SHE SUFFERED FOR EIGHT LONG YEARS.

THEN DODDS KIDNEY PILLS CAME TO HER RELIEF.

Mrs. E. S. Thompson is Telling Her Many Friends What Caused the Great Improvement in Her Health.

Minahico, via Sleeman, Ont., April 9.—(Special) Mrs. E. S. Thompson, an old and respected resident of this place, is telling her numerous friends that her recent wonderful improvement in health is the result of using Dodd's Kidney Pills.

"My sickness dates back about eight years," Mrs. Thompson says. "My sleep was broken and unrefreshing, there were dark circles under my eyes, my appetite was fitful and I suffered from backache. I had frequent headaches, I felt heavy and sleepy after meals, and I was depressed and low-spirited. Rheumatism and Bright's disease were soon added to my afflictions.

"I was far from being well when I started to use Dodd's Kidney Pills. I only took two boxes of them, but the results are so good that I am recommending them to all my friends."

All Mrs. Thompson's troubles came from sick kidneys. Dodd's Kidney Pills cure sick kidneys. And sick kidneys are responsible for nine-tenths of the pain and earliness suffering women are heir to.
