What Will you do

When your Children Cry for It

There is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved; or diarrhea checked. A vegetable product; a baby remedy meant for young folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name and remember to buy it. It may spare you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everybody ailments. Any hour of the day or night that Baby becomes fretful, or restless. Castoria was never more popular with mothers than it is today. Every druggist has it.

She can cook, she can bake, she can sweep, she can sew
Like a book she can make with things cheap quite a show
Do you doubt it is true that she could? To be blunt
We've found out she might do, and she should—but she won't.
