

What Will you do

When your Children Cry for It

There is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house, just a few drops, and that colic or constipation is relieved; or diarrhea checked. A vegetable produce; a baby remedy meant for young folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name and remember to buy it. It may spare you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everybody ailments. Any hour of the day or night that Baby becomes fretful, or restless. Castoria was never more popular with mothers than it is today. Every druggist has it.

Edmund Butler has sailed for Europe. His horses with the exception of Bernice Logan, 2.04 1/4, which has been sent to Vic Fleming, will continue in training at the Goshen half-mile track.

George Bernard Shaw says men never learn anything from experience. Of course, he would be different.

WRITERS PICK GIANTS FOR THE NAT. PENNANT

New York, April 13—After watching the major league clubs in training for more than a month, several of the veteran baseball correspondents have made observations on the National League pennant race which are interesting just at this time.

The New York Giants and not the Chicago Cubs are the favorites with the baseball writers to win the pennant.

Cards For Fourth

The St. Louis Cardinals, 1928 champions, will drop as low as fourth place in the opinion of three prominent scribes, who believe the left side of the infield will keep the Cards down.

A Pittsburgh writer who has followed the ups and downs of the Pirates for many seasons, isn't enthusiastic over the prospects of Donnie Bush's 1929 club.

"The Pirates have their best pitching staff in years," he writes, "but the infield is a real problem."

Another writer has placed his finger on an important angle of the approaching National League campaign in discussing changes in the Cubs' Park.

"They are going to put a screen up in front of the bleachers at the Cubs' field," he writes, "and the Cubs won't be so tough to beat at home after this is done are just ordinary. Hornsby will help the Cubs a lot but I think they are just an ordinary ball club with him."

Braves Weaker

There seems to be no dispute among these baseball scribes about which clubs belong in the first division. Almost without exception they have named the Giants, Cubs, Pirates and Cardinals for first division and the Reds, Robins, Braves and Phillies for second division.

Brooklyn and Boston are, in the opinion of most of the National League writers, the worst clubs in the league.

BOSTON HERALD BOUGHT BY THE INTERNATIONAL

Boston, April 11—The Boston Post says that approximately 50 per cent. of the stock of the Boston Publishing Company, owners of the Boston Herald and the Boston Traveller, has been sold to the International Paper Company of New York, a subsidiary of the International Paper and Power Company, which owns the New England Power Company and other power interests in the United States and Canada.

The Post says that the new control of the Herald and Traveller, will be represented in Boston by three trustees, Phillip Stockton, of the Old Colony Trust Company; Sydney W. Winslow, of the First National Bank, and John R. Macomber, of Harris Forbes and Company, bankers for the International Paper and Power Company.

E. B. Jermyn of Scranton, Penn., has bought the four-year-old Otzinchon, 2.07 1/4, and last Thursday Walter Cox shipped the son of Guy Axworthy, 2.08 3/4, and Busby's Lassie, 2.04 1/4, to George Walsh at Hanover, Penn.

Kentuckians have a lot of nice things to say of the yearling by McGregor The Great 2.03 1/4, out of Lucky Clover, 2.09 3/4, bred and owned by John H. Farnum of Reading, which Bob Grady is schooling at the Lexington track.

One writer believes that the only two clubs weaker than last year are the Cardinals and Braves.

Another writer thinks the Giants have the best pitching staff in the league and that Benton and Hubbell will win 25 games each.

The Reds have failed to impress think many scribes, but some of them think Jack Hendrick's club will make trouble if Reds' pitching staff get to hitting on all cylinders.

HUDSON MOTOR CAR COMPANY HAD BIG MONTH

Hudson Motor Car Co. reports March shipments of 44,295 cars. This is the largest month in the history of the company, and it brings the total shipments for the first quarter to 108,298, which is the largest three month period Hudson-Essex ever has known. In March a year ago Hudson-Essex shipped 35,730 cars, while figures for the first quarter of 1928 were 91,435.

April will proceed with a schedule of 45,000 cars, it is announced.

