

Red Rose Orange Pekoe Tea is truly economical. A half pound makes almost as many cups as a full pound of cheap tea costing 50c to 60c.

RED ROSE TEA "is good tea"

RED ROSE ORANGE PEKOE is extra good

The long glove has been reclaimed. Many hats worn this spring were and is being attempted in black inspired by the round hat of the suede for evening. Short gloves are sailor; yet one certainly cannot call worn with short sleeves for day-them sailor hats, this term denoting wear.

WOMEN'S COLUMN

FASHION JOTTINGS

Sleeves are minus or plus; the new frocks have no sleeves at all or most elaborate ones.

French beige, champagne, navy and red are the colors wanted in handbags, according to the smartest shops.

The collarless coat, a spring favorite, invites a scarf of fur or fabric.

Face powder tints continue to inspire manufacturers of hosiery; emphasis is on suntan tones.

There is a possibility of the shawl returning to favor for evening since Blanchani has revived interest in shawl novelties.

The late afternoon frock borrows ideas from the evening frock.

The cocktail jacket has been remanded the Casino jacket and remains in favor, especially in lace.

The cardigan suit is a strong spring factor.

The chartreuse tones remain favorites for evenings. Patou's new color, capucine, one of the orange range, is also in favor.

Circular skirts have become a factor. All skirts are wider and somewhat longer, those for evening being distinctly so.
