## THE OVERSEAS TOBACCO FUND

The Overseas Tobacco Fund collections in Fredericton from boxes distributed among banks and merchants were as follows:

Bank of Nova Scotia	\$1.10
Queen Hotel	3.93
Hawthorne's	2.02
Bank of Commerce	3.49
Royal Bank	2.60
Boston Candy Kitchen	1.04
G. R. Thompson	2.16
McMurray Book & Stat'y	1.00
Shute & Co.	5.57
Small amounts from six others	1.84

\$24.75

These boxes were distributed in August, 1916, so this amount represents a year's collection by this means. If the general public realized fully the great benefit derived by our fighting men the amount contributed would be much larger, and it is to be hoped that the next collection will result in a much larger total.

The above sum will be forwarded to the Bank of Commerce, Toronto, as this bank is kindly handling the fund for the distant centres.

## Slants of Humor

### WHY OF THE WHEREAS.

A governor asked the clerk of the House to prepare a bill to be brought before the Legislature.

In time it arrived. The governor scratched his head as he struggled with the "revised" statutes. Finally he said to the clerk: "John, what in the world does all this thing mean, anyway? Why don't you write laws so anybody can understand 'em?"

"Well, governor, I'll tell you. 'Y' see if laws were written so the lay mind could understand 'em, we lawyers would starve to death. That's why the alarums, excursions, preludes, whereas's and whyso's are put in."

### PERT AND PERTINENT.

She was of a pink complexion and heroic build. In fact she was obese. She applied to motion picture director for a position as an extra girl. Years ago the director had known her father and mother, so he mused:

"Let me see, which side of the house do you resemble most?"

"Sir!" she cried, "I don't resemble any side of any old house!"

### AN EXCEPTION.

Redd—Is his car well equipped?  
Greene—Oh, yes.

"Got everything on it?"  
"Oh, no; the mortgage is on the house."

### THE AWFUL WAR.

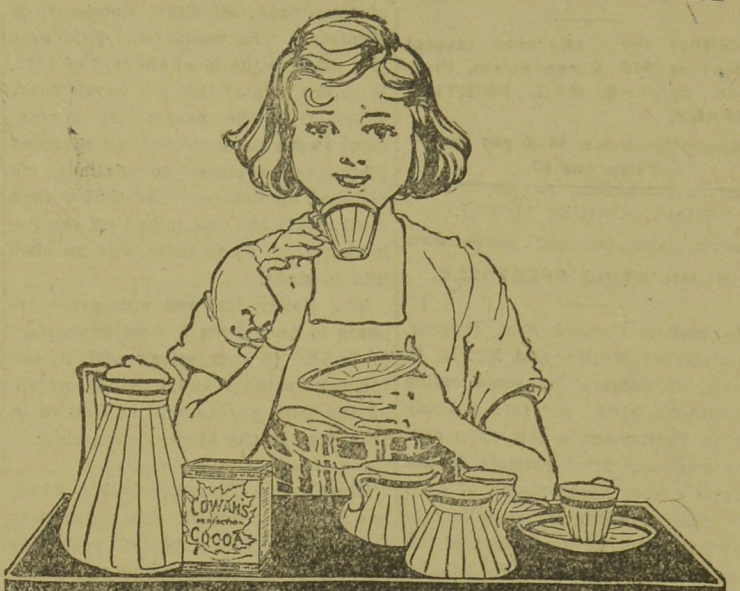

"So your husband joined the ranks."

"Yes."

"Too bad, isn't it?"  
"It certainly is. I don't suppose they'll let him smoke, so I'll be out the coupons."

## War Time Economy COCOA versus TEA AND COFFEE

THE war is being fought in the kitchens of Canada, just as truly as it is in the trenches of France.

The housewife that is genuinely anxious to help the cause of our Empire will use Cocoa on her table in preference to tea and coffee, which—delightful as you may find them as mild stimulants—have no real food value, and hinder the proper digestion of starchy foods, bread, cakes and potatoes.

## Saving at Home Serves in the Trenches

There is more nourishment in a cup of cocoa than in a cup of chicken soup, bouillon or beef extract. You require less of other foods when you drink cocoa. You save money on your table expenditures.

The money you save will enable you to purchase War Savings Certificates. For \$21.50

you can buy at your nearest bank or Post Office a Certificate worth, in three years, \$25.00.

Cowan's Perfection Brand Cocoa for the table, and Cowan's Maple Buds or Milk Chocolate Bars for most delightful confections will be found at the stores of all dealers throughout Canada.

## YOU OUGHT

to try Zam-Buk for that skin disease of yours. If you have tried numerous other ointments without success—that is a case for Zam-Buk! This wonderful herbal balm has cured many cases of skin diseases after other treatments had failed.

Mrs. Minnie Carmichael, of 72 5th Ave., Montreal, writes: "For a long time I suffered with wet eczema. I tried ointment after ointment without any benefit. Finally I went to a hospital for treatment, but even this had no effect. The disease continued as bad as ever."

"Then a friend recommended Zam-Buk, and I commenced using it. It was really marvellous how soon the healing powers of this balm became apparent. The inflammation and soreness were soon drawn out, the irritation was ended, and before long the sores showed signs of healing. Needless to say, I persevered, and I am thankful to be able to tell you that I am now completely cured. I should like you to publish my letter for the benefit of other sufferers, as everyone should know of Zam-Buk."

Zam-Buk is equally good for old wounds, ringworm, ulcers, blood-poisoning, salt rheum, boils, scalp sores, piles, burns, scalds, cuts and all skin injuries. All druggists and stores, or Zam-Buk Co., Toronto. 50c. box, 3 for \$1.25.

## Economy

Many people think they are saving money by buying cheap tea, forgetting that it is not the cost per pound but the cost per cup that determines a tea's economy.

You may pay 5 or 10 cents more per pound for Red Rose Tea than for common tea. But because Red Rose Tea is a blend of Indian-Assam teas with Ceylons, consisting of the choice tender shoots and buds—the parts of the tea plant that yield the largest amount of liquor and the finest flavor—one-third less is required in the pot to make the same number of cups.

The cost per cup between Red Rose Tea and common tea is then practically the same. But the flavor—what a difference.

St. John Toronto Winnipeg Calgary

And this distinctive and delightful flavor and rich strength is protected by the Red Rose sealed package. No air, odors or dust can get in to injure Red Rose Tea's splendid quality and economy.

Order a package from your grocer.

In sealed packages only.

Red Rose crushed coffee is as generously good as Red Rose Tea and just as easy to make.
