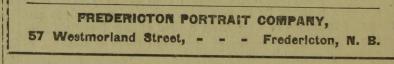

The Provincial Union Government Committee has en-deavored by a campaign of advertising and public meetings (2) That I was nominated a candidate of said party at a convention held in the City of Fredericton on the fifteenth day of November last.
(3) That on Sunday, the eighteenth day of November last, Gordon A. Brunswick and Canada in this all important Election and national crisis.

The success of Union Government and the safety of the Honor of Canada will depend largely upon the information given to former Liberals and Conservatives and winning their upport for united action in the face of a common enemy until peace is declared.

Feeling that it is the highest duty of every leader of the cople to persuade the men and women of this country as to what is best for them and the Empire, the officers of the Provincial Union Committee request the Clergymen of New Brunswick to make Sunday, December 16th, Union Sunday, and to direct the attention of their congregations to their duty to their Country and the gallant Canadian Soldiers who are fighting for Freedom and Civilization overseas.

IRVING R. TODD, Chairman Provincial Union Committee. E. S. CARTER, Secretary.
