LOWER QUEENSBURY

HONORS RETURNED HERO

Corp. Harry Moore, Wounded Last Fall in France is Presented With a Purse—Other Village News.

Lower Queensbury, March 23.—The weather for the past few days has been very springlike, which encourages us to think that the extreme cold of the winter is past. Some have already begun to tap trees and prepare for the making of maple honey.

A very enjoyable evening was spent recently at the home of Mr. and Mrs. Hedley Moore, when about fifty friends assembled to welcome the return from England of Mr. Moore's brother, Corp. Harry C. Moore, who was severely wounded last fall, while fighting somewhere in France. During the evening music and games were indulged in. At about ten o'clock the meeting was called to order by the chairman, Mr. Alexander McNally, who then called on Mr. Frederick Barr to present the returned hero with a purse of \$39, contributed by his friends in appreciation of the noble work he had done for them and for his country. Corporal Moore responded in a feeling manner,

after which ice cream and cake were served and the party broke up by singing God Save the King.

Gunner Ernest H. Burden, in a letter to his mother, Mrs. W. A. Burden, says he expects to be able to return to the firing line early this spring.

We are very glad to welcome Mr. and Mrs. Guilford Hammond to this place after their winter's absence. Mr. Hammond is hauling bark to Kingsclear station and by the size of the loads he takes, we judge that the roads must be in good condition, owing of course to the change of government.

Rev. Mr. Rutledge has been holding special meetings here in the United Baptist church for the past two weeks.

Our Sewing Circle was entertained at the home of Mrs. J. H. Murch last Wednesday, when upwards of twenty members were present. Our circle and the Ladies' Aid recently purchased yarn and knit eleven pairs of socks for our soldier boys overseas.

Mrs. Jane Ferguson and Mrs. Amos Jordan are visiting Mrs. Isabel Jordan, who will on March 24th be 93 years of age.

Miss Viola Gunter and her brother Cecil are spending a few weeks with their sister, Mrs. LeBaron Anderson, of Four Falls, Victoria county.

Miss Charlotte Saunders has gone on a two weeks' visit to friends at

A woman can make a fool of almost any man if nature doesn't get the start of her.

It takes a woman to worry when she happens to think what a hard time her children would have with a step-mother.

When a busy man has leisure he always does some other kind of work.

MOTHER! YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

If Tongue is Coated, Breath Bad, the Stomach Sour, Clean Liver and Bowels.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out of sorts, half sick, isn't resting, eating and acting naturally—look, Mother! see its tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without gripping and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach, and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups, printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

A faithful dog led a searching party to his dead master's body at Carlisle, Pa., recently. The boy had gone out hunting for raccoons and when he did not return a search was instituted. While the party were in the mountains the dog, which had accompanied the boy, met the party and led them to where his body was lying. The boy had found a raccoon and in an effort to get it out of a hole in the rocks his gun had been accidentally discharged, the entire charge entering his heart and causing instant death.
