Stay in House.All skin diseases such as eczema or
salt rheum, itching or burning rashes,
eruptions, ulcers, boils, pimples, etc.,
are all caused by bad blood, and while
not usually attended with any fatal re-
sults, may sooner or later develop into
some serious blood trouble, and the
entire system become affected.Burdock Blood Bitters, that old and
well known remedy, will cleanse the
blood of all its impurities, and by this
means cure all skin diseases and other
blood troubles.Mrs. Ernest Andrews, Hamilton, Ont.
writes: "My face was covered with
eczema and was so terribly bad I had
to stay in the house. I had ten differ-
ent doctors but got so tired of their
treatment that I went and bought a
bottle of Burdock Blood Bitters, and it
helped me so I kept on taking it. Now
I am cured and have a lovely skin.""People who used to see me when I
was so bad and see me now, will not
believe it, but I always tell them that
nothing cured me but Burdock Blood
Bitters."B. B. B. is manufactured only by The
