CONSTRUCTION TRAIN DROPS INTO RIVER

New York, Feb. 12.—A train of 20 dirt cars carrying many tons of earth and rock, dropped twenty-five feet through a chute into an east river scow today. The members of the train crew were crushed to death or drowned, and a third was fatally injured.

The dirt was being removed from the excavation of a new subway tube leading under the river.

THE IMPORTANT POINT

to remember with regard to Zam-Buk is that, unlike ordinary ointments, Zam-Buk is so refined that it is capable of penetrating to the seat of the trouble, which in the case of skin diseases and old sores is found in the diseased underlying tissues. This is due to the fact that Zam-Buk contains no animal fat or coarse mineral drugs whatever, but is entirely of herbal origin. Ordinary ointments, on the contrary, owing to the animal fat and mineral drugs contained in them, are incapable of penetrating beneath the surface skin, so that the relief, if any, can be only temporary.

In addition to this, Zam-Buk is a strong germicide, and having reached the underlying tissues, it destroys all germs and thoroughly cleanses the diseased parts. Then Zam-Buk's healing essences promote the growth of new skin and a permanent cure results.

Zam-Buk is best not only for old sores, eczema, and all skin diseases, but also for blood poisoning, ulcers, abscesses, boils, scalds, sores, piles, burns, scalds, cuts and all skin injuries. All druggists and grocers, or Zam-Buk Co., Toronto. 50c. box, 3 for \$1.25.

"CHARLEY'S AUNT."

Crowded House Saw Comedy at City Opera House Last Night.

"Charley's Aunt" was presented at the City Opera House last night before a capacity audience. The few dramatic performances coming to Fredericton, the larger the attendance, appears to be the rule. The comedy, although an old one, was well received by the audience. The comic situations provoked roars of laughter and the funny lines also had the calculated effect.

The play was presented by the United Producing Company. Mr. Thomas Gilbert, in the part of Lord Fancourt Babberly, had the chief comedy role and took it in excellent fashion. Other prominent parts were taken by Mr. Chas. Bates as Stephen Spettigue, Mr. Jack Milton as Jack Cheney, and Mr. William Phelps as Charley Wyckham.

GROWING OLD WHILE SHE WAS YET YOUNG

MRS. GALLANT FOUND YOUTH AND LIFE IN DODD'S KIDNEY PILLS.

New Brunswick Young Woman Tells How She Suffered from Bright's Disease and Was Cured After Doctors and Hospitals Had Failed.

Wapske, Longly Station, Victoria Co., N. B., Feb. 12.—(Special) Once more Dodd's Kidney Pills have proved their inestimable value to suffering women. Mrs. Joshua Gallant, of this place, had Bright's disease. Doctors failed to cure her. Dodd's Kidney Pills cured when everything else failed. Today Mrs. Gallant is able to do all her own housework, whereas a year ago she could not do any of it. "I am cured," she says, "and Dodd's Kidney Pills cured me. I was suffering from Bright's Disease. Both my head and my heart also bothered me."

"I was treated by several doctors and also at a hospital, but I could get no help and was gradually getting worse. I then decided to take Dodd's Kidney Pills. I have taken them for a year and can now say that I am cured."

Mrs. Gallant is only twenty years of age. But kidney disease is no respecter of age or persons. It is making thousands of women in Canada old while they should still be young. Dodd's Kidney Pills will bring back health and youth. Ask the thousands of Canadian women who have used them.

SOME ACTIVITY ON RUSSIAN FRONT

Petrograd, via London, Feb. 12.—Numerous raiding and outpost operations along the Russian front are reported in today's war office statement. The statement reads:

In the region of Borovlyn, northeast of Smorgon, our scouts, unnoticed by the enemy, cut his barbed wire entanglements, attacked his outposts, and captured a machine gun.

The enemy, taking advantage of a snow storm, attacked about one company strong in a sector north of Mikhalovka, about six and a half miles north of Kiselin, occupied by two of our companies.

On the front held by one company the attack was beaten back, but on the left flank in the sector occupied by the other company, the enemy succeeded in entering our trenches, but by the aid of the neighboring company he was driven back and our position restored.

South of Meallitch the enemy crossed on the ice and attacked our field posts, and at first succeeded in pressing out our posts back. By a counter attack the enemy was repulsed and our troops re-occupied their original positions.

WHY MR. PINDER WAS TURNED DOWN

An "Old-Time Conservative" wants to know why Mr. Pinder, the veteran of York, who was fighting the battles of the party when Mr. Slipp was a law student, was not given a look-in when the government had a vacant portfolio to fill. The answer will probably be found in the following certificate of character which the Gleaner handed Mr. Pinder two years ago:

"THERE LIES TODAY AN UNSETTLED BALANCE FOR HIS STUMPAGE DUES AS FAR BACK AS 1911 OF \$45, AND AN INDEBTEDNESS FOR STUMPAGE DUE FOR THE YEAR 1912 OF \$494, A TOTAL OF \$539. COULD THERE BE ANYTHING MORE DISTURBING IN THE POSITION OF A PUBLIC MAN? HAS THE GOVERNMENT NOT BEEN EXCEEDINGLY FORBEARING AND VEDY LENIENT? IT IS BECAUSE OF THIS EVIDENCE OF MR. PINDER'S GROSS ABUSE OF TRUST, OF HIS DETERMINATION TO TRADE IN PUBLIC AFFAIRS FOR HIS OWN PERSONAL AGGRANDIZEMENT, OF HIS LACK OF HONOR AND LACK OF APPLICATION OF RESPONSIBILITY IN HIS DEALINGS WITH THE PUBLIC BUSINESS, THAT HE HAS NOT BEEN, AND CANNOT BE, TAKEN INTO THE EXECUTIVE. MR. PINDER MAY WHINE AND PROTEST, BUT HE MUST ALSO FACE THE FACT THAT NO LEADER OF A GOVERNMENT CAN AFFORD TO TAKE INTO HIS CABINET A MAN WITH SUCH A REPUTATION AS MR. PINDER UNFORTUNATELY HAS."

