## Staff of the Russian Army Pleased With Progress Made

### Soldiers Are in Splendid Spirits and Have Plenty of Munitions and Equipment--Great Credit Given to the New War Minister--Army Has Been Reborn.

PETROGRAD, July 3.—The new Russian offensive has resulted in the capture of 6,000 prisoners. The Russians are advancing towards Zlechoff, Galicia, the War Office announces. Twenty-one guns and several mine throwers were captured.

Up to the hour of telegraphing, the advance of the Russian army in Galicia was still in progress. A despatch read by the war minister, but unpublished, says that the staff of the Russian army in Galicia is more than satisfied with the progress. Never was an offensive so auspiciously begun. The local army staff was pleased with the speed of the advance, as the operation which the staff had expected would take two days, was executed yesterday between the hours of two and nine. All the latest telegrams to the war minister agree that the soldiers are in excellent spirits, and the ministry has authorized the statement that preparations as regards munitions and equipment are in better shape than in any preceding period of the war.

The new chief of the war ministry information department is Lieut. Perun, who is also a member of the executive committee of the Council of Deputies. Lieut. Perun has just returned from the front, where he witnessed War Minister Kerensky's crusade in favor of an immediate offensive. The lieutenant told the Associated Press that the very elucence of Minister Kerensky was largely responsible for the change in the army's mood.

The lieutenant was present when Kerensky, having told the soldiers that if they would not attack he would march towards the enemy's trenches alone, was embraced by the soldiers. Lieut. Perun mentioned one division, especially known for its unwillingness to fight, which, after the minister's speech, became the most militant on the front. "The army," said the lieutenant, "was reborn under my eyes."

PARIS, July 3.—The Germans made repeated attacks last night on the Aisne front, south of the Ailles-Paissy road. The most violent fighting continued throughout the night. Today's official announcement says the Germans were thrown back each time and finally abandoned their efforts this morning. The French also repulsed German attacks on the Verdun front, between Hill 304 and the Avocourt Wood.

### THE PEOPLE OF PETROGRAD ARE ENTHUSIASTIC

#### OVER THE COME BACK OF THE RUSSIAN ARMY

PETROGRAD, June 2.—The minds of the soldiers are thoroughly permeated with Russia's new political programme. War Minister Kerensky's merit, Lieutenant Perun declares, is that he first realized that the Russians will fight only if they are convinced they are fighting not for imperialism, but freedom at home and international peace. The war minister, he added, has accomplished the almost impossible task of convincing the soldiers of the fact.

Lieut. Perun declares that deserters are returning more rapidly than ever and says that the condition of the army is markedly better than Petrograd thinks.

Crowds of enthusiastic citizens marched through the streets of Petrograd today carrying portraits of War Minister Kerensky and Gen. Brusiloff, while others thronged the sidewalks and lined balconies and windows, cheering and waving flags and handkerchiefs in celebration of the first victory of the Russian army on the western front since the revolution.

The demonstration started with a series of men who got the first news from the War Office of the Russian advance, and grew rapidly to large proportions. Large portraits of the war minister and the chief of staff were obtained and carried in the parade, expressing the greatest enthusiasm in the capture of Przemyśl.

### THE LONDON MORNING NEWSPAPERS COMMENT

#### ON THE RENEWED ACTIVITY OF RUSSIAN FORCES

LONDON, July 3.—The reawakening of Russian activity on the battle front is conspicuously featured by the morning newspapers, but few comment on the event.

The Daily Times says: "We shall not indulge in premature congratulations." The Times, however, and two other papers, assure Russia that their comrades who have borne the brunt of this fighting are cheered and inspired to fresh hope by a renewal of Russian activity. It points out that much severe fighting awaits the Russians before they can hope to capture Brzezany with its strong defences.

#### BRITISH RECRUITING WEEK.

NEW YORK, July 3.—The week of July 16 will be British and Canadian recruiting week in New York, when efforts will be made to "get the last available men eligible among British subjects in this city to do his share in support of the war." This announcement was made by Brigadier General C. W. White, head of the British recruiting office in the United States.

