

NEW PRIMARY DEPARTMENT NOW READY

Meeting of School Trustees Brought Out that Dept. Was Now in Operation—Increased Number This Year.

At the meeting of the Fredericton Board of School Trustees last night the committee appointed in connection with the new primary department at the York Street school reported that it had been established, and was now in operation. Miss Mildred Sharpe, formerly principal of Morrisons Mills school is the teacher. The furniture for this department which is of the adjustable type, had been purchased from the Wallace Manufacturing Company of Sussex, N. B. This new primary room has been found necessary because of the increasingly large classes this year and the Board have acted promptly in the matter.

Those present at last night's board meeting were Dr. G. C. Vanwart, Dr. W. C. Crockett, Hon. C. D. Richards, W. G. Quinn, P. J. Hughes, K. C. H. S. Campbell and R. B. VanDine. The business last night consisted of largely of routine matters. The usual bills for the month were ordered paid.

The tender of A. H. VanWart & Son to supply the city schools with coal during the present school year, and the tender of T. D. Blizzard, to supply the Morrison Mill school with wood, were accepted. Because of the increasing motor traffic on the streets, the board is contemplating erecting signs near the school buildings to warn motorists.

CITY AFFAIRS

Condition The Same

The condition of Miss Ada Schleyer who is seriously ill at her home in Charlotte street shows no improvement today. She spent a fairly comfortable night.

Were Guests Here

Rev. Thomas O'Connell, co-adjutor Archbishop, of Halifax and Rev. Michael Cole, pastor of St. Agnes church, Halifax, were guests of Very Rev. Dean Carney, V. G. at St. Dunstan's Rectory a few days ago. The two are motoring to Kingston to take part in the installations of His Grace Most Rev. M. J. O'Brien and this is their first visit to this province. Both were greatly pleased with their trip here and elsewhere throughout the province. They motored to Saint John for a short stay before leaving for Kingston.

Weather Colder

Last night and today is a continuation of the cold weather which has struck the capital and the thermometers registered as low as 25 degrees above zero last night and early this morning, with almost eight degrees of frost. The garden stuff which has been left out has all been frozen by the sudden fall of temperature and ice has been forming on the ground, wherever there is water. Should the cold weather continue, the citizens will all be donning their heavier coats to offset the frost and cold.

Died This Morning

The death took place this morning at her home in North Devon of Margaret MacNaughton, aged 56 years, wife of Robert MacNaughton, following an illness of about two weeks. Deceased had been in failing health for the past number of years. She was well known and of a lovable disposition and endeared herself to all in her community by her kindly habits and her death will be regretted. Surviving is her husband, five sons, Walter, Peter, Gordon, Ralph, all of Devon; two daughters, Mrs. Percy Cook, Devon, and Miss Annie at home; four brothers, Angus MacKinnon, Regina; Malcolm of Vancouver, and Loughlin and James of Stanley. The funeral will take place on Saturday afternoon from the late home at two o'clock and will be conducted by Rev. A. W. Wentworth, assisted by Rev. J. G. Berry. Interment will be made in the cemetery at Kingsley.

COUSIN OF THE LIEUT. GOVERNOR GETS A MOOSE

J. B. McIntosh of Cleveland, O., Back From a Successful Hunting Trip to the Miramichi—Will Visit Rothesay.

After a visit to his former home at Kingsclear and a hunting trip to the Miramichi woods J. Burton McIntosh of Cleveland, Ohio, left by car this morning for Rothesay to pay a brief visit to his cousin, His Honor Lieutenant Governor McLean. He was accompanied by his son C. Burton McIntosh and his sister Miss Martha F. McIntosh of the staff of the Fredericton High School. As proof that he enjoyed his vacation in his native province and of his skill as a hunter Mr. McIntosh took along with him a generous cut of moosesteak, which he will present to His Honor with his compliments.

Had Hunting Trip

Mr. McIntosh and his son C. Burton McIntosh, returned yesterday from a hunting trip to the Miramichi woods made in company with Raymond Currie, registered guide of this city. On the second day in the woods Mr. Currie called up a large bull moose which

CARE IN REGARD TO FIRES URGED ON PEOPLE

Present Week Observed as Fire Prevention Week in Province—Season of 1929 is Improved.

The present week is being observed throughout Canada and parts of the United States as Fire Prevention Week and though there are no activities locally in connection with the observance, in some places short programs are being put on to bring to the public the importance of bearing in mind facts in connection with fire prevention in their particularly district.

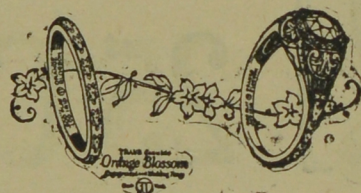

The week is set aside each year and occurs about the same time, which is usually in October. Posters have been put up on telephone posts and on buildings about the city to enable everyone to see the results of damages last year. In 1928, according to these posters, there was damage estimated at \$36,000,000. 413 persons lost their lives through fire in the same year. Fire Prevention Week is used by the Government to implant in the minds of the people the conviction that the greatest care must