A man in close touch with provincial affairs claims that at least \$250,000 is wasted each year in graft. Time to put a stop to it.

Graft and incompetency have placed New Brunswick on the verge of bankruptcy. Your only salvation is to turn the present government out of power.

If the last election cost the Valley Railway \$100,000, what will this election cost? And this money comes out of the pockets of the people.

THE ISSUE CLEARLY DEFINED.

"I feel that the government, as it has been reconstructed, should appeal to the people for a mandate to continue the work of its immediate predecessors—a work which I think will commend itself to the public judgment."—Extract from Premier Murray's manifesto to the electors.

There you have the whole story in a nutshell. Do the people approve of the work of Mr. J. Kidd Flemming in his capacity of Premier of New Brunswick? If they do they should give Premier Murray and his colleagues a mandate to continue it. If they do not, they should kick out the whole outfit, bag and baggage.

HON. W. P. JONES, K. C.
Opposition Candidate in Carleton County.

AN OPEN LETTER TO MR. JOHN A. YOUNG

To Mr. John A. Young, Taymouth.

Dear Sir,—You have been nominated as a candidate at a convention held in the city of Fredericton on Thursday, the 8th inst., to contest the County of York at the election of February 24th. Associated with you as a ticket are the names of Mr. James K. Pinder, Dr. Wm. C. Crockett and Mr. S. B. Hunter. I am surprised to see Mr. James K. Pinder's name associated with yours on a ticket asking the electors of the county of York for their votes and support, after the villainous attack you made upon your neighbor, friend and colleague, the same Mr. J. K. Pinder, in a public place in Boiestown, at the time a vacant seat in the Legislature was being contested by Col. Guthrie and Mr. James M. Scott. You there and then, in the post office at Boiestown, in my presence and in my hearing, said "Pinder was a liar and thief."

Now, Mr. Young, in fairness to you, I may say you were talking politics, for you went on to say that "Pinder, by lying and deception, tried to obtain and did obtain from the government \$2,000 per mile additional bond guarantee for his railway."

Now, Mr. Young, if your colleague, Mr. J. K. Pinder, is what you said he was, he is not a fit and proper person to be associated with you on a ticket for a seat in the Legislature of this province, or any other province. On the other hand, if you were defaming your neighbor and colleague, then you are not a fit subject to represent this county of York or sit in any assembly.

The intelligent electors of York must

decide. Yours truly,
M. ATKINSON.

HAD SEVERE COLD PAIN IN CHEST SPASMODIC COUGHING

Many people when they contract a cold do not pay any attention to it, thinking perhaps it will pass away in a day or two. This is a mistake, for before they know it, it has settled on the lungs.

Too much stress cannot be laid on the fact that on the first sign of a cough or cold it must be gotten rid of immediately, otherwise it may cause years of suffering from some serious lung trouble.

Mr. A. George, 30 Blevin's Place, Toronto, Ont., writes: "Having greatly benefited from your remedy Dr. Wood's Norway Pine Syrup, I take the liberty to write you a few words about the effect of that wonderful syrup. Two years ago I caught a severe cold, followed by a spasmodic cough and pain in my chest. I was treated by many doctors but without any benefit, and also took many proprietary medicines which all failed to cure. One of my friends recommended Dr. Wood's Norway Pine Syrup, and after using three bottles I was completely cured. I recommend it to anyone as a God-sent remedy."

"Dr. Wood's" is put up in a yellow wrapper, three pine trees the trade mark, price 25c. and 50c.

WHERE THE MONEY GOES

Royal Commissions which investigated charges of graft and wrong doing cost the province \$12,960 during the years 1914 and 1915. The amount paid out in 1914, according to the Auditor General's report, was \$666.25, and there was a further expenditure of \$12,960 in 1916, making the total as given above. As the result of the Royal Commissions, Premier Flemming was forced to resign from the government, and A. J. H. Stewart and Col. Sheridan had to give up their seats in the Legislature. The sum of \$12,960, most of which went to lawyers, would have built half a dozen new bridges or repaired many miles of road. Had the government carried out its solemn pledges and administered the affairs of the province honestly, it would not have been necessary to employ Royal Commissions.

THE MARITIME BAPTIST'S VIEWS

(From the Maritime Baptist.)

His (Flemming's) own testimony before the Commission, however, has not done him credit, and sorrow is expressed on every hand that a man who had gained public favor as Mr. Flemming had done, should have allowed himself to have become mixed up in such a discreditable transaction.

Wrong doing in public places has been condoned in the past—and much has been winked at—the time has come when honest and fair-minded people will not stand for such transactions as have just now been brought to light. With the petty affairs of political parties this journal has little concern, but it is deeply concerned with the great moral issues involved in the Crown Land investigation, and for the honor of New Brunswick.
