### A New Professor.

Prof. P. B. Perkins, Ph. D., has been  
secured as professor of physics at  
Mount Allison. Professor Perkins is  
a native of New Brunswick, a graduate  
of U. N. B., a B. A. of Harvard, a M. A.  
and Ph. D. of Yale, a student of Got-  
tingen University, and has recently  
been assistant professor of applied  
physics in Brown University. He has  
had a distinguished college career,  
winning numerous scholarships. He  
is an author of some note, receiving  
high commendation for papers in re-  
search work. Prof. Perkins is married  
to a sister of Messrs. F. W. and Arthur  
Porter, of this city.

### Early Closing.

It is understood that a movement  
is on foot to bring into force in this  
city without delay the early closing  
acts passed at the last session of the  
Legislature. The act provides that  
where three-fourths of those engaged  
in any particular line of trade petition  
for early closing the City Council may  
order the stores to be closed at six  
o'clock in the evening, Saturdays and  
days preceding public holidays ex-  
cepted. The legislation is aimed par-  
ticularly at corner grocers who keep  
open every evening of the week, and  
those engaged in the grocery trade  
are moving to have it enforced.
