**THAT TICKLING**  
**IN THE THROAT**

CAN BE QUICKLY CURED BY

**DR. WOOD'S**  
**NORWAY PINE SYRUP.**

This trouble is most distressing and  
is caused by a cold settling in the  
throat. The hard dry cough causes  
that nasty, tickling, irritating sensation  
and keeps you from enjoying your  
night's rest. Dr. Wood's Norway Pine  
Syrup, which is composed of the most  
soothing and healing expectorant herbs  
and barks combined with the lung-heal-  
ing virtues of the world-famed Norway  
pine tree, will give almost instant re-  
lief in all cases of this nature.

Mrs. Alex. Durward, Atholstan, Que.,  
writes: "I have used Dr. Wood's Nor-  
way Pine Syrup for a number of years,  
and find it the only thing that will help  
me when I have a severe cold. It helps  
the soreness and stops the tickling sen-  
sation in my throat, which is so irritat-  
ing. I always use it for both myself  
and the children, and would not be  
without it in the house."

The thousands of testimonials we  
have received during the past twenty-  
five years prove that Dr. Wood's Nor-  
way Pine Syrup is an excellent remedy  
for all coughs and colds, so see that  
you get "Dr. Wood's" when you ask for  
it.

It is put up in a yellow wrapper,  
three pine trees the trade mark, price  
25c. and 50c., at all dealers.

**An Enthusiast on Canada**

ONE might almost think that  
three million miles of travel  
would satisfy any man, but  
Mr. Burton Holmes, the famous  
American globe trotter, wanted  
more and spent three months this  
summer in crossing Canada from  
coast to coast as the first stage of  
his fourth million. The country  
was new to him, but it provided  
him with such a wonderful variety  
of beautiful pictures that he now  
declares he never spent three more  
interesting months in his life. He  
is lecturing now to audiences of two  
and three thousand at a time in  
the great cities of the United

States, urging them to spend next  
summer either in the romantic,  
historic centres of Eastern Canada  
or the mountain fastnesses of the  
Canadian Pacific Rockies. His  
moving pictures of Banff, Lake  
Louise and the Yoho Valley are the  
finest of their kind ever produced,  
while the photographs in natural  
colors taken by Mrs. Burton  
Holmes are a revelation as to the  
possibilities of this new process of  
picture taking. Canada has proba-  
bly never been drawn to the atten-  
tion of our American neighbors in  
a more attractive fashion.

**With the Fingers!**  
**Says Corns Lift Out**  
**Without Any Pain**

Sore corns, hard corns, soft corns or  
any kind of a corn can shortly be lifted  
right out with the fingers if you  
will apply directly upon the corn a few  
drops of freezone, says a Cincinnati  
authority.

It is claimed that at small cost one  
can get a quarter of an ounce of free-  
zone at any drug store, which is suffi-  
cient to rid one's feet of every corn or  
callous without pain or soreness or the  
danger of infection.

This new drug is an ether compound  
and while sticky, dries the moment it  
is applied and does not inflame or even  
irritate the surrounding tissue.

This announcement will interest  
many women here, for it is said that  
the present high-heeled footwear is  
putting corns on practically every woman's  
feet.

MRS. J. W. BELL

To call a spade a spade is not en-  
ough. Unless you really use one you'd  
better speak of it respectfully as a gar-  
den implement.

Whom the gods would destroy they  
first make mad. Witness Germany's  
mania for frightfulness.

While a man's will may be law, in  
the case of a married man the law is  
seldom enforced.