Hudson announces that not only are its production and shipments at a new high level, but that retail sales are now at a higher rate than cars are being manufactured, although the plant has been operating at full capacity since a little after the middle of February. Ordinarily the sale of cars does not catch up with manufacturing schedules until around April 15, but Hudson-Essex anticipated this date by about three weeks. In the week ending March 27 shipments were around 10,300 while retail sales were 10,801.

Hudson's first quarter schedule was almost exactly as planned. Early in the year it was announced that 109,000 or 110,000 cars would be built the first three months, and this figure was missed by less than 1 per cent.

THE SHORTSTOP MARKET HAS A SKYWARD TREND

Philadelphia, April 12—Now that they are in the market for a shortstop, pending recovery of Tommy Thevenow, President Baker and Manager Shotton of the Phillies find that prices for first class short fielders are going up. Baker said today he had made offers for several, but that prices had suddenly skyrocketed. A pair of rookies will try to fill the injured Thevenow's shoes for the present, but Barney Friberg an infielder who developed into a pitcher this year may be assigned to the job when the season starts.

A SPRING TONIC AN AID TO HEALTH

You Can Lay the Foundation of Good Health now by Building Up your Blood and Strengthening Your Nerves Through the Use of Dr. Williams' Pink Pills

The good old fashion of taking a tonic in the Springtime, like most of the customs of our grandparents, is based upon sound common sense and good medical practice. Winter is always a trying time for those who are not in rugged health. Many men, women and children go through the winter on reserve strength they have stored up during the sunny summer months, and grow increasingly pale and languid as the spring days approach. A tonic for the blood and nerves at this time will do much for such people, by putting color in the cheeks and banishing that tired feeling that worries thousands of people at this season of the year.

It is impossible to be energetic if your blood is thin and weak, or if your nerves are frayed or shattered. You cannot compete with others if you do not get refreshing sleep at nights, or if your appetite is poor or you are losing weight. You need a tonic at this time to add to your efficiency now, as well as to save you from suffering later on. And in all the realm of medicine, there is no safer or better tonic than Dr. Williams' Pink Pills. These pills tone and enrich the blood which circulates through every portion of the body, strengthening faded nerves and run-down organs, and bringing a feeling of new strength and energy to weak, easily tired, despondent men, women and children.

Mrs. L. Hupman, Summerville Centre, N. S. writes:—"Dr. Williams' Pink Pills have been of the greatest benefit to me. A few years ago I was in a badly run down condition. I became so weak and nervous that I could scarcely go about, and doing my housework left me completely used up. Everything seemed to worry me, and I was in a very discouraged condition when I began taking Dr. Williams' Pink Pills. I soon found the pills helping me, and continuing their use I fully regained my health. Since then I always take a few boxes in the Spring to build me up for the hot weather, and always I find the best results. I therefore cheerfully recommend these pills as the best of health builders.

You can get these pills from any medicine dealer, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

SCOUT NEWS

Come On Out!

A most enjoyable outing was conducted by the District Headquarters last Saturday when 40 Scouts from various Troops went via C. P. R. train to Clamfield and hiked to Parent's sugar bush where all had their fill of maple candy which was poured out on the snow. Games were played, supper cooked and the party returned to the city arriving home about eight o'clock in the evening. The outing was in charge of Dist. Scoutmaster W. V. B. Riddell, the officers present were Dist. Cubmaster Robt. Pugh, Scoutmasters F. H. Wetmore and Earl Seeley and Asst. Cubmaster Wain Bebbington. Mrs. W. V. B. Riddell, Miss Margaret Wilkinson and Miss Helen Babbett were guests of the District.

Cubmaster Walter Raymond of The St. Andrew's Pack has received a certificate for completing the correspondence course for Cubmasters (Part I Canadian Akela Badge).

M. John Walker is to be attached to the St. Andrew's Pack as Asst. Cubmaster from Monday next.

Cubmaster W. Simcock of The St. Dunstan's Pack is taking over the Scoutmastership of The St. Dunstan's Troop, and Asst. Cubmaster Donald Swift will be in active charge of the Pack.

