COLDS OR COUGHS

SHOULD NEVER
BE NEGLECTED.

If They Are, Some Serious Lung Troubles Are Sure to Follow.

A cold or cough, if neglected, will sooner or later develop into some sort of lung trouble, so we would advise that you get rid of it before it becomes settled. For this purpose we know of nothing to equal Dr. Wood's Norway Pine Syrup. This preparation has been on the market for the past twenty-five years, and has always given universal satisfaction.

Mr. Erwell Bolton, Wilton, Ont., writes: "Last winter I was caught in a storm and had to stay in a barn all night. I caught a severe cold which several medicines failed to cure. I went to some of the best doctors, but these failed to do me any good. A friend advised me to use Dr. Wood's Norway Pine Syrup. I used three bottles and they gave me instant relief."

When you ask for "Dr. Wood's" see that you get the genuine, put up in a yellow wrapper, three pine trees the trade mark, and bearing the name of The T. Milburn Co., Limited, Toronto, Ont. Price 25c. and 50c.

TRIED TO WRECK ALFONZO'S TRAIN

Madrid, Jan. 29, via Paris.—A man arrested for alleged attempt to wreck King Alfonso's train, has been identified as Rafael Dura Floriata, a deserter from a regiment stationed at Malaga.

According to some reports, the bars of lead found on the tracks had fallen or were stolen from a freight train returning from the mines at Linceres, and their presence in the path of the royal train was purely accidental.

In The Beginning - Expensive In The End - Cheap

Compared with some Closets, the SILWELCH is expensive; but it's only temporarily so. When you consider its quiet working features, the embarrassment saved your guests and yourselves, also that the SILWELCH is unequalled in design, finish and durability, giving a touch of refinement to your Bath Room, we think you will agree with us that the SILENT SILWELCH is the only closet for a modern home. We can quote prices that will please you.

QUEEN MARY VISITING CHILDREN'S HOSPITAL

IN THE DEAD OF NIGHT.

In the dead of night, when pain was severe and doctors distant, when some loved one seemed to be threatened with serious consequences, have you ever caught up, with a sob of thankfulness, a bottle of your favorite family remedy? We don't know what you consider your favorite family remedy, but if you had a confidence inspired by the knowledge that it had been successfully serving humanity for more than 100 years, then it must be Johnson's Anodyne Liniment. And you were doubly fortified, for you had, in Johnson's Anodyne Liniment, a preparation not only powerful and penetrating in cases of bad sprains, strains, muscular rheumatism, any ache, pain, or soreness, but also one you could safely and unhesitatingly administer inwardly for sore throat, coughs, colds, cramps, chills and like ailments, when necessary to have its wonderful healing and soothing qualities, go direct to the seat of an internal trouble. It is rightly termed "an angel in disguise."

man is out of breath when he reaches the end of it.

H. C. L. knocks oftener than opportunity. Ever notice how easy it is for a man to be good natured when everything is coming his way?

How the average man dislikes another who is smarter than he!

The more explaining a man has to do, the less people believe in him.

"I was an hungered, and ye gave me meat; I was thirsty, and ye gave me drink..... naked, and ye clothed me....."

Then shall they answer him, saying—

"Lord, when saw we thee an hungered, and fed thee? or thirsty, and gave thee drink?or naked, and clothed thee?"

And the King shall answer.....

"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me".
