MY NEIGHBOR SAYS

When making jam skim it well and often.

A tablespoon of grapefruit juice added to a glass of iced tea makes a delicious hot day drink.

Leftover onions or cabbage should never be put away in the refrigerator unless they are placed in a tightly covered dish.

Carefully pare away every particle of green skin when preparing cucumbers for the table. The vinegar in which mixed sweet pickles are preserved gives them a delicious flavor.

Melons, pears and peaches may, with the aid of a vegetable cutter, be made into balls to be used in salads when fresh fruits can no longer be obtained. Pack the balls into a glass jar and pour over them enough thin syrup to come almost to the top of the jar, then seal.

Shoulder-straps are constantly slipping. To prevent this cut a piece of tape long enough to hold the straps. Sew one end of the tape to the inside of the dress on the shoulder seam. Then sew one-half of a snap-fastener onto the shoulder seam and the other on the loose end of the tape.

BREAD AND BUTTER PICKLES

Eight quarts table size cucumbers (I found that 24 of the five-cent size was about right), peeled and sliced with 1 1/2 cups salt. Two quarts medium size onions, peeled and quartered with one-half cup salt. Slice all of these about one-half inch thick. Allow to stand over night in separate containers in the morning drain and rinse well. Prepare two quarts vinegar, 2 1/2 pounds brown sugar, one tablespoon turmeric powder, 2 1/2 tablespoons white mustard seed, two teaspoons celery seed, one-half teaspoon cayenne, one-quarter stick cinnamon, one tablespoon whole allspice. Tie these last two in a piece of thin muslin. Bring to a boil, then add the cucumbers and onions and bring to a boil again. Can and seal. Will make about six quarts.

GOLDEN GLOW PICKLES

Slice 4 large red peppers, 4 large onions, 4 quarts medium onions. Use round hot peppers. Soak all separately in salt water for 2 hours. Drain. Pour over them 1 1/2 quarts vinegar, 5 cups light brown sugar, 2 teaspoons turmeric powder, small amount white mustard seed. Let come to a boil and can. Makes 3 quarts.

SWEET PICKLE BEETS

Cook 3 pounds or 4 quarts beets. Be careful to wash clean and do not cut root too closely so that they will

bleed. Boil 3 cups water beets were cooked in, 3 cups vinegar, scant 3 cups sugar, for 10 minutes. Pare beets and put into jars while hot, then pour over them the hot vinegar, etc. Beets can be sliced after cooked. Do not add salt to beets while cooking. Some prefer to use all vinegar, but I like them just as I have stated.

PICKLED CUCUMBERS

Wash carefully 25 cucumbers so as not to remove the pricklers. Place in four one quart jars. Bring to a boil 1 quart vinegar, 1 pint water, 1-2 cup salt, 1 cup sugar and pour over the cucumbers. A little celery cut in 1 inch pieces and 1 large or two small red peppers may be added to the jars.

PEACH AND ORANGE MARMALADE

Three pounds sliced peaches (about 2 dozen), 3 pounds sugar, 3 oranges run through the food chopper. Cook till like marmalade, then add 5 ounce bottle Maraschino cherries cut up with the juice, 1-4 pound blanched almonds. Cook 1-4 hour. Makes 8 glasses.

So far August has been likeable. Tomorrow may be different, but hearts must sing when gratitude is in order. Brilliant suns may be anticipated now. And August nights, cool and sweet when cloudless, bring the year's triumphant spectacle of stars, as though some mighty hand had sprinkled the blue with silver dust.

**Strength After
Childbirth**

"After my baby was born I was very weak and run-down. I was not able to do any heavy work but I had to be around on my feet all day. The strain proved too great and I was real sick for about two months. My mother advised Lydia E. Pinkham's Vegetable Compound and I started to take it. You should have seen the change in me. I am now well and strong and in good spirits. I have taken the Vegetable Compound ever since I feel my energy lacking. I also take Liver Pills and I find them a wonderful help for constipation."
