Wedding Bells

Two weddings which will occur on August 21st, one in Boston and the other in New York City, will be of great interest to the people of Harvey so let's begin guessing! Eh?

Rev. Charles H. Pennoyer preached at the Harvey Universalist Church last Sunday evening on the subject of "The More Abundant Life." Mr. Pennoyer has only three more Sundays in town. This last Sunday's service was held in the evening, instead of the afternoon, to accommodate those who wished to attend the funeral of George Emberton.

The funeral of Mr. George Emberton, who was killed in the dynamite explosion accident last week, on the McAdam road, in the construction work on the highway, was held in the Wilmot neighborhood on Sunday afternoon. Rev. J. F. McKay of Hartland, N. B., formerly minister in Harvey, had charge of the service and was assisted by Rev. Mr. Grant, minister of the United Church at McAdam Junction. Upwards of one hundred and fifty automobiles were numbered at the house. The burial service was at the Harvey cemetery.

Rev. George Knight returned Sunday to take charge of his services at the Knox Presbyterian Church of Harvey, after several weeks vacation, in which period there was the misfortune of the automobile accident at Chatham, already referred to. Parishioners and others are glad that he recovered so soon from the effects of the accident and are hoping that Mrs. Knight will be fully restored to health in the near future. Mrs. Knight is still in the hospital.

Most everybody is done haying and the report is excellent weather and very good crops.

Good reports come to hand regarding the condition of Mr. Roy Christie who was injured in the dynamite accident near McAdam on August 8th, when Mr. George Emberton, the foreman, was killed.

Rev. Mr. McLean, of the United Churches of Manners Sutton and Harvey Station is expected back from his vacation for the regular church services respectively next Sunday morning and evening.

Vesta Grieve and Gertrude Dorcas, both of Harvey Station, are listed in a St. John newspaper contest.

A dramatic entertainment is being prepared by the young people of the Knox Presbyterian Church.

MONTREAL POWER MARKET LEADER AT MONTREAL TODAY

With Call Money holding at eight per cent the New York Market was active this morning but there were declines in U. S. Steel and other issues due to moderate profit taking.

On the Montreal Exchange, Montreal Power which has been going strong of late, shot up to 147 but eased off towards noon. Brazilian, Shawinigan, Nickel and Steel of Canada were also strong.

AMERICAN CAR TAKEN FROM PARKING PLACE

(Continued From Page Eight.)

Police Station. The vehicle was innocent of any incriminating matter and was merely held till further notice. Last evening the owner returned, claimed his car and drove away. Chief of Police Jones considered it unnecessary to put him to question and no explanation of his strange antic has been advanced.

Still Stands

The origin of the hoax blaze that obliterated Oromocto is quite an enigma. Early this morning Mr. Archie Williams of the Forestry division of the Department of Lands and Mines, was telephoned by a Provincial Police constable who had heard the rumor and wished to substantiate it. Mr. Williams was unaware of the blaze at the time and this morning waited for reports to flood in from the Oromocto lookout notifying him of the fire. None came. The village of Oromocto still stands. The encircling forests are intact. Was it a dream?
