

ALONZO STAPLES RESIGNS PLACE ON DIRECTORY

Director on Exhibition Board Says Age is the Reason for Resignation — D. W. Olts to Replace Veteran.

At an unforecasted meeting of the Fredericton Exhibition Board of Directors called last night in the Secretary's office, President Cain read with regret the resignation from the board of Alonzo Staples who has been actively connected with Exhibition work for more than a decade. "Owing to my health not being as robust as in other years and realizing that age must give way to youth, I herewith tender my resignation," were the words with which Mr. Staples severed his connection with the Exhibition.

It was decided to accept the resignation with regret. A motion to the effect that Mr. Staples be appointed an honorary director was adopted.

D. W. Olts was elected to complete the term of office which expires in 1930.

Ben Williams, king of the midway, met with the board to discuss next year's midway attractions and a contract was drawn up for the fair of 1930 extending from Sept. 13 to Sept. 20th.

At the adjournment of the meeting the members of the board repaired to the Imperial Restaurant for an oyster supper.

CITY AFFAIRS

Mr. and Mrs. William Johnson and Mrs. F. H. Pridham of this city returned last night from Moncton where they combined a business and pleasure trip.

Given Party
Miss Velma Jones, daughter of Mr. and Mrs. Thomas Jones of this city, was tendered a farewell party by her parents last night. Miss Jones leaves tonight for Boston where she will resume her activities in the nursing profession.

Exchanging Pulpits
Rev. W. L. Newton of St. Stephen and St. John Church, St. John will preach at St. Andrews Church tomorrow, while Rev. J. G. Berry will occupy his pulpit at St. John. Mr. Newton will deliver the principal address at the celebration by St. Andrew's Society this evening.

Slight Collision.
The market was thrown into commotion again about 10.00 o'clock this morning when two cars, one driven by Hazen Horncastle of Fredericton and the other by Tom Griffiths of Keswick sideswiped each other in front of the city hall. There was little damage done to either car.

Interesting Talk
Following the devotional exercises and an address by Mr. Guy Pond on "Sincerity" the St. Paul's Young People's Society were given a talk on California by a valued member of the society Mr. Charles Scott who is in his home city on a brief visit. Mr. Scott who with his father has been actively engaged in oil drilling, gave a wealth of information and data gathered by his own personal experience. He pointed out in his talks that only five per cent of the wells sunk, yield oil.

Had Narrow Escape
The many friends of James H. Frink, one of Fredericton's senior bachelors will be pleased to know that he has quite recovered from the effects of an auto accident which befell him at Stanley recently. Mr. Frink had purchased a new auto and was given it a try out, when the accident occurred. He was emerging from the yard of a farm house, when he was sideswiped by a car being driven by a resident of the parish. Mr. Frink was given a severe shaking up by the impact but had no bones broken. His car was so badly used up that he turned it in and bought another one.

TRAMPS WALK ECLIPSES FEAT OF CANOEISTS

Colored Walker appeared at Police Station Today — Claims to Have Walked Entire distance from Alberta

Eclipsing the feat of the Montreal canoeists Paquin and Lessage who may arrive here tonight after transcontinental paddle, John Bush, tall crickly haired young colored gentleman of Edmonton, Alberta, knocked at the door of the local Police Station late last night and demanded the hospitality of the city after Shank's-maring it across the continent.

Bush swears proudly and vehemently that the entire trip was done on foot without a single "lift".

He is very frank about his motive in taking the extended hike. It is not for his health or because of a broken heart—simply because "I jess ain't got nothin' else to do." He is the perfect tramp except that he scorns the offers of generous motorists, although he confesses to a nodding acquaintance with "the blind baggage."

This morning he plodded off in the general direction of Halifax after as-

HANWELL MAN IN SERIOUS STATE AT HOSPITAL

Herbert Beatty, 55 Yrs. of Age, Lies in Critical Condition at Victoria Hospital — Fell Under Horses' Heels.

No change is reported in the condition of Herbert Beatty, 55-year-old resident of Hanwell Road, who was very seriously injured last night, when he fell beneath the wheels of a wagon, in which he was driving, and who was subsequently rushed to the Victoria Hospital here. Report from the hospital authorities this afternoon was that the injured man still lies in a very critical state. The true extent of his injuries are not yet known, though it is thought that the Hanwell resident suffered a broken hip bone, and a shoulder as well as a possible fractured skull.

Lives With George Aiken

Mr. Beatty left the home of George Aiken, with whom he lives, early in the evening and was engaged in hauling wood with a team of horses and wagon belonging to Mr. Aiken. While standing up on the back portion of the shafts at one time, the team suddenly gave a lurch, with the result
