## DEBATE ON THE ADDRESS BEGUN IN PARLIAMENT

**A Statesmanlike Deliverance From Sir Wilfrid Laurier--A Scathing Indictment of the Administration--The Hughes-Borden Correspondence Quoted With Telling Effect--Nothing to Hinder Premier From Attending Conference.**

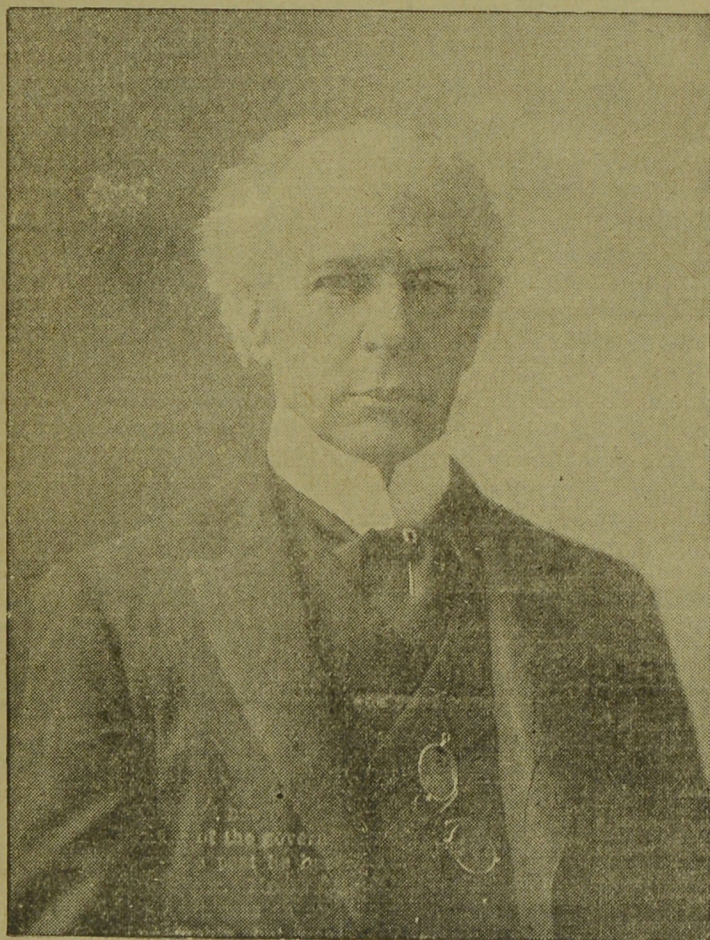

Ottawa, Jan. 22.—Parliament's leaders spoke at the commencement of the initial debate of the session today.

The galleries were crowded and interest and speculation was rife. But there was no "fight" and not much visible manoeuvring for position.

Sir Wilfrid Laurier came first, immediately after the mover and second-er of the reply to the speech from the throne, and pitched the key of the discussion high. He emphasized the necessity of placing patriotism at this time before partizanship. As an ear-

and indecision when the call was for promptness and firmness, and urged an immediate improvement of the deplorable conditions existing within the cabinet as revealed by the published letters of Premier Borden and Sir Sam Hughes.

Sir Robert Borden adopted generally the keynote struck by the opposition leader. The main portion of his address, quoted for the most part from manuscript, was devoted to a review of Canada's part in the war, not forgetting the government. He practically

SIR WILFRID LAURIER.

nest of the Liberal position, Sir Wilfrid concluded by commending the government's decision to be represented by the Premier at the forthcoming imperial meeting of Britain's war cabinet, suggesting the postponement of any possibly contentious bills, and undertaking unanimous support to an interim war supply bill and to an interim current supply bill, prior to an adjournment of parliament until such time as the Premier return from Britain.

Sir Wilfrid did not, however, abandon the duties of an opposition leader. He criticized the government for lack of unity of purpose, for procrastination

accepted the "considerate proposal" of Sir Wilfrid Laurier relative to his attendance at the British war council. He intimated that an adjournment of the House might be necessary, but as to that he would first consult his colleagues.

**Sir Sam Made Him Nervous.**

Premier Borden's one lapse was a somewhat petulant exhibition towards the end of his speech. But the Premier's embarrassment came from his own side of the house. Sir Sam Hughes, his arms folded, sat in front of the private members' benches with his eyes on the Premier throughout.

## STORM WAS VERY SEVERE IN QUEBEC

Snow in Dense Drifts and Not a Train is Moving.

Quebec, Jan. 22.—With the wind blowing at a velocity of 60 miles an hour, according to the official observatory here, and snow falling in dense and uninterrupted drifts, Quebec is in the grip of the worst storm encountered in the last fifteen or eighteen years. Not a train is moving throughout all this region, and a number of trains are no doubt in outlying counties. Hundreds of business men and workers are kept from their work.

Conditions Bad in Montreal.  
Montreal, Jan. 22.—Railway traffic in this city has been seriously interrupted as the result of a heavy snow-storm which started last evening and is still in progress. Most of freight both in and out of the city have been cancelled and passenger trains are all hours late.

The street railway service was also considerably dislocated, but is improving. The storm is one of the worst for several years and is apparently general all over the province.

## SUGAR CARDS IN FRANCE.

The Object is to Diminish Sea Transport as Much as Possible.

Paris, Jan. 22.—Sugar cards are to be instituted in France. Their introduction in Paris, and the department of the Seine will be accompanied by a census with a view of making the measure effectual.

It is officially stated that the objects of the measure are to diminish the sea transport, reduce purchases abroad and avoid the export of gold.

Life isn't so bad when we consider how many symptoms we have and how few diseases we get.

## MOTHER! GIVE CHILD "SYRUP OF FIGS" IF TONGUE IS COATED

If Cross, Feverish, Sick, Bilious, Clean Little Liver and Bowels.

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is they become tightly clogged with waste, liver gets sluggish, the stomach sours, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

## N. S. SCHOONER TORPEDOED.

Halifax, Jan. 22.—Word has been received by Cochrane Bros., Parrsboro, that their schooner, Lillian H., has been torpedoed. She was bound to Nova Scotia.

Six times wounded is the record of a Devonian now in hospital in London. On another occasion he was buried in a trench for 36 hours, but was rescued unhurt.

It requires a little moisture to make a postage stamp stick and a little cold water of indifference to make a sweet-heart stick.

## ROLL OF HONOR

Several thousand officers and employees of the Canadian Pacific Railway Company enlisted for active military duty with the Canadian Expeditionary Forces, and the majority of them are now in Europe, bravely battling for Canada and the Empire. As particulars of Army Reservists are not available, these lists of those who have given up their lives for their country or been wounded in action are necessarily incomplete, and do not therefore indicate fully the extent to which the Company's officers and employees have participated in the great struggle.

## Doctor Tells How to Strengthen Eyesight 50 per cent. in One Week's Time in Many Instances.

A Free Prescription You Can Have Filled and Use at Home.

Philadelphia, Pa., Sept. 6.—Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that, according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses, and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using his prescription for fifteen days everything seems clear. I can even read the print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able

to strengthen their eyes so as to be spared the trouble and expenses of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start, and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

A prominent City Physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known, to eminent eye specialists and widely prescribed by them. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand."

You can order Bon-Opto by mail from the Valmas Drug Co., Toronto, if your druggist has none in stock.
