

# Freedom Must by Freemen be Upheld

**I**N Canada there is no Prussian autocracy to reach out and take the possessions of the people by force. There is no tyranny of an "all highest" overlord with "divine right" to make the people fight and pay.

The people of Canada themselves decide to do the fighting and the paying.

Canadians are asked to lend their money, not forced to give their money.

Buy Victory Bonds and lend your money to the fight for freedom.

The canvassers in your neighborhood will tell you all about the Victory Loan. Subscribe for bonds yourself and use your influence to get others to do the same.

## Every Victory Bond You Buy is a Blow Struck for Freedom

Issued by Canada's Victory Loan Committee  
in co-operation with the Minister of Finance  
of the Dominion of Canada.

### Hurrah! How's This

Cincinnati authority says corns  
dry up and lift out  
with fingers.

Hospital records show that every time you cut a corn you invite lockjaw or blood poison, which is needless, says a Cincinnati authority, who tells you that a quarter ounce of a drug called freezone can be obtained at little cost from the drug store, but is sufficient to rid one's feet of every hard or soft corn or callus.

You simply apply a few drops of freezone on a tender, aching corn and soreness is instantly relieved. Shortly the entire corn can be lifted out, root and all, without pain.

This drug is sticky, but dries at once and is claimed to just shrivel up any corn without inflaming or even irritating the surrounding tissue or skin.

If your wife wears high heels she will be glad to know of this. At a corn is a suicidal habit.

### COL. H. F. McLEOD NOMINATED AS UNIONIST CANDIDATE

(Continued from page 3.)  
and the Borden government. And now it is more the old Empire that I think of. Take these few thoughts home with you and do what you can for Union government between now and election day."

### Cockerels For Sale

I have for sale a limited number of Barred Plymouth Rock cockerels from stock procured at the Ontario Agricultural College. The poultry department of this college is under the direction of Prof. W. R. Graham, who is recognized as America's foremost poultry expert. The egg record is 310 and the average 175. This is undoubtedly the class of bird for those who want egg production. Read what Mr. J. W. Clark of Cainsville, Ont., said in an address delivered before the Toronto Poultry Association on Oct. 11th of this year:

"At the Ontario Agricultural College they have Barred Rocks and several other breeds which are the best on this continent. That is saying a lot and I know from experience."

I also have for sale a number of White Leghorn cockerels from my prize winning stock. They belong to a splendid laying strain.
