DR. PRICE OF WESTMORLAND IS HEARD IN BUDGET DEBATE; MARITIME MATTERS AIRED

Ottawa, April 5—Maritime Province matters again played a prominent part in the budget debate which occupied the House of Commons this afternoon and evening. At the afternoon session A. A. Heaps (Labor, Winnipeg North) drew a sorry picture of conditions in the mining districts of Nova Scotia and upbraided the government for failing to appropriate conditions which should cause any Canadian "to bow his head in shame."

At the evening session Dr. O. B. Price, Conservative, Westmorland, had both praise and condemnation for the government. He bespoke action toward increasing business at eastern Atlantic ports and criticised the port of Montreal for objecting to grain business being diverted to the Atlantic winter ports.

L. W. Johnstone, Conservative, Cape Breton-North Victoria, declared that the budget had brought little benefit to the Maritime Provinces. He discussed conditions among the steel industry workers.

Within the past year, Canada has had one of the greatest years in gambling speculation in the stock market in her history, A. A. Heaps declared. He agreed with the proposal in the budget to tax certain mining stocks for this reason.

Conditions Shameful

Having visited towns and cities in the Maritimes recently, Mr. Heaps declared that "any Canadian who sees the conditions of the masses there must bow his head in shame." In cities like Sydney, or in towns like Glace Bay, there were ragged, ill-clothed children playing in filthy streets and generally shameful conditions. A government had no right to boast of prosperity until such conditions were remedied.

Is Pessimistic

C. H. Cahan (Conservative, St. Lawrence-St. George) said that he had visited the British West Indies on numerous occasions and had been there as recently as 15 months ago. While the government might be recommended for the trade agreement with the West Indies as a step toward Imperial

Unity, and assisting a colony of Great Britain, Mr. Cahan did not expect to see during his lifetime a return from that trade adequate to cover the cost of the new steamship service with meagre allowance for depreciation and interest on capital.

Dr. O. B. Price declared that the Government had lost sight of the Liberal policy of other times to bring relief to the laboring classes. He appealed on their behalf.

Dr. Price commended the railways for having acted promptly in the matter of the purchase of the St. John Valley Railway and for having reduced freight rates by 25 per cent in the Metapedia Valley. This had afforded some relief to the farmers there; but he thought that some protection, brick for brick with the United States, would have a more salutary effect. There was a great need for more utilization of the Maritime ports. He deplored the attitude of the Montreal Corn Exchange and the Montreal Board of Trade in connection with the Maritime appeal for a lower freight rate on grain transported over the Transcontinental. Montreal was not satisfied with having the grain trade all summer but during the winter when that port was closed, the Montrealers wanted to enrich the United States ports with the winter trade, he said.

Twits Minister

He urged upon Hon. J. Elliott, Minister of Public Works, the need for building a new post office in Moncton, a breakwater at Cape Bald, and also for the retention of the customs house at Shediac. Dr. Price twitted the minister of railways, Hon. C. A. Dunning, with the remark that had been ascribed to him that all Maritimers looked forward to was "a free ride on the Intercolonial Railway, marriage and death."

The minister denied that he had used that expression. Continuing, Dr. Price charged that the Canadian National Railways were not out of politics, for, he said, no job could be got by anyone in Moncton unless the applications were referred to the Liberal committee.

MR. W. S. HOOPER PASSED AWAY AT HIS HOME HERE TODAY WITH TRAGIC SUDDENNESS

(Continued From Page Eight.)

learned the printer's trade in the office of the old Headquarters and afterwards worked at it for several years in Boston and New York. He later on became identified with the American Express Company and for a time managed the office in this city. At one time he was associated with his brother Mr. Dummer Hooper and the late Capt. Whittier in the wholesale grocery business in York street. He removed from Fredericton in the late eighties but came back in 1904 and engaged in the insurance business in partnership with the late Mr. Thomas S. Wilkinson. After a few years the partnership was dissolved and Mr. Hooper has since carried on alone. In addition to his insurance business he acted as agent for the Inches building, the owner of which lives in Detroit, Mich.

Other Activities.

About twenty-five years ago Mr. Hooper was appointed secretary of the Fredericton Agricultural Society and continued in office for twenty-one years. During that time he was largely instrumental in putting Fredericton on the map as an exhibition town. His duties brought him into contact with stock breeders and others from all parts of the Maritime Provinces, and they held him in high esteem. Upon retiring from the office of Secretary he served as President of the Fredericton Exhibition Limited for a time, and upon giving up that office retained membership on the board of directors. His ripe experience in connection with exhibitions together with natural ability as a booster made his services invaluable to the exhibition management.

