Illness Kept Her From Work

"I took Lydia E. Pinkham's Vegetable Compound because I was so sick every month that I had to keep my bed for two days and I suffered so that I felt badly all the time. I had been working in a factory but for a long time was not able to work as I was so run-down and nervous. My friends told me of the Vegetable Compound. I am now sound and well and have gone back to work. I have a good appetite, my color is good and I am in good spirits."—Evelyn Bourque, 132 Alma Street, Moncton, New Brunswick.

WOMEN'S COLUMN

GREEN AND BROWN PROVE FAVORITES FOR AUTUMN WEAR

Paris—And sur' twill be wearin' of the green this year in Paris! and this means brown, too.

For these two shades are undeniably the favorites at all the smart designers from the rue de la Paix to the Arc de Triomphe and all around the town.

Green in all shades from palest Nile through chartreuse, sage, artichoke, reseda, moss and hunter's to the darkest bottle-green which is a prime favorite for the winter coat. Brown favorite in all tones from the lightest safe au lait through golden and cinnamon and the chestnut shades to mahogany and seal and the darkest of all nigger browns.

Both shades are especially beautiful in panne velvet and lunasol. Very often the frock is of lighter shade than the coat worn over it.

One designer has created his own green this year, combining water and fruit green, an almost divine shade. He is also showing the green of young leaves seen through a gray mist, together with a lovely greyish-violet-blue with pinks that have a mauve quality, all very soft and feminine.

A new red is a brilliant copper-bronze, the perfect Titian hue, designed to flatter sunburned skin in general and brunettes in particular. Dark-dahlia is a purple which is almost black and a favorite for evening gowns. Light-dahlia is a brilliant red-purple for afternoon wear.

PHILADELPHIA COFFEE CAKE

- 1 cup mashed potato
- 4 cups flour
- 3-4 cup potato water
- 1-2 cup lard
- 1 yeast cake
- 1-2 teaspoon salt
- 1-4 cup water
- 3 eggs
- 1 cup sugar

Soften the yeast cake in lukewarm water and add it to the potato, potato water and sugar. Let the sponge stand in a warm place until it is foamy on top (30 minutes to one hour), then add the salt, lard, which has been softened or melted, the eggs well beaten and the flour. Stir thoroughly until well mixed.

Let the dough rise in a warm place—one to one and a half hours, or overnight in a cooler but protected place. Stir down lightly and pour into buttered pans, not more than one inch in depth. Let rise not quite double its bulk and bake in a moderate oven (350 deg. F.) 30 or 40 minutes.

FROSTING

- 4 tablespoons butter
- 2 tablespoons cinnamon
- 1 cup sugar (powdered or confectioners)

To make the frosting, cream the buttered, all sugar gradually as for a hard sauce. To the last quarter cup of sugar add the cinnamon before incorporating it in the mixture. When the cake is baked, make gashes in the crust and fill them with the frosting, spreading the entire top as well.

WHEN A CHILD IS FEVERISH, CROSS, UPSET

Colic, gas, sour belching, frequent vomiting, feverishness, in babies and children, generally show food is souring in the little digestive tract.

When these symptoms appear, give Baby a teaspoonful of Phillips Milk of Magnesia. Add it to the first bottle of food in the morning. Older children should be given a tablespoonful in a glass of water. This will comfort the child—make his stomach and bowels easy. In five minutes he is comfortable, happy. It will sweep the bowels free of all food, indigestible food. It opens the bowels in constipation, colds, children's ailments. Children take it readily because it is palatable, pleasant-tasting.

In buying, be sure to get genuine Phillips Milk of Magnesia. Doctors have prescribed it for over 50 years.

Learn its many uses for mother and child. Write for the interesting book, "Useful Information". Address The Chas. H. Phillips Chemical Co., Windsor, Ont. It will be sent FREE.
