

## Victory Loan

### The C.P.R.'s Example

THE following extract from a circular issued by Lord Shaughnessy to the Officers and Employees of the Canadian Pacific Railway Company explains clearly the reasons why the wage earner and the salaried Employee should buy Victory Bonds. The C.P.R. is underwriting bonds for its Employees because it knows the people must subscribe to make this Loan a success:—

#### TO OFFICERS AND EMPLOYEES:

Public announcements have, no doubt, made officers and employees familiar with the issue of the so-called "Victory" bonds in denominations of \$50, \$100, \$500 and \$1,000, by the sale of which the Canadian Government desires to raise the sum of \$150,000,000, or more, necessary to finance purchases to be made in Canada for the Allies.

The officers and employees of the Canadian Pacific Railway Company have already proved their patriotism in many ways, and it is natural to expect that in line with such patriotic effort many of them will desire to invest what they can afford in this vitally important loan.

No better service can at present be rendered to Canada and to the interests of officers and employees themselves than by taking up these bonds. The agriculture, the industry, and the commerce of Canada are at present largely devoted to the production, supply and transportation of foodstuffs, munitions and equipment for the Allies, and the loan is required to finance the continued activities in such directions. Without the money required, the prosperity of the whole country is imperilled, and we might have to foresee unemployment on an unprecedented scale.

The "Victory" bonds have the strongest guarantee that Canada can offer, namely, that of the Canadian Government itself, and the generous rate of interest,  $5\frac{1}{2}$  per cent., means that the return on the money invested is good.

The bonds as issued by the Government will be payable ten per cent. on December 1st, 1917, one instalment of ten per cent. January 2nd, 1918, and four monthly instalments of twenty per cent., but in order to make it easier for officers and employees to purchase bonds, the Canadian Pacific Railway Company will arrange to carry these bonds, undertaking the payment on the required dates of such bonds as officers and employees pledge themselves to subscribe for, and extending to such officers and employees the dates of payment on the basis of ten per cent. per month, being \$5 per month on each \$50 subscribed, thus spreading the payments evenly over ten months, instead of six. Such payments will be deducted from the salary or wages as specified on the pledge form attached (to the circular).

## DOES NOT LAUGH AT CHAPLIN

Edna Purviance Says Charlie Would be Mad if She Did—Laughs When on a Vacation.

Chicago, Nov. 18.—Without a scratch on her face or a visible bruise, Edna Purviance, the custard pie backstop for pitcher Charlie Chaplin, undulated into town today. If you'll remember, Edna is the acrobatic Juno the divine Charlie utilizes as everything from a pincushion to a springboard in his little dramas. Since the early Keystone days, which ushered in a revival of the stone age in the movie world, Edna has been playing the toothsome Ophelia to Charlie's pantalooned Romeo. She is it down whose back the Chaplin has poured coffee and wines, into whose face he has launched bricks and pies, and whose shapely figure has furnished plot, beauty and romance to the famous Chaplin feet.

There were three of them to alight from the Santa Fe express—Blanche Sweet, Adele Rowland and Edna. But time was short and there was room only for a few remarks with the Purviance lady.

Well, But in a Hurry. "How do you feel?" was inquired. "Oh, very well," was answered, "but I am in a fearful hurry."

"There is one question only, Miss Purviance." "Shoot," said Edna, demurely. "Does Charlie Chaplin make you laugh, Miss Purviance?"

"No," said Edna, "he doesn't." "When he hits you in the eye, don't you laugh like everybody else does?" "No I don't."

"When he trips over you, kicks you and sticks pins in you, Miss Purviance, surely you burst out laughing then?"

"Why, not at all," said Edna. "I really take it all serious. You know, it's my art."

The interviewer sighed and drawing a deep breath and asked once again: LLOYD GEORGE CRITICIZED

London, Nov. 17. — The military correspondent of the Times referring to Premier Lloyd George's speech in Paris, says: "When the premier narates the follies of his British and foreign colleagues and lays the responsibility for the Allies' misfortunes on them, while forgetting his own share in these transactions, it becomes necessary to speak out."

The writer then examines separately some of the premier's assertions to show that the government, of which Premier Lloyd George is a member, is responsible for the failures which he pillories in Paris. The writer asserts among other things: "The British army virtually was placed under General Nivelle, (the former French commander) at the Calais conference by Premier Lloyd George, without consulting the soldiers beforehand. Our losses in the later stages of the Arras battle were due to our loyal efforts to take a strain off General Nivelle, and the tardy opening of our Flanders offensive was due to delay caused by this." After commenting adversely on the premier's references to the Russian and Italian campaigns, the writer says. "It would have been better had Lloyd George adhered to the facts."

Harmony Glee Concert. The Boston Harmony Glee Club, which is to give a performance at the Opera House on Friday evening, is more than a singing quartette. Every man is an entertainer and they should be greeted by a large audience. The proceeds are to provide yarn for the soldiers' socks. Help the boys.

## TWO LONG YEARS HE SUFFERED

"Fruit-a-tives" Made Him Feel As If Walking On Air

ORILLIA, ONT., Nov. 28th. 1914.

"For over two years, I was troubled with Constipation, Drowsiness, Lack of Appetite and Headaches. One day I saw your sign which read 'Fruit-a-tives make you feel like walking on air.' This appealed to me, so I decided to try a box. In a very short time, I began to feel better, and now I feel fine. I have a good appetite, relish everything I eat, and the Headaches are gone entirely. I recommend this pleasant fruit medicine to all my friends."

"It can't be that you didn't laugh in that picture where he drops the hot stove on your head. Heavens, that was really screaming."

Laugh Makes Charlie Mad. "Oh, I did smile a little," said Edna. "Charlie is very funny. But when we put the stuff on it's all work and very little time to laugh. In fact, Charlie doesn't like me to laugh. If I laugh he gets mad."

"This will astonish the public," said the interviewer. "It is widely believed that you lead a life of laughs."

"Nonsense," said Edna. "We're at work on another picture, but I'm going to New York for a vacation to see some shows and have a good laugh. Also, I'm going to buy some clothes."

The following facts were ascertained for Chaplin lovers: Charlie's favorite flower is the forget-me-not, his favorite author is Carlyle and his favorite musical composition "Silver Threads Among the Gold."

## ROOM FOR EIGHT ONLY

There are about a thousand reasons why a Canadian Government bond is better than any other kind of investment. Space permits us to mention only eight.

1. Security—The whole wealth of the Dominion of Canada is back of the bonds.

2. Fair Income—It is better to get  $5\frac{1}{2}$  per cent. income from a government bond than 6 per cent. from some less certain security. There is no investment so profitable and safe.

3. Marketability—The Canadian government bond can be readily sold through a banker or broker in a few hours at most—usually minutes.

4. Collateral for Loans—There is no better collateral in the world. Ask your banker.

5. Tax Exempt—Canadian government bonds are free from government taxation.

6. No Worry—Bonds can be registered in the name of the holder and the interest will be sent every six months direct from the government at Ottawa.

7. Small or Large—You can buy a \$50 bond, or \$100, or \$500, or \$1,000.

8. Will Appreciate—Government bonds have always sold at a premium after victorious wars.
