

IMPORTED MONUMENTS From Scotland

This Monument made in Royal Blue Pearl Granite is a very fine design. The Top Stone is Polished on every surface and the base stone is all hammered finely to a plain surface. The lettering is particularly well cut. We can quote you this in different sizes and give you delivery of your order in the spring when you want it. We can meet any competition for price on good workmanship and give you the best Granite in the World.

TRI-COLOR MODE IS LATEST NOTE

Right on the heels of the new "sunburn shades," created for those who spend their days lolling about in the sun, comes a new color note in the world of fashion. It is called the "tri-color mode," and bids fair to mark the death of the monotone ensemble.

The new fashion uses combinations of three contrasting colors which may be applied in many new and interesting ways. For example: Two colors as trimming for a dress made in a basic color, or as accents for scarfs and other accessories.

Three suggested combinations are white, Florida yellow and chestnut, black, white and Chanel red; corn, lobster and summer leaf.

The use of these colors in ensembles follows the absolutely latest note in fashion—high, brilliant colors for all occasions.

APPLE BUNS

- 1 qt. chopped cooking apples
- 1 1/4 cups brown sugar
- 2 tablespoons melted butter
- 1 teaspoon cinnamon
- 2 cups flour
- 4 teaspoons baking powder
- 1/2 teaspoon salt,
- 1/4 cup shortening

Milk
Sift the dry ingredients into a bowl; add the shortening and rub in very lightly with the tips of the fingers, then add enough cold milk to make a dough that can be rolled out 1/4 inch thick. Brush with the melted butter and cover with the apples; sprinkle with 1 cup of brown sugar and the cinnamon. Rub the edges with cold milk or water and roll the same jelly roll. Cut into 1 1/2 inch pieces and place in bakedish that has been liberally brushed with butter and the bottom covered with the 1/4 cup of brown sugar. Place in moderate oven and bake 20 minutes, then put an asbestos mat under the pan and bake 25 to 30 minutes longer. Sprinkle top with granulated sugar and remove from the pan at once.

This makes an exceptionally good luncheon or supper dessert, but be sure to use the asbestos pad and turn out at once, as the sugar candies when it gets cold.

HENERIETTAS

- 1 egg
- 3 tablespoons milk top
- 1 tablespoon sugar
- 1 1/4 cups flour

Beat the egg until light, add the sugar, milk top and flour enough to make a dough which can be rolled very thin. Cut into diamond shapes, making three slashes in centre; fry in hot fat. These can be cut with cruller cutter and dusted with sugar and cinnamon.

BEEF LOAF WITH ROLLED OATS

- 1 pound Hamburg steak
- 1 egg
- 1 cup scalded milk
- 3/4 cup rolled oats
- 1 teaspoon poultry dressing
- 1 onion chopped fine
- 1 1/2 teaspoons salt

Mix thoroughly. Put in buttered pan and spread butter over the top. Bake three-quarter of an hour in oven 350 degrees.

What a whale of a story Jonah's emergence would have made for a newspaper, with or without pictures.

Severe Colds Always Ended In Bronchitis

Mrs. John Wilson, 143 Mamelon St., London, Ont., writes:—"I have always been troubled with severe colds which always ended in bronchitis, but since taking

I have no fear of this trouble, as it acted like magic, and the desire to cough was entirely gone. The soothing feeling it imparts to the bronchial tubes is simply wonderful.

LOVE AND SORROW

Love it was that made me sing
It any trivial foolish thing
Love it was that bent my will
Sharply with a rareless skill;
Love it was that smashed to bits
All my senses and all my wits.

Sorrow taught me to be wise;
Sorrow gave me fearless eyes;
Sorrow made my soft mouth stern
Yet if another man should turn
A proud, defiant head to me
Just how foolish would I be?

Toronto, Jan. 24—At a meeting of the executive committee of the Canadian Olympic Committee today with President P. J. Mulqueen in the chair, it was decided to make every effort to secure the winter sports of the Olympic games for Canada in 1932.

The Canadian Government will be requested to endorse the application of the Olympic Committee and representations will be made through Sir George MacLaren Brown to the International Olympic Committee of which Sir George is a member.

The United States Olympic Committee will also be approached in the matter by the Canadian committee.
