

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Charles H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. OF INTEREST TO WOMEN

THIS IS MARMALADE TIME.

Grapefruit Marmalade.

Shred very fine four grapefruit and two lemons. To each pound of fruit allow three pints of water. Pour the water over the fruit and let stand overnight. In the morning cook until extremely tender and then let stand for twenty-four hours. Weigh and allow an equal amount of sugar to that of fruit. Heat the sugar in an oven. Let the fruit cook to the boiling point, add the heated sugar and boil until the syrup thickens in cooling.

Amber Marmalade.

One orange, one lemon, one grapefruit, five pounds of sugar and seven pints of cold water. Wipe the fruit with a damp cloth. Do not remove the rind, but cut each in quarters and then cut each quarter through rind and pulp into thin slices, removing all seeds.

Let the prepared fruit stand in the water 24 hours. Cook five or six hours or until the peel is very tender. Let stand another 24 hours. Add sugar and cook until it jellies when tested in a cold saucer. Turn into tumblers and seal.

Orange Marmalade.

Wipe nine oranges and six lemons and slice crosswise in as thin pieces as possible, discarding seeds. Put in a porcelain lined preserving kettle, adding four quarts of cold water. Cover the kettle and let stand 36 hours. Boil for two hours, add eight pounds of sugar and boil for another hour.

Orange Marmalade Without Peel.

Allow twice as many oranges as lemons. Pull the peel from the fruit and cut crosswise in thin slices, removing seeds. Chop the peel separately and tie loosely in a cheesecloth bag. Weigh the peel and pulp together and to each pound allow three pints of cold water.

DOG'S COSTLY FUNERAL.

Westminster Gazette. The case of the taxi driver fined for wasting petrol in a drive from London to Huntingdonshire ought not to pass without a word of comment. His passenger was a dead dog—in a coffin. Little wonder that the magistrates found him guilty of an abuse of the petrol regulations and fined him to the tune of £50. Lady Anderson, the owner of the dog, has now let it be known that she has paid the taxi driver's fine. That is the least she can do, but the public will not easily forget this amazing example of the length to which, even in war time, the worship of the dog can be carried.

WARNING TO PACIFISTS.

The Times: The War Ministers, both of France and England, have the nations more ardently behind their war policy than ever. The Germans have M. Clemenceau for M. Painlevé, and Mr. Lloyd George reinvigorated and confirmed in power by the achievement of a great work of statesmanship and by an unprecedented parliamentary triumph. But ought not this candid exposition of Germany's real hopes—and by implication of her real fears—to be a warning to any honest "pacifists" who are lying in wait for the war premiers?

"CASCARETS" FOR A COLD, BAD BREATH OR SICK HEADACHE

Best for liver and bowels, for biliousness, sour stomach and constipation.

Get a 10-cent box now.

Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.
