FULLWORTHY IS FAVORITE FOR SECOR STAKE

Toledo, April 13—The favorite at present in the Hotel Secor \$25,000 stake for 11 class trotters is Fullworthy, entered by W. H. Hanan, the millionaire shoe manufacturer. This son of the great Guy Axworthy trotted to a record of 2.01 1/4 last year, and the word comes that he is ready to do even better this year. Kahla Dillon entered by J. G. Lang, of Buffalo, is a close second in general regard.

Two More

Two candidates are about evenly considered for third place in the ranking. One is Clayworth, the great trotter of Roy Davis of this city, with one victory in this event to his credit. The other is Lullawat, daughter of Peter the Great and the property of Walter Candler of Atlanta.

Two other Toledo horses are entered in the secor, Ranzoff, entered by Holst and Jackman, and Royal Guy, another from the Roy Davis stable.

Nellie Signal

Nellie Signal, winner of the Matron stake last year, is another well known star listed in this event.

The Hotel Commodore Perry, which will bring out a great array of 2-year-olds, carries a purse of \$10,000 and will be the year's greatest race for this class. Guessing winners among the youngsters who never have completed up to the present time is a hazardous job, but many of these colts are famous already for the way they have come along in training this spring, or for the great sums of money they have bought at sales.

A Good Mile

Pola McElwyn, daughter of Mr.

Trojans Champions

St. John, April 13—Captain "Beef" Malcolm's field goal from directly under the basket in the last minute of play gave the Saint John Trojans a hard fought victory over Acadia University and clinched the basketball championship of the Maritime Provinces at St. Vincent's gymnasium last night. The score of the game was 35 to 32 making the total for the series 69 to 67, as Acadia had taken the first game of the series at Wolfville by a score of 35 to 34. Home team was decidedly lucky to win last night's encounter, being outplayed and outscored for most of the contest.

Bernard Small is at the Cornish, Me, track with the horses Irving Pottle will race this setason. The record members of the stable are Lee's Image, 2.07 1/4 Fly Direct Hal, 2.13 1/4; Jack Toddington, 2.06 1/4 and Delagoa's Star, 2.18 1/4.

McElwyn, famous winner on this and other tracks, has trotted a mile this spring at Orlando, Fla. in 2.14 1/4. She was recently sold to W. H. McCourtie of Dallas for \$15,000.

Another high-priced beauty is Hoyle, with a mark of 2.12 1/2, the fastest ever shown by a 2-year-old at this time of year. He recently was purchased by W. N. Reynolds, the cigaret manufacturer, for \$18,000. Main McElwyn, another descendant of Mr. McElwyn, has already ripped off a mile in 2.16 1/4.

Sporting Splashes

St John is certainly plunging ahead in the basketball world this season. With one Dominion playoff in the offing and prospects of another, the basketball fans of that city are in their element. Basketball in the southern city, has without doubt enjoyed one of the most successful seasons to a great number of years. On April 19 and 20, the Y. M. C. I. Trumps, Maritime Intermediate champions will fight it out with the St. Catherines, Ont., team for the championship of the Dominion of Canada. Then the Trojans are in a position right at present to snatch at least a Maritime title. Acadia seniors and St. John seniors will meet this week in the final clash for the title. Acadia holds a one point margin, which means but little in a basketball game.

Peter Gavuzzi, of England, one of the leaders in Pyle's transcontinental run from New York to San Francisco, brilliant little runner that he is, challenging the leader, Ed Gardner, Seattle negro, in this second hectic bunion grind. Gavuzzi, everyone will recall, is the runner, who was forced out of the original derby last year, by some illness, and being unable to continue was disqualified. At the time of his exit from the race, ePter was in the lead, with Andrew Payne and Granville behind him, and the distance more than three quarters covered. Payne won the race, as everyone knows, but we surmise that if the English mar-

GOOD RADIO PROGRAM FOR SATURDAY

The following are the best features of Saturday night's radio program and the programs for the most important stations in Atlantic Standard time:

- General Electric Hour—WEAF network.

- 11.00—National Forum.

Ben White has sold the sensational olds of Winston-Salem, N. C. Hoyle's dam, Jane Revere, was included in the transfer and is said to have enriched Ben \$15,000.

vel could have stayed in the race, it would have ben a different story. A trick of fate took Gavuzzi from the glory last year, and this year, the little fellow is out to avenge his ill fortune. Barrying accidents, Peter Gavuzzi has a wonderful chance to rolap in California a winner a few months hence. But then again there is that tricky little thing called fate—accident, sickness, etc.

MOST people rely on Aspirin to make short work of their headaches, but did you know it's just as effective in the worse pains from neuralgia or neuritis? Rheumatic pains, too. Don't suffer when Aspirin can bring such complete comfort without delay, and without harm; it does not affect the heart. In every package of Aspirin you will find proven directions with which everyone should be familiar, for they can spare much needless suffering.

"I Love its big car charm"

"I'd set my heart on this Pontiac Big Six . . . even before I knew how thrilling it was to drive. It just looked so 'Big-Six-ey'. You know, it had that air of distinction that makes you long to call it your own.

"And then I drove it! It's simply the most stunning thing! You can forget all about the engine and those mechanical gadgets because you just know they're alright. And it tops the steepest hills without even a murmur.

"I never knew one could get a Big Six at such an absurdly low price."
