**Suffered From Severe Headaches FOR TWO YEARS**

Headaches are many and varying; but when the head starts to ache you may be sure there is some chief cause. The stomach may go wrong, the bowels become constipated, the blood may not circulate properly, but the presence of the headache clearly shows that unless the cause is removed some other baneful disease is liable to assert itself.

Burdock Blood Bitters has, for the past forty years, been curing all kinds of headaches and has proved itself to be a remedy that cures where others fail.

Mr. I. N. Petersen, Inleper, Man., writes: "I am only too glad to be able to state that I derived wonderful benefit from Burdock Blood Bitters. I suffered from severe headaches for two years. I was treated by several doctors, but received no benefit until by chance I heard of B.B.B., and I at once procured two bottles and in a short time I was completely cured. I am, and always will be, grateful for what Burdock Blood Bitters has done for me. I am glad to recommend it to all who suffer from headaches."

B.B.B. is the oldest and best known blood medicine on the market today, having been manufactured for the past forty years by The T. Milburn Co., Limited, Toronto, Ont.
