**TEUTONS OUT ON
FAST DOUBLE PLAY**London, June 7. — This baseball
story, which comes direct from the
British front, is vouched for by an
American serving with a Canadian
regiment."We were playing catch in the
trenches one day — me and some com-
pany mates," said the American,
"when a bunch of the Boches started
a raid.""One of the boys had just caught
the ball when somebody gave a yell.
We all looked up and there were
those Boches almost on top of us.""Well, of course we all made one
grand dive for our guns. I had just
grabbed mine when a hand grenade
came sailin' right towards my face. I
stuck up a hand and got it on the fly.""Atta boy," somebody yelled;
"shoot it here!""Without thinking, I turned half
around and doubled that old grenade
to one of the boys a few feet away.
Without wasting a second this other
chap then shot it back straight at the
those Boches.""The next second three of those Ger-
mans went out on the fly. It was the
prettiest triple play I've ever seen."**HOMESEEKERS'

PREPARE !**NOT even the best-informed man in government or
business circles dares to attempt a prophecy of
conditions after the war. We hope for the best—
meantime wise men are preparing now for anything.

How ?

By regulating their expenditures according to their
actual needs rather than by their prosperity—by husbanding
the surplus—and by investing to the limit in Canadian War
Loans that help so much to maintain present prosperity.Money saved and loaned to Canada by Canadians is a two-
fold safeguard for the future. The lenders will benefit directly
from the excellent interest return and absolute security—and
indirectly because the interest thus kept in Canada will help to
keep business good after the war.Canadian War Savings Certificates are issued in denomina-
tions of \$25, \$50 and \$100, repayable in three years. At the
purchase prices of \$21.50, \$43 and \$86 respectively, they yield
over 5% interest. Buy them at any Bank or Money Order
