## THE QUESTION OF INTEREST.

For the fiscal year 1907, the last year of the old government, the amount paid for interest, as shown by the Auditor General's report, was \$178,569.70.

In the fiscal year ending October 31st, 1916, the interest charge, according to the Auditor General's statement, was \$351,004.99.

Increase in nine years under the present government, \$172,435.29, an average of \$19,159.47 per year, or at the rate of \$58 per day.

What do the electors think of this record for a government which went into power solemnly pledged to give the country an economical administration of affairs? Turn the rascals out!

GERMANY SOUNDED  
EUROPEAN NEUTRALS

Amsterdam, via London, Feb. 9.—Germany was satisfied in advance that the European neutrals would not take action of a radical nature against her because of the launching of her new submarine campaign, according to a statement attributed by the Vossische Zeitung, of Berlin, to Count Tisza, the Hungarian premier.

Premier Tisza, says the newspaper,

told his followers that before Germany announced her ruthless submarine campaign the Central Powers sounded the European neutrals, and satisfied themselves that these neutrals would undertake no warlike action against the Central Powers.

A man in close touch with provincial affairs claims that at least \$250,000 is wasted each year in graft. Time to put a stop to it.

Graft and incompetency have placed New Brunswick on the verge of bankruptcy. Your only salvation is to turn the present government out of power.

DEPORTATION OF BELGIAN  
MEN LEAVES WOMEN AND  
CHILDREN MORE HELPLESS  
THAN EVER

Neutral protests do not prevent the Germans from continuing the deportation and enslavement of the able-bodied men who were left in unhappy Belgium—and we are powerless to stop it until we have won the war.

Meanwhile the Neutral Commission for Relief in Belgium, administered without pay by great-hearted Americans, is saving the women and children from starvation. Here we CAN help promptly and effectively, by giving generously to the Belgian Relief Fund.

More contributions than ever are needed, because the higher prices of foodstuffs, particularly wheat, have seriously increased the cost of feeding these millions of dependent Belgians. How much can you spare the victims of one of the blackest, most cold-blooded crimes?

OBSTINATE COUGHS  
AND COLDS  
YIELD TO  
DR. WOOD'S  
NORWAY PINE SYRUP

All obstinate coughs and colds yield quickly to "Dr. Wood's," containing as it does all the lung healing virtues of the Norway pine tree combined with the soothing, healing and expectorant properties of other excellent herbs and barks.

Mrs. H. F. McCormick, Rodney, N. S., writes: "I had a severe cold one winter, and had been coughing for a month I could not sleep at night, nor could I speak above a whisper."

After I had taken a bottle of Dr. Wood's Norway Pine Syrup I felt better, so I took two or three more and was entirely cured. I have three children and I always give it to them when they have a cough or cold."

Dr. Wood's Norway Pine Syrup has been on the market for twenty-five years, and we claim that it is the best cure for a cough or cold you can possibly procure.

"Dr. Wood's" is put up in a yellow wrapper, three pine trees the trade mark, price 25c. and 50c. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

CARD TO THE ELECTORS  
OF SUNBURY

Gentlemen,—Having been nominated by a large gathering of the electors of Sunbury to run in opposition to the present Government, and having accepted the nomination, we are now appealing to the electors generally for support.

Since the last general election we have had three Premiers: The Hon. J. K. Flemming, who resigned after having been convicted of graft and extortion by a royal commission; the Hon. George J. Clarke, under whom the graft and thieving was continued, as appeared so clearly in the investigation before the present Judge Chandler, and the present Premier, the Hon. James A. Murray.

The Hon. James A. Murray in his manifesto to the people of the province has stated that he will follow his predecessors as a guide. New Brunswick has been disgraced in the eyes of all Canada by the administration led by Mr. Flemming and Mr. Clarke. It is the duty of every elector who has the interests of the province at heart, to vote against a government which will attempt to follow such a lead.

It is absolutely necessary in the interest of the province that a change should be made in the provincial rulers. Business men all over the province are crying out for a change. It is impossible for us to see all the voters of the county in the few days which the government has given us to lay the issues before you, but we ask you to give us your support and to cast your votes for us on election day.

If elected we promise to devote our best energies in the interests of the people of Sunbury and to support every measure proposed for the public good.

We have the honor to be, yours, etc.

ROBERT B. SMITH,

D. W. MERSEREAU.

How many farces have lived and died since "Charley's Aunt" first made its initial bow to the English stage? Hundreds! How many comedies have survived nearly three decades and still retain the strong appeal of this wonderfully constructed play? None. The reason is quite obvious, "Charley's Aunt" was written not for a decade but for all time. In a hundred years from now this marvelous farce with its three screaming acts of infectious comedy will still be welcomed by all who love clean fun and keen humor. How great must be a play that lives in spite of time. It has been hashed, slashed, mutilated and murdered by ordinary and extraordinary stock companies, perpetrated by oche and mediocre travelling companies, done over into vaudeville sketches, set to rag-time tunes and called "musical" comedy—but, like the Phoenix, it rises from its ashes defying its mutilators. Sheridan's comedies and some written later are gems still shining brightly in certain literary circles, but have they the broad appeal of "Charley's Aunt from Brazil, Where the Nuts Come From?"

The announcement that a clever company will interpret this splendid farce at the Opera House, Fredericton, on Monday next, Feb. 12th, for one night only, will be received with general satisfaction by the general public, especially when it is noticed that the admission is both timely and generous.

GRAFT REVELATIONS A  
DISGRACE TO PROVINCE

Commenting on the report of the Royal Commission which investigated the Dugal charges, the Quebec Chronicle, a leading Conservative paper, said:

"The terrible revelations of official graft in New Brunswick are a disgrace not only to that Province, but to all Canada. They almost completely destroy public confidence in the honesty of our public men, and unquestionably inspire grave doubts as to the possibility of ever securing anything like an upright administration of public affairs under our present system. Yet no administration ever came into office with more pious professions of high virtue and devotion to the public weal than did the Flemming government of New Brunswick. On the strength of these it literally swept the Province at the last general election in 1912, only two members being returned to support the Opposition.

"There is no longer the shadow of a doubt that loot was the object for which the men now in charge of the government of the Sister Province down by the sea sought office. Their conduct of public affairs was dishonest from the start, and today, under their manipulation, no province in Canada has been so betrayed, so shamed and so degraded as New Brunswick by these same men, who have played in the most heartless manner upon the good faith, the loyalty and the patriotism of their people in order that they might scatter the contents of the treasury among themselves and their heelers."

We have the looters still in power. Turn them out!
