

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Dr. J. C. Fletcher, and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. QUICK METHODS
BRING HOME
THE BERRIES

"I would like to bring my boy to you," declared the man who wanted a job for his son. "I want him to learn the right sort of business methods, the most productive methods, early in life. Then he may be fairly sure of success."

"I don't know about that," replied the man who didn't want to give his friend's son a job if he could possibly help it. "The most productive methods are sometimes the worst in the long run."

"There was Butch Burley. I remember that Butch had far and away the most productive method of picking gooseberries and getting paid for them."

"There was no doubt about it! While it was hard work for me to earn 40 cents a day in the berry patch, Butch could pull down \$3 and \$4! Quite a difference."

"I determined to learn how Butch accomplished it."

"In the first place he never picked with the others. He went away down to the other end of the berry patch and picked all by himself. But I put in half a day hunting for him, and when I at last found him he saw there was no way out of it and that he would have to demonstrate his method for me."

"Here's how he did it. First he got a sheet and spread it out on the ground. Then he put on a pair of gloves and took up a bucket and a stool. He sat on the stool, placed the bucket between his knees and then took hold of a branch of the bush in each hand as if he were milking a cow. He scraped every darn thing on the branch in to the pail, leaves and all. When the bucket was full, in
