NOWADAYS YOU PRESS A BUTTON

Or perhaps a switch, or some little gadget, and a lot of things happen around home that lighten labor and banish trouble.

A Whirling Fan brings a cooling breeze, and a little copper, dish-like affair throws out a sizzling blast that warms the room in no time.

Another button boils coffee, toasts bread and cooks waffles. Another does a better job than a broom. Another makes a happy laundress out of a dismal washwoman. Another one cools the ice-box. Another—but why go on?

Labor and time saving devices have come and are today within the reach of the humblest home.

And one of the chief reasons why they have come and why they are within the reach of the humblest home is the power of advertising.

Advertising has carried the news of these better ways of doing things to every home. It has created a desire to possess them, and countless thousands have purchased them, and live better because of them.

Reading advertising not only tells you about new, helpful mechanical devices for the home, but it is an unfailing guide to reliable products.

READ ADVERTISING REGULARLY. IT POINTS THE WAY TO BETTER LIVING.

EXTRA PASTRY DOUGH HAS MANY USES.

Extra pastry dough has many uses, according to Lucile Brewer, food specialist at the New York State College of Home Economics at Cornell University. Save even small amounts, she advises, for they may be combined with other foods to make attractive dishes or to prepare a meal quickly.

Many women prepare an extra quantity of dough when they are making pie because they wish to have a supply on hand.

Wrap the dough in heavy waxed paper to prevent hardening and keep it in the ice box. Dough baked into shells may be filled with extra pieces of meat to make meat pie, or with creamed fish or vegetables to make patties, or with jellies, jams or cooked fruits to make tarts, pies or turnovers.

To make a dessert quickly, bake the dough in a piepan and fill it with jam and whipped cream. For an emergency meal, make a shell from the dough and fill it with creamed canned chicken or canned meats.

FRIED CLAMS.

Clean and dry twenty-four clams, dip in batter, fry in deep fat, and drain on brown paper. Season with salt, celery salt, pepper and cayenne.

Mix and sift one cup flour, one-half teaspoon salt and a few grains cayenne. Add gradually two-thirds cup milk and two eggs well beaten.

CREAMED CRABS.

2 cups flaked cooked or canned crab meat.
2 tablespoons flour.
1 cup milk.
2 tablespoons butter, salt, pepper, cayenne.

To the white sauce made from the butter, flour and milk add crab meat and season with salt, pepper and cayenne. Serve on rounds of toast.

RAISED MUFFINS.

1 cup scalded milk.
¼ cup sugar.
1 teaspoon salt.
3 tablespoons fat.
1 cup cold water.
¼ yeast cake.
¼ cup lukewarm water.
1 egg or 2 egg yolks.
1 quart bread flour.
Add the sugar, salt and fat to the hot milk; when dissolved add the cold water and the yeast mixed with the lukewarm water. Beat the egg slightly and add to the first mixture. Add the flour, beat thoroughly and let rise over night. Fill greased muffin pans two-thirds full and let rise until the pans are full. Bake in a hot oven (450 degrees Fahrenheit) twenty-five minutes.

CHOCOLATE CAKE.

2 eggs.
½ cup milk.
1 cup sugar.
1 teaspoon vanilla.
1 cup pastry flour.
1½ teaspoons baking powder.
2 squares chocolate.
½ cup butter or other shortening.
Mix together the eggs, milk, sugar and vanilla. Combine with flour and baking powder. Add the chocolate, melted together with the shortening. Bake in a loaf in a moderate oven (375 degrees Fahrenheit) forty to fifty minutes.

A Tickling In Her Throat For Years

Mrs. Peter Johnson, Port Alberni, B.C., writes:—"I had been troubled for years with a tickling in my throat every time I would lie down, and at night I would cough so I could not sleep, and could hardly do my work. I would cough until I would vomit."

"I heard of
Dr. Wood's Norway Pine Syrup

and after the first bottle I had no more cough, and now I am never without a bottle of 'Dr. Wood's' in the house."
