

## Save that spoonful

Four and often five spoonfuls of ordinary tea do not go any further than three of Red Rose Tea. Less Red Rose is required because it consists chiefly of rich, strong, full-flavored Assam teas.

Use Red Rose Tea and save that extra spoonful.

## KITCHENER CITY COUNCIL APOLOGIZES

(Canadian Press direct wire.)  
Kitchener, Ont., Dec. 4.—The City Council last evening, without discussion, unanimously passed a resolution of regret and apology to Sir Robert Borden for the insult he received at the hands of a mob of youths at the Unionist meeting held here a week ago last Saturday. The closing up of all factories and the readiness with which 350 to 4,000 employees agreed to the proposal of an "indignation day" caused the council to get together behind closed doors yesterday morning and frame the resolution, which was carried without a dissenting voice last evening.

## ALIENS TO BE NATURALIZED

(Canadian Press direct wire.)  
Washington, Dec. 3.—That the thousands of unnaturalized aliens in the army obtain full citizenship before the end of the war, Labor department officials will urge congress to pass the pending bill amending the existing statute that any applicant for naturalization papers must live in the same state for a year and wait for at least three months after filing application for naturalization. Without this amendment many American soldiers or foreign birth who have taken first steps to obtain citizenship will remain aliens through the war.

Many a man who thinks he is wedded to the truth is a grass widower.

## LISTEN TO THIS! SAYS CORNS LIFT RIGHT OUT NOW

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison, are now told by a Cincinnati authority to use a drug called freezone, which the moment a few drops are applied to any corn the soreness is relieved and soon the entire corn, root and all, lifts out with the fingers.

It is a sticky ether compound which dries the moment it is applied and simply shrivels the corn without inflaming or even irritating the surrounding tissue or skin. It is claimed that a quarter of an ounce of freezone will cure very little at any of the drug stores, but is sufficient to rid one's feet of every hard or soft corn or callus.

## THE DAILY MAIL

This paper has a special value to the local advertiser, as the majority of its readers are in this city and the immediate surrounding country.

Our Advertising Rates will be found decidedly reasonable in view of the results.

## PEOPLE READ OUR ADVERTISEMENTS

They are trying to buy as wisely as they can. It is necessary they should.

They are eager to know what the local merchants have to offer, and good live advertising is interesting reading to them.

Most of our enterprising business men have already realized this fact and their advertising appears regularly in the Mail.

If you are not a regular advertiser in the DAILY or SEMI-WEEKLY MAIL, you are overlooking an opportunity that no business man in this locality ought to be too busy to appreciate.

## THE AD. AND THE MAN.

By James J. Montague.

He saw the ad from day to day  
And muttered: "I defy it;  
The stuff may be just what they say,  
But I'm not going to buy it."  
As time wore on he made remarks  
It would not do to mention,  
For he was mad because that ad  
Was forced on his attention.

But in a week, or two, or three,  
He said: "There's no denying,  
The way that ad gets hold of me,  
The stuff may be worth trying"  
For just about a fortnight more  
He dared mere words to win him.

And then the ad completely had  
Aroused the spender in him.

Next day he drifted in a store  
And quietly expended  
A few big iron dollars for  
The stuff the ad commended.  
He found it filled a long-felt need  
Its excellence surprised him,  
And now he's glad because the ad  
So deftly hypnotized him.

## AROUND THE WORLD

# ALWAYS SOMEWHERE

To have gained first place as the largest selling gum in the world means much. It means that **WRIGLEY'S** is liked above all others.

That its quality, lasting flavour and its package are the kind most appreciated.

Back of all this—the enormous sales of **WRIGLEY'S** show that people have learned its benefits: refreshment—aid to appetite and digestion—soothing, antiseptic influence to mouth and throat and the advantages of sweet, clean breath.

The soldiers and sailors are calling for it daily.
