## THE GOVERNMENT'S LAND SETTLEMENT SCHEME

Premier Murray, in his manifesto to the electors, makes a big splash over what the government is going to do towards promoting settlement in New Brunswick after the war. The government, according to Premier Murray, is going to "set aside extensive areas of land not now available which are found to be suitable for farming, and for the use of our own people, as well as immigrants coming to us in the future." We are further told that "plans are now being made for the subdivision of extensive areas in Restigouche and Northumberland counties, which have been found suitable for the purposes of the settler."

Premier Murray is a great admirer of Hon. J. D. Hazen, whom he tries to ape when on the public platform, and will no doubt be largely guided by his advice in any policy which he will try to carry out if returned to power.

Now, what does Mr. Hazen think of the plan to settle people on the Crown lands? Fortunately, we have a very good record of his views in the legislative debates of 1907, when Hon. Dr. Pugsley was urging the passage of the International Railway bill, on the ground that it would open up land for settlement. Here is what Mr. Hazen said on that occasion:

"Moreover, the country is such that there will not for many years to come be a single settler on it. No one is going to the trouble of carrying out a farm in the forest, when he can go out west and get land ready to walk on to."

Then we have the views of ex-Premier Flemming, who seems to be actively associated with Premier Murray in this campaign. Here is what Mr. Flemming said from his place in the House in 1907:

"I want to say that the day has passed when the young men of New Brunswick will take up wilderness lands. Western opportunities are too great."

## FACTS FOR THE ELECTORS.

The Government which went out of power in 1908 expended \$965,000 during the last year in office. The present Government, which went into power solemnly pledged to economy, succeeded in getting away with \$1,568,484 last year. Can you see evidence of any great improvement in the public service? No. Can you find the good roads that were promised in 1908? No. Then what did they do with the money? Ask the grafters and camp followers who are urging you to give the government a new lease of power.

## THE QUESTION OF INTEREST.

For the fiscal year 1907, the last year of the old government, the amount paid for interest, as shown by the Auditor General's report, was \$178,569.70.

In the fiscal year ending October 31st, 1916, the interest charge, according to the Auditor General's statement, was \$351,004.99.

Increase in nine years under the present government, \$172,435.29, an average of \$19,159.47 per year, or at the rate of \$58 per day.

What do the electors think of this record for a government which went into power solemnly pledged to give the country an economical administration of affairs?

Turn the rascals out!

GEORGE W. UPHAM,  
Opposition Candidate in Carleton.

CARD TO THE ELECTORS  
OF SUNBURY

Gentlemen,—Having been nominated by a large gathering of the electors of Sunbury to run in opposition to the present Government, and having accepted the nomination, we are now appealing to the electors generally for support.

Since the last general election we have had three Premiers: The Hon. J. K. Flemming, who resigned after having been convicted of graft and extortion by a royal commission; the Hon. George J. Clarke, under whom the graft and thieving was continued, as appeared so clearly in the investigation before the present Judge Chandler, and the present Premier, the Hon. James A. Murray.

The Hon. James A. Murray in his manifesto to the people of the province has stated that he will follow his predecessors as a guide. New Brunswick has been disgraced in the eyes of all Canada by the administration led by Mr. Flemming and Mr. Clarke. It is the duty of every elector who has the interests of the province at heart, to vote against a government which will attempt to follow such a lead.

It is absolutely necessary in the interest of the province that a change should be made in the provincial rulers. Business men all over the province are crying out for a change. It is impossible for us to see all the voters of the county in the few days which the government has given us to lay the issues before you, but we ask you to give us your support and to cast your votes for us on election day.

If elected we promise to devote our best energies in the interests of the people of Sunbury and to support every measure proposed for the public good.

We have the honor to be, yours, etc.

ROBERT B. SMITH,  
D. W. MERRIMAN.

ACIDS IN STOMACH  
SOUR THE FOOD AND  
CAUSE INDIGESTION

"Pape's Diapepsin" Fixes Sour, Gasey,  
Upset Stomachs in Five  
Minutes.

If what you just ate is souring your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these five-cent cases of Pape's Diapepsin. When you will understand why dyspeptic troubles of all kinds must go, and why it relieves your out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, for dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes.

The hope of the Temperance people to stand in with the Opposition, as the Government is hand-in-glove with the liquor interests, and they would sit double-crossed.

GRAFT REVELATIONS A  
DISGRACE TO PROVINCE

Commenting on the report of the Royal Commission which investigated the Dugal charges, the Quebec Chronicle, a leading Conservative paper, said:

"The terrible revelations of official graft in New Brunswick are a disgrace not only to that Province, but to all Canada. They almost completely destroy public confidence in the honesty of our public men, and unquestionably inspire grave doubts as to the possibility of ever securing anything like an upright administration of public affairs under our present system. Yet no administration ever came into office with more pious professions of high virtue and devotion to the public weal than did the Flemming government of New Brunswick. On the strength of these it literally swept the Province at the last general election in 1912, only two members being returned to support the Opposition."

"There is no longer the shadow of a doubt that loot was the object for which the men now in charge of the government of the Sister Provinces down by the sea sought office. Their conduct of public affairs was dishonest from the start, and today, under their manipulation, no province in Canada has been so betrayed, so shamed and so degraded as New Brunswick by these same men, who have played in the most heartless manner upon the good faith, the loyalty and the patriotism of their people in order that they might scatter the contents of the treasury among themselves and their henchmen."

We have the looters still in power. Turn them out!
