SPONGE CAKE WITH WHIPPED CREAM

- Sponge cake
- Red jelly

- Chopped nuts

Have a sponge cake either in loaf or baked in sheets. If loaf is used cut the cake in ½ inch slices; spread with red jelly; then top with whipped cream. Garnish the top with a small piece of red jelly or strawberry and sprinkle with chopped nuts. This is a very attractive and tasty dish.

The following recipe may be used for making cake:

- 1 cup sugar
- 2 eggs
- ½ cup boiling water,
- Pinch of salt
- 1 cup flour
- 1 teaspoon baking powder

Beat the yolks of eggs, sugar and salt until light; add the boiling water, mix and add the sifted flour and baking powder; then add the stiffly beaten whites of eggs and fold in very lightly. Bake in moderate oven on sheet which has been lined with paper about 20 minutes. Wet the paper with cold water to remove from bottom of cake. The cake is used as told above.

 - 3 teaspoons baking powder
 - 1 egg, well beaten
- Mix dry ingredients. Cream peanut butter and sugar. Add egg and milk and stir in dry ingredients. Pour into well-greased and floured pan. Allow 20 minutes for bread to rise placed in a warm room away from draughts. Bake in slow oven at 350 degrees F. for 40 to 45 minutes.

Be Ready

**When your
Children Cry
for It**

Baby is likely to wake you any night with that sharp cry which means just one thing—colic! Be ready. Keep a bottle of Fletcher's Castoria in the house. A few drops of this pure vegetable, pleasant-tasting preparation comforts a colicky, fretful or feverish baby in a jiffy. In a few moments your anxiety is over and baby's sleeping soundly again. And you've only done what your doctor would advise. He'll tell you Fletcher's Castoria doesn't contain any harmful drug—that it's safe for the youngest infant and effective for children of all ages in cases of constipation, colic, gas, diarrhoea and those upsets when you don't know just what is the matter. Avoid imitations. Genuine Castoria bears the Fletcher signature.

Keep Stomach Young!

Eat What You Want

When the food you eat goes into your acid-soaked stomach, it sours and can't digest, makes foul gas and sour bile. The blood takes these poisonous acids and carries them through the body. Naturally it makes you miserable and despondent, because your system is not nourished—you lose weight.

Pape's Diapepsin dissolves the acids and sweetens the stomach. It digests the food; no more sour bile is taken up by the blood. Your appetite is like a youngster's again, and gradually you get back your health, flesh and energy.

Chew a tablet or two of Pape's Diapepsin after meals. It tastes good, and relieves the misery of indigestion in five minutes. It will keep your stomach young and vigorous so you can eat anything you want without being afraid of the consequences.
