VERY FEW CANDIDATES RETURNED UNOPPOSED

Contest in 90 Per Cent of the 235 Constituencies--Eight Seats in Quebec go by Default to the Liberals--Saskatchewan Returns Four by Acclamation--Hon. W. S. Fielding the Only Member Returned in Maritime Provinces.

Toronto, Nov. 19.—Sir Robert Borden's Union government will go to the polls on December 17 with fully 90 per cent. of the 235 constituencies in the nine provinces of the Dominion represented by candidates.

With the list of nominations complete with the exception of some outlying constituencies, it is indicated that the supporters of Sir Wilfrid Laurier or some other section of the opposition have found a standard bearer in nearly every riding and that the seats which go by acclamation are very few, including eight in Quebec province—all Liberal or Independent Liberal and presumably giving support to Sir Wilfrid and the anti-conscriptionist program.

On the other hand, Shelburne-Queens, Nova Scotia, sends Hon. W. S. Fielding, former finance minister under the Laurier administration, to the commons without a contest, as a Liberal-Unionist and supporter of the Borden government. Early reports indicate that Saskatchewan has returned four members by acclamation, all Liberal-Unionists and government supporters. In all their own constituencies the members of the government will be opposed, though in many cases the candidates nominated against them are obviously put up merely to make a contest.

Labor candidates, some of them quite strong enough to make a good showing, were nominated in several cities and the promised "soldier" nominees are in the list. Triangular and four-cornered contests are made in several instances and the whole aspect of the nominations promises a month of warm election campaign.

But one of Ontario's eighty-two seats went by acclamation, J. McMartin, Glengarry-Stormont, Liberal-Unionist, who declared himself a supporter of the government's war policy, was returned unopposed.

In Nipissing one Liberal and a Labor candidate are running.

Dewart's Forecast.
Vancouver, Nov. 19.—The following telegram from Hartley Dewart, M. P. P., of Toronto, has been received by the local Liberals: "Conditions improve daily. Will have straight Liberal candidates in at least seventy-five ridings, Labor in the balance. Rowell, Guthrie and Pardee are all opposed. We expect thirty-three Laurier seats in Ontario. They are manipulating every possible force against us, refusing to enumerate men who have claimed exemption, proposing to allocate forty thousand soldiers' votes."

"Today immense posters, asking the insulting question, 'Whom would the Kaiser vote for?' have been put up. Everything indicates a popular sweep which even manipulation and corruption will not control. May go west with Sir Wilfrid to speak at a meeting at Winnipeg about the 26th. The heater is on fire."

A Lively Meeting.
Montreal, Nov. 20.—"Go ahead, Judge," were the encouraging words from a portion of a gathering in St. Ann's hall last night when Hon. C. J. Doherty, minister of justice, was trying to deliver an address in support of the government, while from the

MISSING BOAT HAS TURNED UP

(Canadian Press direct wire.)
London, Nov. 20.—The missing boat from the American steamer Rochester, which was sent to the bottom by a German submarine on Nov. 2, has just landed at a port in Ireland, the Admiralty announce today. The boat contained five men, the only survivors of the original boat crew of twelve.

PACIFISTS DEFEATED

(Canadian Press direct wire.)
Buffalo, N. Y., Nov. 20.—The overwhelming defeat of the pacifists by the supporters of President Samuel Gompers at the annual convention of the American Federation of Labor was followed today by the rapid disposal of many important resolutions upon which the anti-war party has been expected to show fight.

rear of the hall came disorder and disrespect for the minister. As an expression of disapproval of the conscription act the noisy element finally gathered up several chairs and swung them around so threateningly that a number of peaceful citizens made a wild dash for the forward part of hall and jumped over chairs in their flight. Policemen were present but the disturbers paid little attention to them, rather showing a disposition to fight the police, if dealt with harshly. Some of the disturbers were thrown out of the building in the early part of the meeting but they returned reinforced in numbers and throughout the time in which Mr. Doherty was endeavoring to make a speech there was almost a continuous ruckus near the door. There were no arrests.

Quebec Acclamations.
Sherbrooke, Que. Nov. 20.—Lucien Picaud, former Liberal member was Liberal, was also returned without county yesterday. Mr. O. Brouillard, opposition in Drummond and Arthabaska.

COLDS

IF HE ONLY HAD NOT BEEN SO CARELESS ABOUT THAT COLD!

You've heard it often, and you've sympathized with the sad wistfulness in the tone of the speaker... A neglected cold is so often the beginning of an illness that ends with serious consequences.

No matter how trivial a cold may seem, it is capable of rapid development into diseases which are not easily cured. The best time to shake it off is right at the start.
