GOVERNMENT TO ASK FOR EXTENSION OF THE LIFE OF PARLIAMENT

(Continued from page 1.)
to be developed for the lasting benefit of the Empire and in the best interests of liberty and humanity.

Although nearly two and a half years have elapsed since the outbreak of the war, yet that period has not been more than sufficient for the enormous preparation necessary to enable our Empire to throw its full strength into the struggle.

The events that have transpired since prorogation give convincing testimony of the efficiency of measures thus taken and bear splendid tribute to the valor and heroism of His Majesty's forces in every theatre of war.

We may now confidently anticipate that the not distant future will bring such success to the Allied arms as will assure the full maintenance of the purposes and ideals for which we have engaged in this war.

Canadians Overseas.

The Canadian forces despatched overseas during 1916 numbered more than 165,000, and the aggregate of enlistments in Canada since the outbreak of war is nearly 400,000. In attack as well as in defence, the valor, endurance and resourcefulness of the Canadian troops have been conspicuous, and they have splendidly upheld the highest traditions of their country.

Spirit of Loyalty.

Equally notable and impressive has been the fine spirit of loyalty displayed by the people of this Dominion, who have freely dedicated their energies and their material resources to the common defence of our Empire.

Steps have been taken by my advisers for better organization of national service, and attention has been given to the more thorough utilization of our natural resources. Measures have also been taken to facilitate the increased production of munitions in Canada.

Imperial Conference.

The government of the United Kingdom has invited the first ministers of the Dominion to attend a series of special and continuous meetings of the war cabinet, of which for this purpose they will be members, to consider urgent questions affecting the prosecution of the war. This invitation has been accepted on behalf of Canada.

Our 50th Anniversary.

The 50th anniversary of the foundation of this Dominion draws near, and brings with it the inspiring memory of all that has been accomplished during the half century in the upbuilding of a united and powerful nation.

My advisers believe that, notwithstanding the continuance of the war,

Notice to Taxpayers.

A Special Meeting of the City Council will be held on **TUESDAY EVENING, January 23rd**, in the Council Chamber, City Hall, at eight o'clock, for the purpose of considering ways and means of raising the amount required for the Canadian Patriotic Fund.

The Council will be pleased to receive on that evening any delegations who may desire a hearing on the matter in question.

By order, G. R. PERKINS, Acting City Clerk.

there should be an appropriate commemoration of an event so notable in the history of Canada.

The life of the present parliament will expire in October next under existing legislation. My advisers, however, are of opinion that the wishes of the Canadian people and the urgent requirements of the war would be best met by avoiding the distraction and confusion consequent upon a general election at so critical a time.

To Ask for Extension.

That purpose can only be effected through the medium of legislation by the parliament of the United Kingdom. A resolution authorizing and requesting the enactment of such legislation as will further extend the life of this parliament will be presented to you.

After alluding to the crops of the past year the speech continued: Hon. Gentlemen of the House of Commons:

The accounts for the last and the estimates for the next fiscal year will be submitted to you without delay, and you will be asked to make the necessary financial provision for the effective conduct of the war.

Honorable Gentlemen of the Senate. Gentlemen of the House of Commons.

The lofty patriotism, the fine courage and the inflexible purpose which have animated all His Majesty's dominions in upholding our great country are in nowise abated. In common with the rest of the Empire the people of the Dominion are firmly resolved that in this war, which has entailed so much sacrifice and which we have undertaken for the highest ideals of humanity and civilization, our efforts shall be continued and strengthened until they are crowned with abundant peace.

I commend to your attentive consideration all measures submitted to you for that great purpose, and I pray that the divine blessing may attend your deliberations.

PREMIER CLARKE SLATED FOR LIEUT. GOVERNORSHIP

Latest Rumor Connected With Provincial Politics—Not Confirmed.

One of the reports current in connection with provincial politics is that Hon. George J. Clarke, at present Premier of the province, is to become Lieutenant Governor in succession to Hon. Josiah Wood, whose term of office expires early in March. His Honor the Lieut. Governor took a lease of Dr. T. C. Allen's house from February 15th for the session, and has not altered the arrangement, although it is now announced that the House of Assembly will not open its session until March 8th.

Hon. J. A. Murray is said to be slated for the Premiership in succession to Hon. Mr. Clarke. The term of the present legislature will expire in June and there is much conjecture as to the date of the general election. This will be governed largely by developments in Dominion politics.
