Was Honored

Fitchburg, April 20—Thomas P. Dunn was given a testimonial banquet at Hotel Raymond tonight in recognition of his recent appointment as umpire in the Eastern League.

Fifty of his friends were present, including Mayor Joseph N. Carriere and Mr. Dunn's fellow members in the City Council. Mayor Carriere presented him with a white-gold wrist watch and there were remarks by several others and an entertainment by professional actors.

Won \$1000

New Haven, April 20—John R. Huffman, Yale University post-graduate student and college instructor, today was notified by the Scandinavian Foundation in New York that he had won a \$1000 fellowship in physical chemistry for two years' study in Denmark.

Huffman, ex-Yale fencer, was a member of the Olympic Fencing squad.

New York, April 19—Willie Hoppe took a commanding lead over Kinrey Matsuyama of Japan by winning both blocks of their 18.1 balkline billiards

JOHNNY MILES WON MARATHON

Boston, Mass., April 19—Little Johnny Miles, now of Hamilton, Ont., once of Sydney Mines N. S., reeled them off today in record breaking style and crossed the finish line in the Boston marathon, the winner for the second time in four years. The Canadian legs and heart and lungs carried the diminutive lad 26 miles 385 yards in two hours 33 minutes 8 4-5 seconds. They broke the record made last year by Clarence DeMar, six times winner, by almost four minutes. Miles, incidentally, acquired the National Amateur Athletic Union's marathon championship, which goes over the border for a year to rest under the Maple Leaf with various matters held by Percy Williams, Ethel Catherwood, et al.

match today. With the match half completed, Hoppe now leads, five blocks to one.

This afternoon Hoope turned in an easy victory, 300 to 141, in eight innings. He had a high run of 106 while the best the Japanese could run was 96. Tonight the American won by a even greater margin 300 to 119, six innings. His high run was 196 to Matsuyama's 55.

TROJANS BEATEN

Windsor, Ont., April 19—Scoring 20 points in the first half before their opponents collected as much as a foul shot, Windsor Collegiate Alumni basketballers took a commanding lead in the Eastern Canada championship series here tonight when they defeated the Saint John, New Brunswick, Trojans, 58-29. The second game will be played on the same floor in the hockey rink here, tomorrow night but the teams will have to show a complete reversal of form or Windsor will again qualify for the Canadian final.

Oh What Will the Harvest Be?

Well those who join Dean Laird's party, through the West this year will be in a better position to judge than most of the less privileged. Their special train will pass through the fields of waving corn, through the magic cities of the plains, the ranches of the foot-hills, through the Gap and the great Rocky Mountains. Stop-overs are arranged at practically every city, and certainly every resort of renown, between here and the Island shore, lapped by the Japanese current. There will be riding, rowing, swimming and motoring, or one may just "sit" and enjoy the trip. Asy Canadian Pacific Agent can inform you. It is an all expense tour and much less than \$— should do the trip in comfort.

LYN LARY AND CISSELL ARE NOT UP TO FORM

New York, April 20—By a strange twist of fate, Shortstop Cissell of the White Sox was relegated to the bench by Manager Blackburne last Friday, while Leader Huggins of the Yankees was making known his decision to supplant Lyn Lary in that important position by Leo Durocher. Cissell was purchased from the Portland club of the Pacific Coast Coast League a year ago for \$75,000 and he played through the last American League campaign with fair results. Lary's release from the Oakland Coast League Club involved a similar amount, the original deal including Second Baseman Reese for the sum total of \$125,000. Reese was turned back to the Oakland and Lary was ordered to report to Huggins at the Yankees' training camp last month.

Cissell Benched

The benching of Cissell, together with other important members of Charley Comiskey's ball team, was attributing not only to weak batting, but to a tendency to forget the rules of discipline. Lary, after a thorough trial has been displaced by Durocher for the reason that the latter is a much better infielder, though not the equal of the expensive Coast League recruit in stickwork.

Another former Coast League beauty whose release from the Frisco club cost approximately \$60,000, is Paul Waner of the Pirates, who so far has refused to budge an inch in his demand for a contract calling for \$18,000 in salary.

Heilmann In Disfavor

Still another graduate of baseball in the Far West, Harry Heilmann of the Detroit Tigers, has fallen into disfavor because of alleged misconduct. Manager Harris has threatened to ask for waivers on Heilmann, in spite of his remarkable batting record which has averaged higher than .300 during his last ten years in the American League.

The Coast League has sent a number of newcomers to the big leagues this year and some of them already have impressed their managers favorably. The Yankees apparently were justified in paying \$25,000 to the Hollywood Club for Pitcher Gordon Rhodes, the big right hander, who will remain with the world champions permanently.

Prof Mission

Outfielder Swanson of the Reds was obtained from the Mission Club for \$20,000 and stands an excellent chance of winning a regular position on the Cincinnati team. Bruce Cunningham, a right handed pitcher, who made a fine record with Los Angeles last year, became the property of the Boston Braves as part of the sensational Rogers Hornsby deal.

Gave \$25,000

Owner Comiskey is said to have given \$25,000 for Outfielder Clarence Hoffman of the Sacramento club and \$15,000 for Second Baseman Johnny Kerr of Hollywood. Comiskey, by the way, never regretted the purchase of Third Baseman Willie Kamm from a Coast League club for \$125,000 several years ago, inasmuch as Kamm is the kingpin at the hot corner in the American League.

The Frisco club got \$75,000 from the Detroit Tigers for Outfielder Roy Johnson, who promises to be a regular, and \$50,000 from the Cleveland Indians for Earl Averill, who has been stationed in center field as a fixture.

Was Revoked

Philadelphia, April 20—The State Athletic Commission today revoked the boxer's license of Al Mason, Boston heavyweight, and forfeited \$144 of his purse, declaring his showing in a fight here Monday night unsatisfactory.

Marion Talley is determined to retire on half a million dollars and settle down to farm life. That's another idea of farm relief.
