LOOK OUT FOR ROORBACKS FROM GOVERNMENT ORGAN

As election day approaches, the electors of the city and county should be on the lookout for roorbacks from the government organ of this city. On the eve of the Guthrie-Scott by-election the Gleaner handed out the following: THE BOODLE FUND FOR SCOTT PARTY

Candidate's Son Gets Bundle of New \$1 and \$2 Bills from the Royal Bank of Canada—Most Glaring Attempt to Debauch Electorate Ever Practiced in an Election in York County.

Every day is bringing fresh developments to show that the efforts to make the opposition to Percy A. Guthrie, the Provincial Government party's candidate, appear as a purity campaign is the greatest deception which has ever been foisted upon the electors of York County.

The letter which Ald. Howard Rogers, of reciprocity fame, now chairman of the Scott campaign committee, forwarded to John Oldham, who joined the Grouchers because he didn't land every job he went after, and which is published in the Gleaner today, shows that the so-called purists are preparing to debauch the electorate.

The opposition to Mr. Guthrie in this fight have a boodle fund. Only yesterday Stanley Scott, son of James M. Scott, the Pinder-Mitchell candidate, visited the Royal Bank of Canada and

there secured a large bundle of \$1 and \$2 bills, which are always so popular and prominent at election times. The exact amount of the roll which the candidate's son carried away from the bank is not known, but one man described it as being of large proportions.

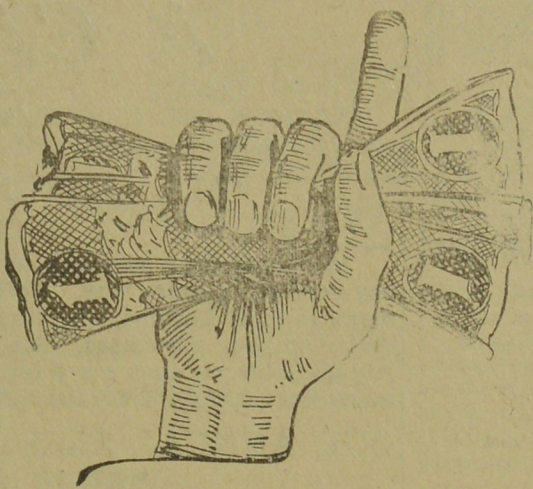

(Gleaner, Feb. 18, 1914.)

SCOTT THROWS UP THE SPONGE. An interesting interview took place yesterday afternoon over the telephone between Mr. Jas. M. Scott and Mr. James K. Pinder.

"You told me," said Mr. Scott to Mr. Pinder, "that the whole county was with you, and that you could give me all the Conservative organization. I have been around a good deal, until I got caught in this unlucky snow storm, and I find now that you have deceived me. You have no friends as you have no part of the Conservative organization to help me out in any other parish than your own, and that is only to help you. There are no committees at work who know anything, or can tell me anything and if I lose my deposit, as it looks now, I want you to understand that I will make it darn warm for you. This is the meanest trap I have ever been caught in."

Nothing more need be added. This tells the whole story of the present campaign in York better than can be told with any polish of words. This is an expression of disgust and disappointment that comes direct from the heart. It is an admission of fact that at once illustrates the depths to which Mr. Pinder will descend at the expense of his friends to make trouble for the party who declines to serve his personal ends at the expense of the honor of the Province.

Everybody knows that there was a boodle fund at the time of the by-election, but it was not used by the friends of Mr. Scott. Some of the money, about \$5,000, was raised at the 11th hour on a promissory note endorsed by prominent workers of the party. The endorsers got stuck for the amount of the note, and were compelled to pay it, less the amount of \$500 contributed by Mr. J. B. Daggett, and \$75 from one J. Malakoff Chappell.
