

From Youth To Old Age

THERE are three trying periods in a woman's life: when the girl matures to womanhood; when a woman gives birth to her first child; when a woman reaches middle age. At these critical times Lydia E. Pinkham's Vegetable Compound helps to restore normal health and vigor. Countless thousands testify to its worth.

WEATHERED

I fear that the dame the old poets acclaim
On the beach would be met with fragility
For soft cheeks that glow like roses in snow
Are esteemed a mere badge of timidity.
The maid of the hour is no faint-

petaled flower;
Snow and roses don't set her agog any,
But in sun rays she'll soak till her cheeks look like oak
And her neck is the shade of mahogany.
—DON FRANKEL in Detroit News.
One fault some of us have is that of sitting up with a besetting sin.

WOMEN'S COLUMN

RHINESTONE BROOCH JEWELRY FAVORITE

Rhinestones glimmer in the collections of autumn jewelry. And among the least time worn of pieces is the brooch. Rather large and unique in design, the rhinestone brooch has a distinctive place as the sole jewel ornament with certain costumes. It is very effective on the frock of velvet and may be complemented as one likes by two or three wide bracelets to match. Again it is clasped at one side of the décolletage of evening dresses, particularly those in rich, deep colors or black. If the rhinestone brooch is found to be missing when one is at luncheon in some smart place, or while on the dance floor—no need to call out the house detective. It represents no terrifying loss.

MY NEIGHBOR SAYS

Pour paraffine over paint left unused in a can and it will not harden.

If the windows stick after the house has been painted, brush the inside of the frames with black lead.

A tablespoon of brown or white sugar added to roast beef gravy improves the flavor and color.

To shrink gingham lay the material without unfolding it in a large tub of lukewarm water to which a little salt has been added and let it soak until the folds are thoroughly saturated. Take the gingham out, fold it, pin it on the line where there is a good breeze and it will not be necessary to press it.

PINEAPPLE TARTS

6 tart shells
1 small can crushed pineapple
1 cup sugar
2 dozen salted almonds
Bake six pastry tart shells. (Cool and fill with the pineapple which has been cooked with the sugar until as thick as marmalade. Wipe the salt from two dozen almonds and arrange on top of the fruit as a garnish. Whipped cream may be served with the tarts.

CHOCOLATE BANANA SURPRISE

Cut the bananas into halves or quarters. Dip in chocolate according to the directions for dipping dried fruits. Have ready slices of sponge cake and place the dipped fruit, directly on the cake. Let stand at least half an hour to harden. Garnish with whipped cream and serve as a desert. Sliced pineapple may be drained and dipped in the same way. Cut the slice of cake into rounds larger than the slices of fruit. Fill the centers with whipped cream. The coating around the pineapple will not harden as much as when bananas are used.

CHOCOLATE FRUIT PUDDING

1 cup sifted cake flour
1-2 teaspoon baking powder
1-2 teaspoon salt
2-3 cup sugar
2 eggs, well beaten
2 squares chocolate, melted
1-2 cup nut meats, chopped
1-2 cup seeded raisins, chopped
1-2 cup dates
4 tablespoons butter or other shortening, melted.
Sift flour once, measure, add baking powder and salt, and sift together. Add sugar to eggs and beat until light; then add chocolate, nuts, fruits and butter. Add flour, mixing thoroughly. Drop from teaspoon on greased baking sheet. (Bake in moderate oven (350 degrees Fahrenheit), eight minutes.

MIDSUMMER'S NIGHT DREAM

(From the Pathfinder)
Six months ago chased a boy
For more than twenty blocks
And if I'd caught that kid, what joy
To land some solid socks.

His snowball took me in the neck
Now cool the memory comes;
I wish he'd pelt me now, by heck
Both he and all his chums!

Lip reading would be useful to the motorist anxious to know what sort of personal cussing the other driver is doing.

EGG PLANT PURPLE TO BE POPULAR

Paris, Sept. 26.—The shade of blue-purple France calls aubergine and Americans know as egg-plant is shown by several important creators of women's styles as an important shade for autumn.

Some couturiers prefer to call the new purple dahlia and at one fashionable establishment it is labeled aster. But the shade designed is essentially the same at all houses.

Deep blues with a preponderance of purple in them also are scheduled for smartness next winter, particularly in the evening.

Mr. Thinboarder—I must compliment you on your pie crust.

Mrs. Borden-Lodge—Are you meaning to be sarcastic? You have just eaten the paper plate that the pie came on.

"Hang on," says the English radio announcer when he means, "stand by," and we rather like it, suggesting, as it does, his audience with a death grip on the air waiting for the next development.
