MILITARY WEDDING TAKES PLACE THIS AFTERNOON

Miss Ethel McLean Becomes Bride of
 Major Cecil R. Mersereau of
 236th Battalion.

Fredericton will have a military wedding this afternoon with unusual features. The bride is Miss Ethel McLean, of this city, and the groom is Major Cecil R. Mersereau, of the 236th Highlanders, now stationed in Fredericton. It had been intended to have no demonstration, but news of the approaching ceremony got out today and a fitting observation was arranged.

The wedding is to take place at the residence of Mrs. Dell Gunter, Brunswick street, and will be attended only by immediate relatives of the bride and the officers of the 236th.

leave for Montreal by C. P. R. this evening on their honeymoon, and the Kilties are preparing to give them an enthusiastic send-off. The pipe, brass and bugle bands of the battalion will turn out, and also all the available men of the battalion, and will escort the bridal party to the railway station.

At the residence a party of the Highlanders with fixed bayonets will form an archway through which the bride and groom will walk to the barouche, which will be drawn by a party of men from Major Mersereau's company.

Major Mersereau is one of the most popular officers of the 236th. His home is at Chatham, N.B. He went overseas with the 12th Battalion of the

First Canadian Contingent and served in France with the 22nd and later with the 26th New Brunswick Battalion. He was invalided home after being wounded. He organized the Kilties Concert Company, and has assisted materially in the recruiting work of the battalion.

Miss McLean has also taken a prominent part in the organization of the battalion and also is a valued member of the Kilties Concert Company.

These facts show that the wedding is the result of a pretty romance of a military nature.

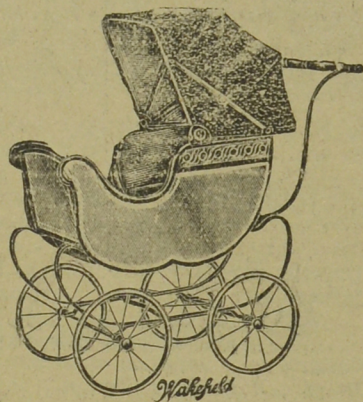

Mr. Walter Shaw of Woodstock is registered at the Barker House.
