HOOF PRINTS

Aubrey Rodney has 16 head at the Springfield track including four likely 2 year olds. The record numbers of his stable are: Commodore Wilson, 2.03½; Bronx 2.06¾; Myra Harvester, 2.10½; Star Echo 2.12¾ and Florence McGill 2.14½.

Townsend Ackerman is nicely located at the Topsfield track arriving last week from Kingston, N. Y. with Peter McKinney 2.04½; Larkspur, two year old sister to Nescopec, 2.06¼ and Burning Embers two year old colt by Lawful 2.08¼. "Ackie" is a first-class colt trainer and should find Massachusetts a fertile field for his activities.

HORTON NOT THERE

Horton Smith, Joplin Golfing Star of 20 Summers Not Included On List Friday—Was In Gallery.

Moortown, Eng., April 24—When the Ryder cup players from overseas went out to battle the British professionals in the foursomes Friday, Horton Smith was a member of the gallery. The name of the Joplin, Mo, youth, who went through the Winter golf season in the United States much on the order of a forest fire, was not on the list of eight players handed to Capt. George Duncan today by Capt. Walter Hagen as the American lineup for the foursomes which will open the international play.

According to the record book Babe Ruth is 6 feet 2 inches tall and weighs 215 pounds and Gehrig is 6 feet 1 inch tall and weighs 200 pounds.

LITTLE EDDIE FINDS IT OUT WITH A MOAN

(New York Sun)

"When children are quiet, look out—they're up to mischief." With this in mind, little Eddie's mother busied herself with her housework downstairs. Quiet—no, little Eddie wasn't quiet—the bing and bang of Eddie's activities upstairs was reassuring. Suddenly the comforting noise ceased, a low mumbling taking the place of the house-wrecking sounds of Eddie at play.

"Ouch," it said—"ooh, it hurts, ow, umph, blub."

These and other equally as mysterious sounds forced their way into the consciousness of little Eddie's mother and, dropping her work, she hurried herself. Eddie was in the bathroom, his face lathered from ear to ear. In his hand was his father's razor which he was wielding unskillfully all over the face.

"Eddie," gasped his mother, "what—"

"Hello, Mummy," greeted the young hopeful, "I'm shaving. Gee, it hurts, doesn't?"

SPORTING BITS

Frank Lockhart was the automobile racer who won an Indianapolis championship and was later killed at Daytona Beach.

Scapa Flow was second in the Dixie Handicap at Pimlico last year. The race was won by Mike Hall.

The United States won the first match, 7—6; Argentina the second, 10-7, and the United States the third, 13—7.

Sporting Splashes

The professional golfing world has its ears perked up to hear tidings of the annual international matches now taking place in the old country and at which are representative teams from United States, Canada and England. The Ryder Cup, golf's highest honor, is the coveted trophy and this year promises to see some of the fiercest link battles in years. The matches started yesterday at Moortown. The greatest golfers in the world are present at this important event, among which are as follows: Walter Hagen winner of last year's British Open Championship; George Duncan, Gene Sarazen; Archie Comston, Farrel, Diegal, Abe Mitchell, Horton Smith and others.

By the way the start of the big league pennant grinds have turned out for the past couple of years it looks as if there has been some mistake in re-arranging the scehdule to allow for April games. This season the weather has been terrible in practically all United States centres and there will be galore of postponed games at the end of the season due to rain and storms. Some of the magnates are already grumbling over the weather conditions with its attendant small gates. There will certainly be something doing before another major campaign starts.

Ernest McCann is with the Columbus club in the American Association.

GOOD RADIO PROGRAM FOR SATURDAY

The following are the best features of Saturday night's radio program and the programs for the most important stations in Atlantic Standard time:

HIS CHURCH NO BANK TO THIS YOUNGSTER

(New York Sun)

The Jonses over in Brooklyn Heights, think they have the smartest son in the world. They are telling his latest all over town.

He came home from Sunday school a week ago and in his sternest six-year-old voice announced that he did not intend to go any more. And when he was asked for a reason he eyed his parents with the firm glance of a man who knows he hasn't had a square deal.

"Because" he said "I've been putting in my nickels and dimes for over a year now, and they ain't given me so much as a cent back once." once."

Heart Palpitated Nerves Bothered Her Sleep Was Broken

Mrs. Fred A. Pugsley, East Southampton, N.S., writes:—"I was bothered very much with my nerves and palpitation of the heart, and my sleep was broken at night.

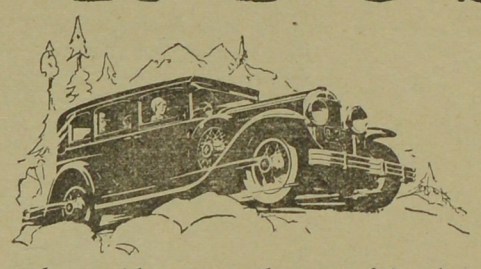

I decided to try

MILBURN'S HEART AND NERVE PILLS

and after I had taken six boxes I found that they had done me so much good I will gladly recommend them to all those who are troubled with sleeplessness caused by their heart and nerves."

Price 50c. per box at all druggists and dealers, or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

Get behind the Wheel and Get the Facts

NO matter how thoroughly you know automobiles . . you must drive McLaughlin-Buick to experience the *new* standard of motoring.

Measure, behind the wheel of the 1929 McLaughlin-Buick, the matchless performance of its great valve-in-head engine . . the riding comfort of its resilient springs (acting solely to cushion the load, and *not* to take driving strain) and its Lovejoy Hydraulic Shock Absorbers . . the luxury of its deep, soft cushions, full width seats, and the superb appointments of its Masterpiece Bodies by Fisher.

A demonstrator is waiting for you now. Drive the car. Make your own exacting tests—in traffic, over the hills, and on the straightaway . . and learn the revolutionary performance which makes McLaughlin-Buick the two-to-one favourite among *all* cars at or above its price!
