Schmeling should acclimatize his right hand for Paulino's jaw by slugging a hydrant with his bare fist.

No one yet has been able to explain why a golf ball runs so much faster toward a bunker than it does toward the green.

The Yankees discovered this Spring that it is hard work winning a ball game with eight runs, when the other side scores nine or 10.

Bob Ryder: "About all we hope for now, as we start down town, is a fair chance of recovery unless complications set in." There is always danger of internal injuries.

Railway Town Team Held to Tie in League Fixture at Devon Last Evening—Some Solid Hitting.

Devon and McAdam played to a 6 all tie at the Devon Ball Park last evening in 6 innings of rather ragged baseball. It was the first league game in which McAdam did not leave the field as victors and the first time Devon did not leave the field as losers.

A good sized crowd was out to see the game and there was plenty of thrills to keep the interest up, and runs aplenty and hits galore. The Devon teams failure to hit when hits meant runs was the cause of not coping a victory. Time after time men were stranded on the paths waiting for a hit which did not come. Russell Blair pitched for McAdam and kept the seven Devon hits scattered, errors by his team behind him accounted for most of the runs. Keene, pitching for Devon was found early and often by the McAdam batsmen and collected eleven safeties while his team was rocky at all times, behind him. Keene was in plenty of trouble and balls that should have been handled were let fall for safe hits.

Many shifts were made in the line ups of last evening's game, one by an injury to "Sprig" Bailey who was knocked out by Luff at the plate as he attempted to score on A. Miller's single to right field. Brewer was sent in to catch the remainder of the game. McAdam used two pinch hitters during the game.

The Scoring

McAdam scored in the first inning on a single by "Shad" Miller and a double by Boone. In the second half of the frame the home team took the lead by scoring twice. A. Lewis let Miles' line drive get away from him and he was safe. Keene poled one for two bases and Miles scored, Keene went to third when Russell Blair tried to pick him off second and threw wide. Malloy sent out a long fly to A. Miller and Keene scored.

McAdam scored three runs in the second. McCully first man up singled. R. Blair singled, A. Lewis hit a hot one and Lawrence tumbled the ball. McCully scored. Keene threw out A. Miller at first. Lister hit to Keene and R. Blair was caught at the plate. W. Miller smashed one to left field

for three bases and A. Lewis and Lister scored. Harris struck out.

Devon made it three all in their half of the inning by McCully's error of K. Watson's fly and a three-pley walk by "Bud" McPherson.

Keene got into a bad hole in the third but a snappy double play stopped McAdam's chances of scoring.

Devon took a one run lead in the third, Miles reached first on H. Lewis' error and Keene hit one too hot to Lister and he could not smother it. Malloy was thrown out at first by R. Blair. Hughes hit to right field for two bases and two runs came in. Easy in, field outs ended the inning.

In the fourth McAdam tied the score. A single by Lister, an error by Malloy and a wild heave by Keene, produced the tally. Devon could not score in their half of the inning.

Solid hitting by McAdam produced the last McAdam run in the fifth. Boone and H. Lewis singled in that order. Luff batted for McCully and forced Boone at third. R. Blair fouled to Bailey. A. Lewis drew a walk. A. Miller singled and H. Lewis scored. Luff was caught at the plate by Malloy, Bailey getting hurt in the crash, but holding the ball long enough to get the runner.

Devon knotted the count six all by a run in the fifth. Keen hit, Malloy filed out. Hughes walked. Brewer, who replaced Bailey was safe on H. Lewis' error and Keene scored.

Neither team scored after this. McAdam sent in W. Blair after two were out in the sixth and he hit safely. Blair replaced Harris at first, who on three appearances to the plate was the victim off Keene's sharp curves and struck out on each occurrence. Boone who followed W. Blair filed out to Keene.

After MacPherson had been thrown out on a ground ball in the sixth, Jack Watson struck out. E. Miles hit safely. Keene also came through with a single. Opportunity was whispering to Malloy but the outguardian was a victim of R. Blair and took a called third strike and the game was over.

SPORT BRIEFS

Miller Huggins would like to trade a few home runs for a pair of pitching arms that keep the other fellows from hitting so many singles and doubles.

More than 900 golfers will attempt to qualify on Monday for the pleasure and privilege of playing explosion shots out of deep bunkers two weeks later at Winged Foot.

If Connie Mack can't win the American League pennant with the start he has this season, he might as well take up golf and see what can be had about stopping Bobby Jones at Pebble Beach.

If Connie can't win this Summer he will discard his entire outfit again, as he did in 1914, and build a new machine around Jack Quinn, the 46-year-old kid.

"How do you play a chip shot from a bunker?" asks a reader. Usually by chipping it about 10 inches at a time until it finally emerges.

Senor Paulino says that if Herr Schmeling actually intends to slug him on the jaw he had better have his right hand insured, because it will be of little use.

In regard to the new golf ball, the duffer will at least get a chance to hit a few brassie shots into the air after bumping them along the ground for the last eight or 10 seasons, hoping they will run through some trap.

Heart Trouble Hands and Feet Numb and Cold

Mrs. Wm. Fowler, Auburn, Ont. writes: "Several years ago I was troubled with my heart and nerves, so bad, at times, my hands would become numb and cold. I took doctor's medicine, for a while, but it did me little or no good. I happened to see

advertised and started taking them at once, and continued for some time, and since then I have had no return of my trouble."
