

OLD COUNCIL  
WERE ELECTED  
BY ACCLAMATION

The Devon Aldermanic Board and Mayor Dayton Returned to Office When no Opposition Appeared.

The present Devon town council, under the leadership of Mayor W. B. Dayton, were elected by acclamation to another term of office yesterday, when no opposition nominations were filed with the town clerk, Whitman Haines, on the final day for such nominations. As a result, there will be no election on Tuesday, the day set in the event of there having been opposition papers filed for membership on the aldermanic board.

No Opposition

Several weeks ago, there was rumored to be opposition ready to run for seats on the town council, but no one has appeared. In the meantime, the old members of the board filed papers for renomination due to pleas from associates who wished them to remain in office for another period.

The next term of office is only nine months, which may account for the lack of opposition and interest among the town folk. It is almost certain, that at the next elections which will be held in January next, a contest will take place.

The present board returned to office for another term last night are: Mayor W. B. Dayton; Ward No. 1, Ald. A. J. McEvoy and Gilbert Henry; Ward No. 2, H. D. Dobie and Geo. Niles; Ward No. 3, William Jaffrey and A. W. Coombes; Ward No. 4, John R. Young and H. H. Pickard.

CITY AFFAIRS

Here On Visit

Fenton Dunphy, former local youth, but now a resident of Bangor, Maine, arrived in the city yesterday and will spend the next week or so with relatives in this city. Mr. Dunphy is well known here, having played baseball with the Devon club in the York County league for several summers. He is being heartily welcomed back to his former home.

Sentenced This Morning

According to word received at the Provincial Police headquarters here this morning, Horace Garland, St. John man, was convicted of the illegal possession under the Intoxicating Liquor Act and fined \$100 with the option of three months in jail. Garland chose the jail sentence, when sentence was pronounced by Magistrate Williams of that place. The arrest of Garland was made yesterday by Provincial Police officers in the Saint John district.

Struck By Bus

Ray Brewer, aged 13 years, son of Gordon R. Brewer, of Devon, was taken to the Victoria Public Hospital at noon today as the result of injuries received when he was struck by a Marysville taxi at about eleven o'clock this morning near his home. As near as can be learned, the young lad was playing on the road at the time of the accident and was struck and injured quite severely by the passing taxi. The extent of his injuries has not yet been learned. He is resting as well as can be expected this afternoon.

Message Of Condolence

Joseph A. Cain, president of the Fredericton Exhibition, Ltd., is in receipt of a letter from the secretary-treasurer of the Saint John Exhibition board of directors, in which is expressed the sincere regrets of the directors over the loss sustained by the local board in the recent death of W. S. Hooper, former prominent member of the board. Horace Porter the St. John official said that the regular meeting of the board recently, a resolution was passed to send an expression of regret over the passing of the Fredericton official. Mr. Porter stated that the two boards had always worked in mutual cooperation, and that the cheery welcomes of the late W. S. Hooper would be missed greatly.

JOINT MEETING  
SOCIETIES OF  
ENGINEERING

St. John Branch and U. N.B. Enjoyed Successful Evening — Three Speakers From Saint John Present Papers.

The Memorial Hall of the University of New Brunswick was filled to capacity last evening on the occasion of the annual joint meeting of the Engineering Society of the U. N. B. and the St. John branch of the E. I. C. The meeting was called to order at eight o'clock and the various speeches given were listened to very attentively.

K. S. LeBaron, A.M.E.I.C., Chief Engineer of the Nashwaak Pulp and Paper Company, opened with an address on "The Manufacture of Bleached Sulphite Pulp". He was followed by W. J. Johnston, A.M.E.I.C., Assistant Engineer Public Works of Canada. His subject was "The Rise of Technical Societies". In his instructive lecture, Mr. Johnston dealt with the technical points of the profession and of the rise of societies dealing with technical instruction.

The third speaker of the evening was W. A. Owen, secretary of the St. John branch of the Engineering Institute of Canada. Mr. Owen's read the paper prepared by G. A. Vandervoort, superintendent of Operation N. B. Electric Power Commission, who was unable to be present at the meeting.

COLD WEATHER  
HAS CHECKED  
THE ICE RUN

A Sharp Drop in the Temperature Last Night—Ice May Hold Solidly For Another Week or so.

With a drop in the mercury last night to ten degrees above zero, it looks as if the breaking up of the ice in the river had been indefinitely postponed. During the warm spell experienced early in the week it was felt that by Sunday at the latest the ice opposite the city would be on the move. Those who planned to turn out and witness the spectacular sight will be disappointed, as the ice is going to stand pat for some days yet. As reported in yesterday's Mail there were ice shoves during the week at Hawkshaw, Bear Island and Garden's Creek, but it is now holding solidly at those points.

Reports from the Nashwaak and Miramichi districts are to the effect that the ice is still holding solidly.

The water in the river here is about on a standstill as a result of the drop in temperature.

To Attend Service

The members of the local Gyro and Rotary clubs will attend divine service at St. Paul's United Church on Sunday evening.