The last session of the Akela Part II Training Course was held on Tuesday evening all seven candidates being present. At the conclusion of the lecture the candidates were formed into a Scout Troop and The Rev. J. G. Berry was invested as a Scout. After the session, an adjournment was made to the Imperial where an oyster stew was enjoyed.

The third session of the Part II Gillwell Training course for Scoutmasters was held last evening. There are now ten men taking this course; eight who registered at the first session last week and Prof. Jones and Pof. McPherson who registered at the second session on Thursday evening of this week.

In a letter received at the District office from Dominion Headquarters in connection with Scout Leaders training courses it was stated that; in 1919 there were 1,200 active adult leaders in the Boy Scout Movement in Canada and now there are 3,726, and of these 2000 have received special training.

With the Wolf Cubs

The figures for the Inter-Pack competition for March show the Devon Pack again in the lead with 235 points.

The other Packs stand as follows: St. Paul's 216, The Cathedral 196, St. Anne's 170, St. Andrew's 165 and St. Dunstan's 130. The Devon Pack gained 96 out of 100 points awarded for uniforms. St. Anne's Pack leads in attendance with 100 per cent, the Cathedral coming second in attendance with 87 per cent. In Star and Badge work the Cathedral lead with 47 and 7 points respectively; Seven First Start and one Second Star having been completed during the month.

This week's regular meeting of the Cathedral Pack was marked by a happy event when The Countess of Ashburnham, who is the Hon. Patron of The Fredericton Boy Scouts Association, presented medals to the Basketball team as winners of the 1928-29 Wolf Cub League.

In a few well chosen words her ladyship delivered a short address to the Pack in which she gave the boys some excellent advice. The Cubs receiving medals were: C. A. Smith, G. Harrison, L. Simms, E. Clark and W. Lingley. Scout D. Fulton who is a Wolf Cub Instructor and who managed and coached the team throughout the season was also presented with a medal.

Following the presentation of the medals Richard Sloat was invested as Pack Leader, Leslie Simms as a Sixer and Donald Mountain as a Tenderpad. The investitures were carried out by Dist. Cubmaster Pugh.

The Very Rev. Ecovill Neales, Prov. Comm. Bull and Dist. Comm. Fitzrandolph were also present at the meeting.

At the regular weekly meeting of the St. Anne's Pack, Rev. A. F. Bate visited the Pack and urged upon the

Heart Palpitated Nerves Bothered Her Sleep Was Broken

Mrs. Fred A. Pugsley, East Southamptn, N.S., writes:—"I was bothered very much with my nerves and palpitation of the heart, and my sleep was broken at night."

I decided to try

and after I had taken six boxes I found that they had done me so much good I will gladly recommend them to all those who are troubled with sleeplessness caused by their heart and nerves."

boys the necessity of getting and wearing proper Cub uniforms. Three recruits were invested as Tenderpads at the meeting. The meeting was in charge of Cubmaster Blair.

ADDITION TO BUICK LINE ANNOUNCED

Ohawa, Ont., April 9—Announcement has been made by R. S. McLaughlin, President, General Motors of Canada, Limited, that McLaughlin-Buick will add to its manufacture of Motors by building a new six-cylinder automobile.

"The new car will offer a Buick built in a lower price field," he said. "It will be entirely different in design and appearance and will in no way replace or conflict with the established McLaughlin-Buick line. The name of the new car, together with its details, will be made public in the early summer."

PASTRY

One and a half cup flour
One-fourth teaspoon baking powder
One-half teaspoon salt
One-half cup margarine
One-fourth cup cold water (about)
Method: Mix dry ingredients, cut in margarine with two knives to keep pastry as cold as possible. Add just enough water to make a dough that will hold together and roll thin. Line pie pan, fill with required filling, and bake in a hot oven the first ten minutes to set the crust, then reduce the temperature in order to cook the filling. If a pie shell is required, place raw pastry on an inverted pie pan, prick all over with a fork and follow baking directions given above.
