

### REV. DR. WARREN RESIGNS HIS PASTORATE

Has Accepted the Editorship of The Maritime Baptist — Esteemed Clergyman to Leave Here on September 15th.

At a business meeting of the congregation of the Brunswick Street Baptist Church last evening the pastor, Rev. Dr. Gordon C. Warren, tendered his resignation and asked that it be accepted and take effect on September 15th. The doctor stated that he had accepted the editorship of The Maritime Baptist, the official organ of the denomination. The Maritime Baptist is now published at Halifax, but headquarters will shortly be removed to Wolfville, N. S., where Rev. Dr. Warren will reside.

Rev. Dr. Warren is a native of P. E. Island and has occupied his present position for about twelve years. A few months ago he was offered the pastorate of the Baptist Church at Truro, N. S., but declined.

Rev. Dr. Warren is an eloquent and earnest preacher, and is exceptionally well qualified for pastorate duties. His ministrations in this city has been a very successful one, and his departure will be much regretted. For some years past Rev. Dr. Warren has served as Chaplain to the York Municipal Council.

### LOCAL MAN DROWNED, WAS BURIED SUNDAY

Body of E. O. Brewer Discovered Sunday Morning in St. John River at Foot of Regent Street — Many Attend Funeral.

The solution of the disappearance of Eldon O. Brewer, of this city on Wednesday night of last week came yesterday morning, when the body, in partly decomposed state, and clad only in trousers and shirt, was found floating in the water at Lemont's wharf so called at the foot of Regent street. The body had been lying in the water since Wednesday on the night of which, the deceased had evidently taken his own life by drowning. Ill health is taken as the reason for such a rash and tragic act.

The discovery of the body was made at an early hour on Sunday morning. Charles Fleet and Charlie Williams, two local men were engaged to drag the river on Saturday, when every effort to disclose the whereabouts of the missing man, proved futile.

### FOREST FIRE DANGER ALMOST MINIMUM

Most Portions of Province Are Now in Safe State—Fire Broke out in Carleton County on Saturday Night and is Now Looked After.

Due to the lessening of the fire hazard and the scattered intermittence of occasional blazes, it was expected that the majority of the fire fighting staff who have been constantly on duty since spring could be released today, but an outbreak of threatening proportions in Charlotte County makes it advisable to retain the rangers for some days yet. The fire in question was reported to Chief Forest Ranger G. L. Miller, late Saturday night and immediately action was taken. Charlotte County is the one remaining danger spot, and a fire gaining headway in the tinder-dry underbrush might upset all the optimistic calculations made concerning the mitigation of forest fire hazard.

The blaze was under control late yesterday after only three acres had suffered damage but a certain element of danger still exists. The only other fire reported in the last few weeks (Continued from page five.)
