

THE QUESTION OF INTEREST.

For the fiscal year 1907, the last year of the old government, the amount paid for interest, as shown by the Auditor General's report, was \$178,569.70.

In the fiscal year ending October 31st, 1916, the interest charge, according to the Auditor General's statement, was \$351,004.99.

Increase in nine years under the present government, \$172,435.29, an average of \$19,159.47 per year, or at the rate of \$58 per day.

What do the electors think of this record for a government which went into power solemnly pledged to give the country an economical administration of affairs?

Turn the rascals out!

GRAFT REVELATIONS A DISGRACE TO PROVINCE

Commenting on the report of the Royal Commission which investigated the Dugal charges, the Quebec Chronicle, a leading Conservative paper, said:

"The terrible revelations of official graft in New Brunswick are a disgrace not only to that Province, but to all Canada. They almost completely destroy public confidence in the honesty of our public men, and unquestionably inspire grave doubts as to the possibility of ever securing anything like an upright administration of public affairs under our present system. Yet no administration ever came into office with more pious professions of high virtue and devotion to the public weal than did the Flemming government of New Brunswick. On the strength of these it literally swept the Province at the last general election in 1912, only two members being returned to support the Opposition.

LOOT WAS THEIR OBJECT.

"There is no longer the shadow of a doubt that loot was the object for which the men now in charge of the government of the Sister Province down by the sea sought office. Their conduct of public affairs was dishonest from the start, and today, under their manipulation, no province in Canada has been so betrayed, so shamed and so degraded as New Brunswick by these same men, who have played in the most heartless manner upon the good faith, the loyalty and the patriotism of their people in order that they might scatter the contents of the treasury among themselves and their heelers."

We have the looters still in power. Turn them out!

THE ISSUE CLEARLY DEFINED.

"I feel that the government, as it has been reconstructed, should appeal to the people for a mandate to continue the work of its immediate predecessors—a work which I think will commend itself to the public judgment."—Extract from Premier Murray's manifesto to the electors.

There you have the whole story in a nutshell. Do the people approve of the work of Mr. J. Kidd Flemming in his capacity of Premier of New Brunswick? If they do they should give Premier Murray and his colleagues a mandate to continue it. If they do not, they should kick out the whole outfit, bag and baggage.