## MAINE HOTEL DESTROYED

Portland, Me., July 3. — The Ottawa House, a summer hotel on Cushing island in this harbor was burned last night. The hotel which was a four story wooden structure, has not been opened for this season and was occupied only by servants. Its guests have been usually Canadians for the most part. The loss is estimated at \$50,000.

Miss Nan A. Lindsay and Miss Flo Holder who had been spending the week-end at Brown's Flats, returned home last evening.  
Mr. and Mrs. T. C. L. Ketchum of Woodstock are in the city.

## WAR PRISONERS CONFERENCE

The Hague, July 3.—The war prisoners conference between representatives of Germany and Great Britain held its last sitting yesterday. A protocol was signed, and the points on which an agreement was reached will be submitted to the British and German governments for confirmation.

Protesting Against Assessment.  
The C. P. R. is to be assessed for the purposes of the Patriotic Fund on a valuation of \$200,000 placed on its lines, buildings, etc., in this city. The railway is protesting against the valuation and wishes to appeal.

## CONDITIONS IN SPAIN ARE FAR FROM NORMAL

### Things Appear to be Going From Bad to Worse--The Country Believed to be on the Eve of Important Events.

PARIS, July 13.—The situation in Spain, far from improving, appears to be going from bad to worse. The gravity of the crisis is confirmed amply by such news as reaches Paris.

The Madrid correspondent of the Petit Parisien telegraphing on Sunday says suspensions of constitutional guarantees by the government has not removed the unrest in Spain. The fact that the heavily censored Spanish press published nothing concerning the internal situation seems to indicate that conditions are far from normal.

Great importance is attached in political circles to two facts: First, that the King and Queen cancelled an engagement to attend a polo game; second, that a special cabinet meeting was held, at the conclusion of which Premier Dato went to the palace and had a long conference with the King.

These circumstances have given rise to all sorts of comment, many persons seeing in them proof that the government had received serious news, but nothing so far has confirmed this view.

Salmeron Y. Garcia, president of the short-lived Spanish republic, who has just arrived from Spain, also takes a serious view of the situation there. In a statement published in the Petit Parisien he said he is convinced Spain is on the eve of important events.

## FINANCES ARE IN GOOD SHAPE

St. John's, Nfld., July 3.—The greatest surplus of revenue over expenditures ever obtained by the colony of Newfoundland is shown in preliminary statements for the fiscal year which ends on June 30. Revenue from all sources was approximately five million dollars, nearly a million dollars in excess of expenditures. This is double the surplus of the previous fiscal year. The increase is due to the enhanced value of fisheries and other products of the island, the high prices received having enabled the people to import exceptionally large stocks of goods of all kinds on which heavy duties were paid. It is understood that the surplus will be applied toward paying the cost of the colony's participation in the war.

Entertained at Luncheon.  
Capt. and Mrs. P. F. Godenrath entertained at luncheon at the Colonial Tea Rooms yesterday. The guests were the officers stationed in the city and their wives. Brig-Gen. McLean of St. John, was one of those present.

## LLOYD GEORGE SENDS GREETINGS

### Premier of Great Britain Congratulates Canada on the Occasion of Her Jubilee.

Ottawa, July 2.—The following messages of congratulation on the event of the jubilee of Confederation have been received on behalf of Canada by the Governor General:

Lloyd George: "Fifty years ago the statesmen of all provinces of Canada gathered in convention in Quebec to work out the basis of a federal union. From that act of statesmanship the Dominion of Canada was born. Confederation has done much for Canada. It has enabled the Canadian people to attain to internal unity and self-government and to achieve the beneficial development of the resources of their country. It has done no less for the empire. It has made Canada the pioneer of that autonomous nationhood which is the unique characteristic of our commonwealth of nations and it has had its logical outcome in the imperishable record which the army of Canada has made on the battlefields of Flanders in the cause of human freedom. The history of the fifty years indeed a certain proof of the part which Canada is destined to play in concert with her sister nations in promoting the peace and unity of the world after victory has been won."

