FASHION JOTTINGS

Peplums add a piquant quality to the spring silhouette. Box pleats and other widely pleated skirts are being shown.

Sports shoes for Southern wear are usually in white with one color.

Petals and scallops play a decorative part in chiffon and crepe frocks.

White trimmed with tan are the accepted Palm Beach sports shoes.

Jackets have a proved their worth and remain a dominant note for spring.

The pinwheel silhouette was launched at Louisboulanger's opening.

Palm Beach has definitely established the separate jacket. Also the sleeveless dress.

The dipping back skirt line continues and is introduced even in tailored suits.

Warp print taffeta is forging ahead as one of the most popular fabrics for evening.

Modified princess silhouettes with low flaring skirts are important for evening.

Celanese and rayon are terms on every stylist tongue and designate a group of fabrics.

The new skirt line is down in back and front and skirt at sides but it is the dipping back line which still prevails.

Yellow and green alone or in combination remains important. Orchid and lavender and violet tones are also being chosen.

Contrasting blouses and skirts are another factor for spring and are being worn at Southern resorts.

Cire chiffon and organdie are among the evening fabrics. Lace and chiffon dinner gowns made on softly fluttering lines are being worn in direct contradiction to flaring models in taffeta or other stiff fabrics.

Mrs. Fred P. Averill, 136-12th Ave., Calgary, Alta., writes:—"I was bothered so much with my heart I could not sleep. I would wake up in the night screaming and my heart would start pumping and pounding.

A neighbor lady told me to try

so I started taking them and I can truthfully say I am a different woman. Altogether I only took two boxes."
