BUSINESS IN CANADA IS SOUND SAYS HEAD OF THE CANADIAN BANKERS' ASSN.

FIFTH PAGE Rare
Toronto, Nov. 14—Notwithstanding
a disturbed condition in the stock and
grain markets of late, the year has
been satisfactory one from a banking
standpoint said President A. E. Phipps
in addressing the annual meeting of
the Canadian Bankers' Association to-
day.

Mr. Phipps said the condition of the
stock market did not reflect the gen-
eral conditions in Canada or the Unit-

Sir Frederick Williams-Taylor

ed States, adding that business was
still sound as was the financial struc-
ture. "Apart from the inconvenience
caused by the stock exchange distur-
bance the outlook is causing our finan-
ciers no anxiety whatever," he said.

Lower Employment

Conditions in the railway, building
and construction, automobile and lum-
bering industries pointing to decreas-
ed employment this winter and conse-
quent decrease of purchasing power,
and gradual slowing up of business.

"Railway earnings," he said, "which
during the earlier part of the year
gave high promise have been seriously
affected by the unusual situation sur-

rounding the movement of the Western
crops. The gross earnings of both rail-
ways for the nine month, ending Sep-
tember 30 were slightly better than
for 1928, but have been falling since.
I am afraid that while the railways
will experience a reasonably satisfac-
tory year's business 1929, will not
prove to be the record year for which
the returns of the early months gave
promise."

Concerning stock market conditions
Mr. Phipps said: "We feel that many
good sound securities are being traded
in now at prices that are less than
their intrinsic worth and when this
was realized the situation would
steady itself."

The liquidation was a foregone con-
clusion, he said, the situation being
that a public "uniformed as to intelli-
gent procedure in buying and selling
securities" had practically obtained
the control of the market.

N. B. Men Honored

Toronto, Nov. 14—Beaudry Leman

sociation at the annual meeting of the
association today.

Kenzie, general manager of the Bank
of Montreal.

Five honorary presidents were
elected as follows: Sir George-Burns,
Ottawa; E. L. Pease, vice-president of
the Royal Bank of Canada; Sir John

of Commerce; Sir Frederick-Williams
Taylor, vice-president of the Bank of
Montreal, and C. E. Neill, vice-presi-
dent and managing director of the

ANNUAL MEETING OF U. N. B. CLUB LAST NIGHT

(Continued from page eight)

don Jones, and Byron Hagerman.

Following the election of officers, a
general discussion was entered into,
in which plans for the coming year
were made. The program promises to
be an interesting one and include
many new activities. The report of
the committee to look after the erec-
tion of bleachers at College Field was
heard, and steps taken to have the
balance of the cost of the bleachers
remitted in the near future. The en-
tire assembly then discussed various
phases of the program for the new
year and the meeting broke up with
every optimism for a successful new
year.

PENN. HUNTERS HAD SPLENDID TIME IN WOODS

the charge of the deer. He barely got
his rifle up in time to get a shot at
Mr. Deer, stopping the creature but
a few feet in front of him.

The season, which is now on its
wane has not seen many of such
thrilling incidents. At least there
have not been reports of such. But
this one, if really true, is worth
much comment. The question has
been greatly mooted whether these
creatures will do such a thing as
charge a person.

CHICAGO BOASTS 3,320,000 PEOPLE

Chicago, Nov. 15—Cook county will
start the year 1930 with a population
of 3,950 the Chicago Regional Plan-
ning Association has estimated. Of
this number 3,320,000 will live in the
city of Chicago. The estimated popula-
tion of the Chicago area—including
the city's industrial hinterland in 15
nearby counties of three states—was
fixed at 5,048,000.

CHICAGO MAN'S HOME WRECKED TODAY BY A BOMB

J. W. Breen, Advisor of
Mayor Thompson, the
Victim of an Outrage.

(Special cable to THE DAILY MAIL by
the British United Press.)

(Chicago, Nov. 15—A bomb wreck-
ed the home of James W. Breen,
first assistant corporation counsel,
Republican committeeman of the
fourteenth ward and advisor of May-
or William Hale Thompson early to-
day, hurling Breen and his wife from

Had Pleasant Trip

Mr. William J. Noble, of Nason-
worth, the last of the old guard of
St. John River lumbermen made a
motor trip up river as far as the
mouth of the St. Frances, a few days
ago. He enjoyed the trip immensely
and renewed many old acquaintances.
Mr. Noble lumbered on the Allegash
for many years for the Cushing con-
cern, cutting as high as ten million
feet in a season. In the vernacular of
the lumber camp he was known as
"Billy Jack."

The theme song we had in mind
for the first girl baby born in an air-
plane, as in the Miami instance was
"My Gal's a Highborn Lady."

THE STOCK MARKET TODAY EXHIBITED MORE STRENGTH

The stock market today in both
New York and Montreal took on a
much healthier tone this morning.
Nearly all issues were on the up-grade
and it is now believed that the worst
is over. The volume of trading on
both markets was fairly large. Call
money in New York remained at six
per cent.

Died at St. John.

Ernest J. Todd, High Secretary for
New Brunswick of the Independent
Order of Foresters, was found dead
in his apartment, 84 Germain street,
St. John, a little after 10 o'clock yes-
terday morning. It is thought that
heart trouble was the cause of his
death, which is believed to have oc-
curred Wednesday morning. Mr. Todd,
who was 71 years of age, was last
seen on Tuesday night.

"Ill Health Was Dragging Me Down Fast"

"I Had Been Doctoring for
Over A Year When I
Learned About Dreco."

"I have the
highest praise for
Dreco. It re-
lieved me of suf-
fering when I
was about ready
to give up all
hopes of ever get-
ting well again.
I was losing
weight fast. My
appetite had left
me. My nerves were very bad and I
was no longer able to get any rest at
night. Ofttimes I would walk the floor
at night trying to get some relief from
indigestion. Gas used to press up
around my heart that made it beat
and thump like an old pump.
"Dreco soon scored in my case and
soon I was taking on the weight I
had lost. My stomach is lots better
and I am at last
able to get some rest
at night. I am rap-
idly improving now
and all this praise
goes to the new
medicine, Dreco."
This statement was
given by Mr. August
Busch, 726 West
Winnipeg St., Ap-
pleton, Wis.
