

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Dr. J. C. Fletcher, and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. OF INTEREST TO WOMEN

APPLE STANDBYS.

Apples are the standby and friend of the cook and housekeeper, for they can be used morning, noon and night throughout a long season. They are only out of season, in fact, during the few months when we are fairly overloaded with an abundance of fresh fruit.

Surprise apples are truly surprises. To make them, roll out pie paste and cut it into pieces about six inches square. In the center of each piece place a small apple, pared and cored. In the core cavity put a spoonful of marmalade or jam or some shredded and blanched almonds, mixed with sugar and cinnamon, or seeded raisins, dates or figs. Add a spoonful of sugar and, if the apples are not tart, a teaspoonful of lemon juice. Then bring up the corners of the paste and dampen them, so that they will stick together. Bake in a moderate oven until the apples are tender and the crust made from creamed butter and powdered sugar, with the whipped white is brown. Serve hot with hard sauce of an egg folded in, or serve cold with cream.

To make apple snow, steam six tart apples, which have been peeled, and then mash the pulp. If the apples aren't tart add a tablespoonful of lemon juice to the pulp. Beat the whites of six eggs stiff and gradually add the pulp and a cupful of powdered sugar. Serve very cold.

This is a very good sort of apple and bread pudding. Pare and core and slice apple enough to measure six cupfuls. Measure half as much fine breadcrumbs. Put a layer of crumbs in the bottom, add a layer of apples, sprinkle with sugar and cinnamon and alternate layers until dish is full. Use half a cupful of sugar and half a teaspoonful of grated cinnamon. Finish the dish with crumbs and pour a tablespoonful of melted butter over all. Bake in a slow oven until done.

Golden Rod Toast

Cut bread into even pieces, toast and butter the pieces and moisten them with hot water. Boil 6 eggs hard, separate the whites from the yolks, chop the whites and press the yolks through a colander or sieve. Make a white sauce, using 1 tablespoonful each butter and flour together, and one cup of cream or milk.

Cockerels For Sale

I have for sale a limited number of Barred Plymouth Rock cockerels from stock procured at the Ontario Agricultural College. The poultry department of this college is under the direction of Prof. W. R. Graham, who is recognized as America's foremost poultry expert. The egg record is 310 and the average 175. This is undoubtedly the class of bird for those who want egg production. Read what Mr. J. W. Clark of Cainsville, Ont., said in an address delivered before the Toronto Poultry Association on Oct. 11th of this year:

"At the Ontario Agricultural College they have Barred Rocks and several other breeds which are the best on this continent. That is saying a lot and I know from experience."

I also have for sale a number of White Leghorn cockerels from my prize winning stock. They belong to a splendid laying strain.