In Civic Politics.

Mr. Hooper represented Wellington Ward in the City Council for some years and for two terms held the of

fice of Mayor of the city. He brought wonderful energy into the discharge of his duties and proved himself a splendid administrator. The flag on the city hall today is flying at half mast out of respect to his memory. For a time during his term of office as exhibition secretary Mr. Hooper acted as secretary of the York Liberal Association, but of late years had not been active in politics.

A Society Man.

The late Mr. Hooper was a prominent figure in several fraternal societies. He had been a Free Mason and Oddfellow many years and was a charter member of Fredericton Lodge of the K. of P. and recently was presented with a veteran's jewel. He also was a past grand chancellor of this order. As an Oddfellow he filled the highest offices, including Grand Master and grand representative. He had also held high offices in the Masonic order, and had for many years been an active member of the Fredericton Society of St. Andrew.

The deceased was about seventy-two years of age and is survived by a widow and four sisters. The latter are Mrs. James Cameron and Miss Anna Belle Hooper of Campbellton, Mrs. H. F. Adams of Brooklyn, N. Y., and Miss Jessie Hooper of St. John. Mr. Charles Ross of this city and Mr. Douglas Hooper of Grand Falls are nephews of the deceased.

"AT THE BALDWIN"

Richard Bonelli, baritone of the Chicago Civic Opera Company, will be heard through the NBC System in a Program of songs and arias from his leading operatic roles, during the weekly presentation of "At the Baldwin" on Sunday evening, April 7, at 8.30 o'clock, Atlantic Standard Time.

Indigestion
Immediate Relief!

What most people call indigestion is usually excess acid in the stomach. The instant remedy is an alkali which neutralizes acids. But don't use crude helps. Use what your doctor would advise.

The best help is Phillips' Milk of Magnesia. For the 50 years since its invention it has remained standard with physicians. You will find nothing else so quick in its effect, so harm-

One tasteless spoonful in water neutralizes many times its volume in acid. The results are immediate, with no bad after-effects. Once you learn this fact, you will never deal with excess acid in the crude ways. Go learn—now—why this method is supreme.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. Each bottle contains full directions—any drugstore.

THE STOCK MARKET STILL INCLINED TO SLUGGISHNESS

Today's stock prices in New York and Montreal show that the market is not yet fully on the road to recovery. Radio was off to 99½, C. P. R. to 234 and General Motors to 85½. In Montreal Brazilian sold down to 58½ and Nickel to 48. Cement Common was active at 30. Following are the noon closing prices:

A TIRED FEELING IN SPRINGTIME

Not Sick, But not up to the Mark
—You Need the Help of That Sterling

Tonic, Dr. Williams' Pink Pills —
They Give New Vitality

With the passing of winter many people feel weak, depressed and easily tired. The body lacks that vital force and energy pure blood alone can give. In a word, while not exactly sick, the indoor life of winter has left its mark upon them. A blood-building, nerve-restoring tonic is needed to give renewed health and energy. Dr. Williams' Pink Pills are an all-year-round blood builder and nerve tonic, but are especially useful in the Spring. Every dose helps to make new, rich, red blood and with this new blood returning strength, cheerfulness and good health quickly follow.

If you are pale, easily tired, or breathless at the least exertion, if your complexion is poor or you are troubled with pimples or eruptions, Dr. Williams' Pink Pills are just what you need to put you right. If you have twinges or rheumatism, are subject to headache or backaches, if you are irritable and nervous, if your sleep does not refresh you, or your appetite is poor, you need the treatment Dr. Williams' Pink Pills alone can give—you need the new blood, new strength and energy this medicine always brings. Mr. A. Marcotte, North York, Que., writes:—"I have found great benefit from the use of Dr. Williams' Pink Pills. Before I began using them I was in a badly run down condition, and at times felt scarcely able to work. Dr. Williams' Pink Pills have changed all this and since taking them I am enjoying the best of health. Every man who feels run-down and easily tired should give this great medicine a fair trial."

Try Dr. Williams' Pink Pills for anaemia, rheumatism, neuralgia, indigestion or nervousness. Take them as a tonic if you are not in the best physical condition and cultivate a resistance that will keep you well and strong. You can get these pills through any medicine dealer or by mail at 50c. a box from the Dr. Williams Medicine Co., Brockville, Ont.