Right Hon. Walter Long: "Please convey to your government and the people of Canada my heartfelt congratulations on the fiftieth anniversary of the Dominion. The progress made by Canada since confederation is striking evidence of the wisdom and foresight of the statesmen who brought the Dominion into being and justifies the most sanguine hopes for its future prosperity and greatness."

Hall-Slavin Nuptials.  
Mrs. Annie Slavin of Fredericton and Mr. Richard Hall of Milville were united in marriage at the Brunswick Street Baptist parsonage on Thursday last, Rev. G. C. Warren performing the ceremony.

## FURIOUS RACE RIOTS BREAK OUT AGAIN AT EAST ST. LOUIS, ILL.

### Twenty Negroes Killed, and Three Hundred Injured--Much Property Destroyed by Fire--Many Rioters Rounded up by Troops.

EAST ST. LOUIS, Illinois, July 3.—A night of rioting, during which at least twenty negroes are known to have been killed approximately 300 persons injured, and more than 150 negroes' houses burned, was followed early today by comparative calm after 1,500 Illinois National Guardsmen had taken charge of this city. While the death list is known to be at least twenty, unconfirmed reports place the number of dead as high as two hundred and fifty.

#### Negro Homes Burned.

The burning of negro homes began last night shortly before dark, and the mob went from section to section, setting fires. As the negroes ran from their cottages, rioters fired at them, and many fled back into the flames, and it is believed that a number were burned to death.

Not only white men, but white women and girls composed the mobs which set upon the negroes, and in several cases beat them to death with clubs. White women and girls attacked colored women on the streets, and in the street cars. They pulled their hair out, tore off their clothing and beat them with all sorts of weapons.

The rioting last night was the outcome of a series of disturbances which began with the killing of a police officer and the wounding of three policemen and two civilians early Monday morning. The fires which were set by the mobs during the night in five different parts of the city where negroes lived, besides burning nearly two hundred cottages, destroyed more than one hundred loaded freight cars belonging to the Southern Railway, valued at half a million dollars. The Broadway Theatre, valued at more than \$100,000, was also burned. Though the fires had burned for several hours, they were brought under control before daylight.

#### Two Negroes Lynched.

Only one white man was killed in last night's rioting. He was shot by a negro sniper. Two negroes were hanged during the night by mobs and four were killed by snipers.

The work of searching the ruins for the bodies began before daylight, and it was reported that eight bodies had been taken to various undertaking establishments.

Early today the guardsmen rounded up more than 500 rioters and brought them to the city jail.

#### Troops Would Not Shoot.

The troops who were on duty during the most serious disturbances, being under civil authority, were ordered not to shoot. This resulted in a number of rifles being taken forcibly from the soldiers. In explanation of the failure of the troops to fire on the mob, General Dickson, the commander, said the purpose for which the troops had been sent had been gained without firing and that wholesale bloodshed would have been the result of any firing on the part of the troops.

One of the results of the fires was to plunge parts of the city in darkness, and surgeons at St. Marys hospital and in the emergency operating room opened in the city hall, were forced to do their work while policemen held flashlights or candles over the tables. With the exception of isolated riots between whites and negroes at widely separated points, the rioting virtually ceased about midnight. All saloons have been closed indefinitely by the mayor.

## WILL LEAD THE COSSACKS

Petrograd, July 3.—General Kaludinous, who captured about 80,000 prisoners in a forward movement last year, and who is known as the breaker of the Lutz front, has been chosen hetman or leader of the Don Cossacks.

#### Services Dispensed With.

Ald. Shea, chairman of the City Hall Committee of the City Council, has announced that his committee has dispensed with the services of the woman heretofore employed as caretaker of the ladies' toilet room in the City market. This action is taken because the members of the committee believe the expense to be one which should be borne by the county and not by the city.

#### To Take Oath Tomorrow.

Mr. Rudolph Boudreau of the Department of State, Ottawa, arrived here today and registered at the Queen hotel. He has brought the commission of Mr. G. W. Ganong of St. Stephen as Lieut.-Governor of New Brunswick. The new governor will arrive here tomorrow and will take the oath of office.
